The Great White:

The Great White Way Warren Hoffman, 2020-02-14 An investigation into the ways in which race and ethnicity have shaped the American musical over the course of the twentieth century up through today *The Great White Bard* Farah Karim-Cooper, 2023-04-27 SHAKESPEARE increasingly irrelevant or lone literary genius of the Western canon Powerful and illuminating James Shapiro author of 1599 A Year in the Life of William Shakespeare winner of the Baillie Gifford Winner of Winners 2023 Professor Farah Karim Cooper grew up loving the Bard perhaps because Romeo and Juliet felt Pakistani to her But why was being white as a snowy dove essential to Juliet's beauty Combining piercing analysis of race gender and otherness in beloved plays from Othello to The Tempest with a radical reappraisal of Elizabethan London The Great White Bard entreats us neither to idealise nor to fossilise Shakespeare but instead to look him in the eye and reckon with the discomforts of his plays playhouses and society If we persist in reading Shakespeare as representative of only one group as the very pinnacle of the white Western canon then he will truly be in peril But if we dare to bring Shakespeare down from his plinth we might unveil a playwright for the twenty first century We might expand and enrich his extraordinary legacy We might even fall in love with him all over again A TIME MAGAZINE BOOK OF THE YEAR 2023 Insightful passionate piled with facts and has a warm infectious love for theatre and Shakespeare running through every chapter ADRIAN LESTER CBE Dive in and your whole cultural landscape will be refreshed and reframed A challenging riveting read The Great White Bard reminds us how powerful the stories we tell can be on our lives ADJOA ANDOH Vivid a thorough analysis but also a kind of love letter Karim Cooper sees Shakespeare as holding a mirror to this society with his plays interrogating live issues around race identity and the colonial enterprise Her arguments come to feel essential and should be absorbed by every theatre director writer critic interested in finding new ways into the work GUARDIAN There are plenty of books on Shakespeare but this one is different This is Shakespeare as we've most of us never been willing to see him and the works emerge from the analysis as newly complicit powerful and yet recuperative EMMA SMITH AUTHOR OF PORTABLE MAGIC *The Great White Hoax* Philip Kadish, 2025-06-24 A provocative new history of the forgeries bogus science rigged data and fake news that keep American racism alive Anyone interested in the intersection of race politics and public lies in America will want to read this book David S Reynolds Bancroft Prize winning cultural historian and author of John Brown Abolitionist and Walt Whitman's America Fake news outright political lies a shamelessly partisan press and the collapse of truth civility and shared facts Philip Kadish argues are nothing new The Great White Hoax a masterpiece of historical and literary sleuthing reveals that the era of Fox News and Donald Trump is simply a return to form We have been here before In a book that brilliantly puts our current era into historical context The Great White Hoax uncovers a centuries long tradition of white supremacist hoaxes perpetrated on the American public by a succession of political hucksters and opportunists all of them willfully using racial frauds as tools for political and social advantage In the antebellum era slavery's defenders used bogus science to prove

the inferiority of African American people during the Civil War Abraham Lincoln's enemies circulated a sham pamphlet accusing him of promoting a dilution of the white race through miscegenation a racist term invented by the pamphlet's authors From these murky beginnings author Philip Kadish draws a direct thread to D W Griffith's Birth of a Nation Henry Ford's adaptation of The Protocols of the Elders of Zion Madison Grant's embrace of eugenics which directly influenced Adolf Hitler Alabama Governor George Wallace's race baiting and Roger Ailes's creation of Fox News The Great White Hoax reveals white supremacy as today's real fake news and exposes the cast of villains past and present who have kept American racism alive

Great White Chris Fallows,2009-10-21 For most people sharks and fear go hand in hand Renowned photographer and conservationist Chris Fallows maintains a more nuanced relationship with the superpredator Gasp inducing in their immediacy and surprise Fallows's brilliant photographs present these mighty creatures in a different light Great White the first publication to collect Fallows's work reveals the sublime beauty of sharks and provides a rare glimpse into the largely unseen world of great whites hammerheads and other breeds Fallows captures these fearsome creatures both above water as they intersect with humanity and below in their mysterious underwater domain A one of a kind portrait of the shark and a superlative study of the nature photographer's art this book is bound to turn heads and elicit a deep appreciation for the creatures that inhabit our oceans

The Megalodon and the Great White Shark Jason Burns,2024-11-05 From the megalodon of long ago to the great white shark of today what can the past teach us about saving modern endangered animals

Racing the Great White Way Katie N. Johnson,2023-07-19 The early drama of Eugene O'Neill with its emphasis on racial themes and conflicts opened up extraordinary opportunities for Black performers to challenge racist structures in modern theater and cinema By adapting O'Neill's dramatic writing changing scripts to omit offensive epithets inserting African American music and dance or including citations of Black internationalism theater artists of color have used O'Neill's texts to raze barriers in American and transatlantic theater Challenging the widely accepted idea that Broadway was the white hot creative engine of U S theater during the early 20th century author Katie N Johnson reveals a far more complex system of exchanges between the Broadway establishment and a vibrant Black theater scene in New York and beyond to chart a new history of American and transnational theater In spite of their dichotomous and at times problematic representation of Blackness O'Neill's plays such as The Emperor Jones and All God's Chillun Got Wings make ideal case studies because of the way these works stimulated traffic between Broadway and Harlem and between white and Black America These investigations of O'Neill and Broadway productions are enriched by the vibrant transnational exchange found in early to mid 20th century artistic production Anchored in archival research Racing the Great White Way recovers not only vital lost performance histories but also the layered contexts for performing bodies across the Black Atlantic and the Circum Atlantic
