Family Ties and Family Lies Julie Lynn Hayes,2016-11-23 Rose and Thorne Book Three Secrets is a dirty word when it comes to relationships What you don t say can not only hurt you it can bite you in the butt After almost five years together Vinnie and Ethan have a policy of don t ask don t tell But unspoken questions between them are a ticking time bomb waiting to explode An innocent remark by a friend starts an insecure Vinnie wondering about things he never considered before such as why he hasn t met Ethan s family Is he the love of Ethan s life or just his dirty little secret And what hasn t he told Ethan about his own past An emergency phone call from Ethan s twin sister sends them rushing to Georgia In order to be with Ethan Vinnie conforms to what Ethan s family expects by being something he is not Not everything is what it seems as Vinnie and Ethan work to redefine what family means to each of them Sometimes the ties that bind are the ones that might just break you The author is donating 10% of the royalties from this book to No Kid Hungry Visit nokidhungry.org for more information about this organization Faulkner's Reception of Apuleius' The Golden Ass in The Reivers Vernon L.

Provencal,2020-07-09 Faulkner s final novel The Reivers has been gently dismissed by scholars and critics as no more than its subtitle claims A Reminiscence Although the new millennium has seen a new appreciation for Faulkner s later novels The Reivers is still perceived as a slightly fictionalized comic memoir romanticizing the early life of the author in the pre civil rights American South This volume takes this dismissal of The Reivers to task for failing to appreciate its employment of the Apuleian narrative of life altering metamorphosis to offer as his literary farewell hope for humanity s self redemption Vernon L Provencal studies the reception of The Golden Ass in The Reivers as comic novels of moral katabasis wilful descent into the lawless underworld and providential anabasis societal and spiritual redemption As the independent basis of the reception study The Reivers receives its first ever detailed reading while The Golden Ass is read anew from the teleological perspective offered by the undervalued prophecy that in the end the comic hero would become the book itself *Sisters and Brothers for Life* Suzanne Degges-White,2017-06-21 Sibling relationships are special in many ways not least because often siblings are the family members who go through their whole lives together But those relationships can be fraught with strife or tension

bouts of happiness or strain and stress They can predict and affect other relationships in our lives and they can offer solace or sadness over the years Here Suzanne Degges White looks at the variety of sibling relationships with an eye to improving both the good and the bad Using real stories throughout the author illustrates the broad spectrum of problems and rewards that can come from having a sibling Examining such factors as the early family constellation birth order cultural diversity and family communication patterns Degges White illustrates how these relationships can affect so many other areas of our lives and considers how adult sibling conflict rivalry abuse and loss influence our lives She offers suggestions for effective responses to adult sibling conflict as well as enhancing family communication and deepening the sibling connection in adulthood No matter what the sibling relationship is or has become this work will help readers consider how situations might be improved or addressed even if it means letting go of unhealthy sibling relationships **Family Ties** Danielle
