The Gospel Of John Volume 11 1 4 54:

John Volumes 1 & 2 MacArthur New Testament Commentary Set John MacArthur, 2008-03-01 The gospel of John answers the big question of How can a sinner have eternal life By believing in Jesus Christ This discounted two volume set John 1 11 and John 12 21 tells of Jesus s claims and the works He performed to validate those claims proving He is the Son of God and the Savior of the world From the declaration of the Word as God to Christ s last words to His disciples join John MacArthur as he explains each verse in a way that is both doctrinally precise and intensely practical **John, Volume 4** Dorothy A.

Lee, 2025-06-10 Volumes in New Word Biblical Themes New Testament series offer short accessible studies of the key themes of each book of the New Testament Each volume offers an introduction to the book a brief exposition of the text with its basic background and a survey of its contents an overview of its themes and a deeper look at 3 5 key themes for understanding the book and for preaching and teaching *Shakespeare Survey With Index 1-10: Volume 11, The Last Plays* Allardyce

Nicoll, 1958-01-02 The first fifty volumes of this yearbook of Shakespeare studies are being reissued in paperback **The Gospel and Letters of John, Volume 1** Urban C. von Wahlde, 2010-11-22 Urban von Wahlde s radically new three volume commentary on the Gospel and Letters of John is the most detailed study of the composition of the Johannine literature ever put forth by an American scholar Nearly all of the problems confronted by those who study John have to do with the literary strata of the Gospel of John and their relation to the composition of the Letters of John With an archaeologist s precision and engaging a whole range of scholarly contributions in this area von Wahlde digs down to the foundations and exposes three distinct literary strata in the development of the Johannine tradition Volume 1 gives detailed evidence identifying and listing the criteria for each stratum Volumes 2 and 3 apply those criteria to the Gospel and Letters of John respectively

Anti-Judaism and the Gospel of John Mirosław Stanisław Wróbel, 2023-12-04 In the light of the research undertaken in this book the author concludes that the so called anti Jewish texts in Johannine Gospel are not directed against the Jews being an ethnic or religious community The object of the polemic and attacks is not the entire Jewish nation across the span of all the ages but a group of the Jewish leaders or opponents to Jesus in the First Century AD Looking through the prism of the aposynagagal polemics one can notice that the state of tension between the Johannine community and the rabbinic Judaism is inter Jewish not anti Jewish in character The source of the polemical language of the Fourth Gospel is the Christological discussion in the historical and sociological context the Messianic confession the excommunication from the Synagogue the presence of Samaritans in the Johannine community the struggle for the preservation of the identity

Chrysostom's Homilies on Romans and the Textual History of the New Testament Peter Montoro, 2025-10-20 This volume provides a new paradigm for the use of Chrysostom s exegetical homilies in New Testament textual criticism Grounded in a study of the manuscript tradition of the Homilies on Romans this work offers both a reconstruction of the Romans text as initially cited in the homilies and an analysis of the extensive revisions to these citations present in the

subsequent manuscript tradition This study challenges current assumptions about the influence of the Byzantine text on patristic citations and demonstrates the use of the manuscripts of Chrysostom's homilies as a source of textual reference in the broader transmission history of Romans

The True Jesus David Limbaugh, 2017-04-10 A New York Times Bestseller Who do you say that I am Uttered by Jesus Christ this profound question has presented an age old challenge to believers skeptics scholars and rulers In attempting to answer this question The True Jesus goes straight to the unimpeachable source the books of Matthew Mark Luke and John Only in the Gospels says 1 New York Times bestselling author David Limbaugh do we come face to face with the Son of God Whose sublime teachings miraculous actions and divine essence leap off every page and into our hearts In this book Limbaugh combines the four Gospel stories into a unified account though not he humbly admits a perfect harmony and guides readers on a faith journey through the Four Evangelists testimonies of the life of Jesus Christ Along the way Limbaugh shares his insights on Jesus words and deeds as well as His unique nature as fully human and fully divine In The True Jesus you will learn Why even the apostles failed to completely understand Jesus true identity and mission until after His crucifixion The real basis for the rejection of Jesus message by skeptics in His hometown and elsewhere The historical events preceding Jesus birth that providentially paved the way for Christianity How Jesus message utterly contradicted modern attempts to portray Him as being non judgmental Limbaugh's passion for the Gospels infuses the pages of The True Jesus which is both a primer for new Bible readers and an outstanding guide to the Gospels for long time believers Who really is the true Jesus Open this book and begin your odyssey toward the answer

Signs of Salvation Anthony M Moore, 2013-09-26 Was Mary Magdalene really mistaken when she took the Risen Lord to be a gardener working near the tomb where Christ was laid after the crucifixion In this compelling volume Anthony M Moore persuasively argues that Jesus must be recognised at atheological level as the Gardener the Creator God Himself The author skilfully examines the strong evidence available to the reader that the narrative material of the Book of Signs John 2 12 together with the High Priestly Prayer of John 17 is deliberately infused with the fundamental theme of creation The first sentence of the Gospel in the beginning meaningfully echoes the start of Genesis and sets the tone for what is to come Creation indicators or leitmotifs which link the signs narratives in the Fourth Gospel to the sequence of the days of creation are unpicked in this volume in a careful survey of the placement of particular nouns and verbs within the narratives and how often they occur Upon these foundations the author builds his strikingly original thesis that each miraculous sign of John 2 12 corresponds to a day of creation and that subtly but unmistakably John intends to reveal Jesus as the Creator in all His glory A book that offers a novel and enlightening way of reading John's Gospel Signs of Salvation will interest any reader seeking a deeper understanding of a fundamental truth about Christ's nature He is the God of creation at one with and participating in the creative work of the Father
