The Great Billion Dollar Medical Swindle:

The Great Billion Dollar Medical Swindle Keith Alan Lasko, 1980 **Taking the Pulse of the U.S. Health Care System** Catherine Hosmer, 2007 This book's purpose was to find out how people across the United States felt about their health care. In that effort, the author interviewed hundreds of people male or female, retired or working, ill or well, health professional or not, and was shocked by the disdain with which most of those questioned view our health care system. Their opinions are a large part of this book. What has happened to a once great health system often proclaimed by many as best in the world? The author consulted dozens of experts present both when the system was created as well as those working in the field today. The trail of blame in their opinions leads to politicians, doctors, lawyers, pharmaceutical giants, HMOs, hospitals, and other health providers who they declare have lined their pockets at the public's expense. This book tries to answer the questions HOW DID IT HAPPEN and IF OUR HEALTH CARE SYSTEM IS BROKEN HOW CAN WE FIX IT *California. Court of Appeal (2nd Appellate District). Records and Briefs* California (State)., **Faith & Wellness** R. J. Rushdoony, 2016-12-27 Abortion Euthanasia Socialized Healthcare Statist regulations Quackery Addiction These are the modern symptoms of a disease that has infected Western medicine for thousands of years, the disease of humanism. In a series of thirteen Medical Reports, R. J. Rushdoony traced the Christian and pagan roots of Western medicine in history and demonstrated how humanist thought has produced vicious fruit in both modern medical practices and in the expectations of patients. How do we heal the medical profession? Rushdoony understood that finger pointing will not solve our problems. Because the plague of humanism will inevitably lead to death and no wellness, it is the responsibility of the Church and the Christian medical professionals with her to develop a thoroughly Biblical theology of medicine and to teach it. Rushdoony lays foundations for this by explaining the connection between salvation and healing, establishing the vital importance of treating the whole man, body and spirit, and renewing the vision for doctors to embrace their priestly callings. This is an essential read for anyone who wants to reform health care. This paperback book includes all the Medical Reports, once part of the *Roots of Reconstruction* Why Nothing Works Marvin Harris, 2011-01-11 From cults to crime to porno parlors, this book is about a lot of things that are new and strange in America today. This book is about cults, crime, and shoddy goods, and the shrinking dollar. It's about porno parlors and sex shops and men kissing in the streets. It's about daughters shaking up women on the rampage, marriages postponed, divorces on the rise, and no one having kids. It's about old ladies getting mugged and raped, people shoved in front of trains and shoot outs at gas pumps. And letters that take weeks to get delivered, waiters who throw food at you, rude sales help, and computers that bill you for things you never bought. It's about broken benches, waterless fountains, cracked windows, dirty toilets, crater-filled roads, graffiti-covered buildings, slashed paintings, toppled statues, stolen books. It's about shoelaces that break in a week, bulbs that keep burning out, pens that won't write, cars that rust, stamps that don't stick, stitches that don't hold, buttons that pop off, zippers that jam, planes that lose their engines, reactors that leak, dams that burst, roofs that collapse.
