

What was the Great Terror?

Part One – The Show Trials

L/O – To identify and describe the key features of the Show Trials

The Great Terror Part 1

Jerome C. Wakefield

The Great Terror Part 1:

The Great Terror Robert Conquest, 2008 The definitive work on Stalin's purges the author's *The Great Terror* was universally acclaimed when it first appeared in 1968 Provides accounts of on everything from the three great Moscow Trials to methods of obtaining confessions the purge of writers and other members of the intelligentsia on life in the labor camps and many other key matters On the fortieth anniversary of the first edition it is remarkable how many of the most disturbing conclusions have borne up under the light of fresh evidence **The Whisperers** Orlando Figes, 2008-11-25 From the award winning author of *A People's Tragedy* and *Natasha's Dance* a landmark account of what private life was like for Russians in the worst years of Soviet repression There have been many accounts of the public aspects of Stalin's dictatorship the arrests and trials the enslavement and killing in the gulags No previous book however has explored the regime's effect on people's personal lives what one historian called the Stalinism that entered into all of us Now drawing on a huge collection of newly discovered documents *The Whisperers* reveals for the first time the inner world of ordinary Soviet citizens as they struggled to survive amidst the mistrust fear compromises and betrayals that pervaded their existence Moving from the Revolution of 1917 to the death of Stalin and beyond Orlando Figes re-creates the moral maze in which Russians found themselves where one wrong turn could destroy a family or perversely end up saving it He brings us inside cramped communal apartments where minor squabbles could lead to fatal denunciations he examines the Communist faithful who often rationalized even their own arrest as a case of mistaken identity and he casts a humanizing light on informers demonstrating how in a repressive system anyone could easily become a collaborator A vast panoramic portrait of a society in which everyone spoke in whispers whether to protect their families and friends or to inform upon them *The Whisperers* is a gripping account of lives lived in impossible times *Rise And Fall Of The Soviet Rural Communist Party 1927-39* Daniel Thorniley, 2016-02-08 **The Russian Secret Police** Ronald Hingley, 2021-05-30 This book first published in 1970 is an important study of Russia's security services from their earliest years to the mid twentieth century Ronald Hingley demonstrates how the secret police acted both under the Tsars and under Soviet rule as a key instrument of control exercised over all fields of Russian life by an outstandingly authoritarian state He analyses the Tsarist Third Section and Okhrana and their role in countering Russian revolutionary groups and examines the Soviet agencies as they assumed the roles of policeman judge and executioner This masterly evaluation of Russian and Soviet secret police makes extensive use of hard to find Russian documentary sources and is the first such research that studies Russian political security Muscovite Imperial and Soviet as a whole **The Literary Year-book** Frederick George Aflalo, Joseph Jacobs, Herbert Arthur Morrah, Henry Gilbert, Basil Stewart, Mark Meredith, 1915 The Church Historians of England: pt. 1. The Anglo-Saxon chronicle. The chronicle of Florence of Worcester Joseph Stevenson, 1853 The Damned and the Dead Frank Ellis, 2011-06-15 The confrontation between the Wehrmacht and the Red Army on the Eastern Front of World War II was

defined by incalculable suffering destruction casualties and heroism While many historians have chronicled the epic nature of that arena of war it has largely been left to Russian novelists to fully express the intense human dimensions of that conflict Frank Ellis s groundbreaking study provides the first comprehensive survey of that impressive body of literature Canvassing a wide spectrum of works by Soviet and post Soviet writers many of whom were war veterans themselves Ellis uncovers themes both common to war literature in general and distinctive to the Soviet experience He recalls the earliest works in this genre by Emmanuil Kazakevich Grigorii Baklanov and IUrii Bondarev presents a long overdue assessment of Vasil Bykov s work which focuses on the partisan war in Bykov s native Belorussia and brings into sharp focus the powerful Stalingrad novels of Vasilii Grossman Konstantin Simonov Viktor Nekrasov and Bondarev He also provides keen insights into the heroic portraits of Stalin in the fiction of Ivan Stadniuk and Vladimir Bogomolov and examines three important war novels published during the 1990s Viktor Astaf ev s *The Damned and the Dead* Georgii Vladimov s *The General and His Army* and Vladimir But s *Heads Tails* One of the many threads running throughout Ellis s study is the dilemma of the Red Army soldier condemned to serve a regime that was utterly paranoid regarding the allegiances of its own armies so much so that Soviet soldiers often felt as threatened by the Soviet government as they did by the German armies Many of these novels reinforce the now well known fact that Stalin devoted considerable resources to ferreting out soldiers whose actions or inactions suggested disloyalty to his repressive regime A few of them such as Grossman s *Life and Fate* became battlegrounds in their own right pitting Soviet writers against Soviet censors in a struggle over the public memory of the war Russia s memories of World War II are forever tied to the suffering of its people Ellis s rich and revealing work shows us why

The Whole Genuine Works of Flavius Josephus ...: Antiquities of the Jews, book 1-8 Flavius Josephus,1820 **The Works of Herman Melville: Omoo : a narrative of adventures in the South Seas** Herman Melville,1922 **The Whole Genuine Works of Flavius Josephus** Flavius Josephus,1820
