Sink The Belgrano

Steven Berkoff

Sink The Belgrano:

Sink the Belgrano Mike Rossiter, 1998-01 **Steven Berkoff and the Theatre of Self-Performance** Robert Cross, 2004-04-17 Steven Berkoff is a playwright director and actor largely disregarded by theater scholars Since the 1960s however this notorious Cockney enfant terrible and scourge of the Shakespeare industry has left an imprint on modern British theatre that has been as impossible to ignore as his in your face stage presence Steven Berkoff and the Theatre of Self Performance the first thorough and in depth study of this contentious artist examines the wide ranging strategies adopted by Berkoff in the construction and projection of his larger than life public persona **Sink the Belgrano!** Steven Berkoff, Inspired by the events and personalities of the Falklands War Steven Berkoff's verse satire Sink the Belgrano is primarily concerned with the underlying values and attitudes revealed during the war at all levels of society It premiered at London's Half Moon Theatre in September 1986 **Abandon Ship** Paul Brown, 2021-04-01 AWARDED THE ANDERSON MEDAL 2021 This fascinating title offers a new study of the loss of six British ships and an Argentinian cruiser during the Falklands War of 1982 When Argentinian forces invaded the Falklands in April 1982 the British government responded by despatching a task force to the Atlantic to wrest back control of the islands The resulting war saw modern weapon systems tested in combat for the first time to tragic effect In the aftermath official documents were released but many were heavily censored and others withheld altogether so that a full understanding of those events could not be gained Drawing from recently declassified and previously unpublished reports from the official inquiry Dr Paul Brown details the true story behind the dramatic events that led to the loss of six British ships HMS Antelope Ardent Coventry and Sheffield RFA Sir Galahad and SS Atlantic Conveyor as well as the controversial sinking of the Argentinian cruiser ARA General Belgrano by HMS Conqueror

The Falklands War D. Monaghan, 1998-09-14 This book examines the debate which has long raged in Britain about the meaning of the Falklands War Using literary critical methods Monaghan examines how the Thatcherite reading of the war as a myth of British greatness reborn was developed through political speeches and journalistic writing He then goes on to discuss a number of films plays cartoon strips and travel books which have subverted the dominant myth by finding national metaphors of a very different kind in the Falklands War *(Re)Writing War in Contemporary Literature and Culture* Cristina Pividori, David Owen, 2024-07-09 Re Writing War in Contemporary Literature and Culture Beyond Post Memory is an exploration of war narratives through the lens of postmemory offering a critical re evaluation of how contemporary literature and cultural products reshape our understanding of past conflicts This volume presents a rich tapestry of perspectives drawing from an array of conflicts and incorporating insights from international experts across various disciplines including contemporary literature film studies visual arts and cultural studies It critically builds upon and extends Marianne Hirsch's concept of postmemory engaging with complex themes like the ethical dimensions of war writing the authenticity of representations and the creative power of art in reimagining traumatic events This study not only challenges traditional

boundaries in war literature and memory studies but also resonates with contemporary concerns about societal engagement with violent pasts making it a significant addition to scholarly discourse and essential reading for those interested in the intersection of history memory and literature **Anglo-American Stage and Screen Drama** Mike Ingham,2023-11-27

Anglo American Stage and Screen Drama analyses and discusses the contemporary role of stage and screen drama as a critical forum for progressive thinking in an increasingly polarised geopolitical world The book addresses the cultural politics of socially engaged 21st century stage plays and films and makes the case for drama as a sociopolitical forum in which the complex and contentious issues that confront society can be explored and debated It conceives of Anglophone political drama as a significant intervention in today s culture wars representing the latter as a convenient distraction from the ongoing depredations of neoliberalism In the main part of the book selected case study plays and films from each of the first two decades illustrate drama s capacity to influence critical debate on social justice issues All of the case study texts under discussion express a powerful aesthetics of resistance to right wing ideology and promote inclusive and enlightened values This broader orientation underlines drama s role as a channel for critical agency in today s putative post socialist post democratic climate **Sub Culture** John Medhurst,2022-08-29 A deep dive into the significance of submarines across everything from warfare and politics to literature and film Sub Culture explores the crucial role of the submarine in modern history its contribution to scientific progress and maritime exploration and how it has been portrayed in art literature fantasy and film Ranging from the American Civil War to the destruction of the Russian submarine Kursk in 2000 the book examines the submarine s activities in the First and Second World Wars the Cold War and in covert operations and marine exploration to the present day Citing the submarine particularly the nuclear submarine as both ultimate deterrent and doomsday weapon Sub Culture examines how its portrayal in popular culture has reinforced and occasionally undermined the military and political agendas of the nation states that deploy it **Bomber Flight Berlin** Mike Rossiter,2010-06-16 We believed in ourselves so much no one ever panicked even when the situation looked so desperate We all believed that our best chance of staying alive was to stick together Flying Lancaster bombers was one of the most dangerous missions of the war Yet night after night Flight Lieutenant Geoffrey King and the crew of C Charlie risked their lives in the skies over Germany Together they faced incredible dangers flak damage close encounters with the fighter planes of the Luftwaffe and crash landings Against this background a friendship was formed that bound the crew of C Charlie together against all odds Geoffrey King and the crew of C Charlie are unique in having flown together for fifty missions and living to tell the tale Bomber Flight Berlin is the story of a group of ordinary men from different walks of life thrown together by the forces of war It is the story of those missions above Berlin as they flew into what seemed certain death and aircraft all around them were blasted out of the sky It is also a testament to a remarkable friendship **Sink the Belgrano ; With, Massage** Steven Berkoff,1987
