Sinister Forces: The Nine A Grimoire Of American Political Witchcraft:

The Nine Peter Levenda, 2004-09 The roots of coincidence and conspiracy in American politics crime and culture are examined in this book exposing new connections between religion political conspiracy and occultism Readers are taken from ancient American civilization and the mysterious mound builder culture to the Salem witch trials the birth of Mormonism during a ritual of ceremonial magic by Joseph Smith Jr and Operations Paperclip and Bluebird Not a work of speculative history this expos is founded on primary source material and historical documents Fascinating details are revealed including the bizarre world of wandering bishops who appear throughout the Kennedy assassinations a CIA mind control program run amok in the United States and Canada a famous American spiritual leader who had ties to Lee Harvey Oswald in the weeks and months leading up to the assassination of President Kennedy and the Manson secret **Sinister Forces--The Nine** Peter Levenda, 2011 The roots of coincidence and conspiracy in American politics crime and culture are examined in this first volume of a three part set exposing new connections between religion political conspiracy and occultism Based on the premise that there is a satanic undercurrent to American affairs this study examines the sinister forces at work throughout history from ancient American civilizations and the mysterious mound builder culture to the Salem witch trials the birth of Mormonism during a ritual of ceremonial magic by Joseph Smith Jr and Operations Paperclip and Bluebird Not a work of speculative history this expos is founded on primary source material and historical documents Fascinating details are revealed including the bizarre world of wandering bishops who appear throughout the Kennedy assassinations a CIA mind control program run amok in the United States and Canada a famous American spiritual leader who had ties to Lee Harvey Oswald in the weeks and months leading up to the assassination of President Kennedy and the Manson secret **Sinister Forces: A Grimoire of American Political Witchcraft** Peter Levenda, 2026-02-17 Discover the book that inspired Tom DeLonge s new sci fi epic Time Rider Peter Levenda s Sinister Forces returns in a special Twentieth Anniversary Deluxe Edition uniting all three chilling volumes in one collector s release exclusively from To The Stars In Sinister Forces Levenda uncovers hidden threads of American history from military experimentation to political assassination occult ideology to psychological manipulation and weaves them together to show how the United States has been shaped by dark irrational and often invisible forces His work the result of over twenty years of research across more than forty countries explores the relationship of intelligence agencies with mysticism and mind control e g the CIA s MK ULTRA program dives into the dark networks behind political violence from Nazi occultism to the ritualistic assassinations of transformational leaders JFK RFK MLK and Malcolm X and reveals how cultural chaos covert manipulation and symbolic ritualistic violence by the likes of the Manson family and the mysterious Nine are used to reshape public consciousness Levenda shows how themes of initiation sacrifice transformation and concealment recur like ritual throughout American history He goes beyond official narratives and common conspiracies to confront the possibility that beneath the surface of history there lies a kind of symbolic logic

where trauma is ritualized power is mythologized and repetition becomes a form of control Sinister Forces challenges readers to become more conscious to think critically investigate deeply and reclaim our understanding of history from the shadows Sinister Forces--A Warm Gun Peter Levenda,2011 The roots of coincidence and conspiracy in American politics crime and culture are investigated in this second volume of a three part set that exposes new connections between religion political conspiracy terrorism and occultism Not a work of speculative history this expos is founded on primary source material and historical documents and provides strange parallels between supernatural forces such as shaminism ritual magic and cult practices and contemporary interrogation techniques such as those used by the CIA under the general rubric of MK ULTRA Fascinating details on Nixon and the Dark Tower the Assassin cult and more recent Islamic terrorism and the bizarre themes that run through American history from its discovery by Columbus to the political assassinations of the 1960s are revealed **Sinister Forces** Peter Levenda,2011 Why Did Yahweh and His Son Yahshuah Say What They Said? Dr. Justin G. Prock,2020-05-07 YAHWEH The LORD God and His Son YAHSHUAH Jesus Christ made statements with regard to Eschatology that have been Spiritualized for over a Millennium which has led to the belief in Universalism the belief that YAHSHUAH died for EVERYONE Well after one studies the original languages of the Hebrew Aramaic and Greek the message of the Kingdom of God was preached to and accepted by a certain House in the Bible The other House rejected this message and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit There are only the House of Israel the House of Judah and the House of David mentioned in the Bible All three existed then as they do today However most of today s Babylonian Priesthood Churchianity refuses to accept the secular historical position with regard to the House of Israel and who they are today The people groups which YAHWEH and YAHSHUAH addressed still exist today However these people are all mixed up and known by different names but they DO exist This book goes back to the origin of these people groups in the Bible and brings them forward to the present using their old names in order to understand Eschatology This brings us to the major question of Is the Bible only about Israel And if so how does it affect our Eschatology today This book answers these hard questions Biblical Eschatology: Dr. Justin G. Prock,2021-06-20 In recent history men from a variety of backgrounds have come to the same conclusion that the Bible is about Israel only For example In 1861 John Mason Neale translated an ancient twelfth century Latin hymn and its title was O Come O Come Emmanuel Ever since 1861 Christians have sung that hymn at Christmas time especially at Advent Do you know what the words really mean that you are singing In 1878 Edward Hine wrote an article titled Seven Eighths of the Bible Misunderstood wherein he explains that seven eighths of the Bible is about national salvation i e the national salvation of True Israel whereas only one eighth of the Bible is about personal salvation Did you know that In the 1960 s Pastor Sheldon Emry wrote an article title An Open Letter to Any Minister Who Teaches the Jews Are Israel wherein he is of the opinion that the Israel that exists today since 1948 is not the True Israel of the Bible In 1998 Arnold E Kennedy wrote a book titled The

Exclusiveness of Israel wherein he legally proves using the King James Version of the Bible that the Bible in general is only about True Israel So here we are in the Twenty First Century and the Gospel that is preached today is totally convoluted from that which was preached in the First Century A D by Yahshuah and His disciples i e the Gospel of the Kingdom So where did the so called churches and pastors go wrong By the way is there really a hierarchy in the Bible In order to find out what the truth really is we have to look at the original languages in which the Bible was written and then translated For example the Old Testament was written in Hebrew and Aramaic then translated into Greek The New Testament was written in Hebrew and Greek Both Testaments were put together and translated into Latin then German and finally into English from which the entire world received their own translation of the Bible So what was the original meaning of the words used in the original languages i e the etymology of the words Once that is determined then we can go onto the next phase and discuss types in the Bible From there what is the Law of First Mention How should Bible prophecy be Interpreted Who are the keys to Bible prophecy Where are we in the Bible prophecy timeline During these discussions we will find out who Yahweh chose of all the families of the earth to make His own The churches teach universalism The question then becomes Who was Yahweh s Law given to What are the Laws of Yahweh And then the even bigger question becomes Who was Yahshuah sent to All of these questions and more will be answered as you read this book

My Cosmic Trigger Matt Vaughn,2024-07-11 High strangeness denotes happenings so uncanny they are deemed utterly absurd It involves the intersection of multiple paranormal phenomena revealing an eerie undergirding of reality MY COSMIC TRIGGER is a deep dive into the subject covering its history theories and notable researchers analyzing mechanisms behind this cosmic enigma The author s personal experiences provide a penetrating understanding of the phenomenon by demonstrating how and why extramundane weirdness manifests on a personal level helping people navigate their own synchromystic initiation with a sense of clarity fostering a constructive relationship with odd occurrences not a destabilizing one and enabling readers to successfully pull their own cosmic trigger

Transhumanism David Livingstone,2015-09-02 Transhumanism is a recent movement that extols man s right to shape his own evolution by maximizing the use of scientific technologies to enhance human physical and intellectual potential While the name is new the idea has long been a popular theme of science fiction featured in such films as 2001 A Space Odyssey Blade Runner the Terminator series and more recently The Matrix Limitless Her and Transcendence However as its adherents hint at in their own publications transhumanism is an occult project rooted in Rosicrucianism and Freemasonry and derived from the Kabbalah which asserts that humanity is evolving intellectually towards a point in time when man will become God Modeled on the medieval legend of the Golem and Frankenstein they believe man will be able to create life itself in the form of living machines or artificial intelligence Spearheaded by the Cybernetics Group the project resulted in both the development of the modern computer and MK Ultra the CIA s mind control program MK Ultra promoted the mind expanding potential of psychedelic drugs to shape the counterculture of the

1960s based on the notion that the shamans of ancient times used psychoactive substances equated with the apple of the Tree of Knowledge And as revealed in the movie Lucy through the use of smart drugs and what transhumanists call mind uploading man will be able to merge with the Internet which is envisioned as the end point of Kabbalistic evolution the formation of a collective consciousness or Global Brain That awaited moment is what Ray Kurzweil a director of engineering at Google refers to as The Singularity By accumulating the total of human knowledge and providing access to every aspect of human activity the Internet will supposedly achieve omniscience becoming the God of occultism or the Masonic All Seeing Eye of the reverse side of the American dollar bill **A Certain Arrogance** George Michael Evica, 2011-02-01 Providing the first global cultural context for the assassination of John F Kennedy this investigation into how United States intelligence agencies and other entities manipulated liberal religious groups and educational institutions for ideological political and economic gain during the Cold War exposes numerous previously misunderstood political operations Including assassinations these projects include those facilitated by Allen Dulles John Foster Dulles the U S State Department the Office of Strategic Services and its successor the CIA and other individuals and groups Focusing on the manipulations of key individuals in the American Unitarian Association the Unitarian Service Committee and the Unitarian supported Albert Schweitzer College by covert American interests during the Cold War this expos asserts that an unwitting Lee Harvey Oswald an asset and pawn of American intelligence was the ideal scapegoat in a tragically successful conspiracy to murder President Kennedy
