Sittin On Top Of The World:

African American Folksong and American Cultural Politics Bruce M. Conforth, 2013-05-16 In African American Folksong and American Cultural Politics The Lawrence Gellert Story scholar and musician Bruce Conforth tells the story of one of the most unusual collections of African American folk music ever amassed and the remarkable story of the man who produced it Lawrence Gellert Compiled between the World Wars Gellert's recordings were immediately adopted by the American Left as the voice of the true American proletariat with the songs largely variants of traditional work songs or blues dubbed by the Left as songs of protest As both the songs and Gellert's standing itself turned into propaganda weapons of left wing agitators Gellert experienced a meteoric rise within the circles of left wing organizations and the American Communist party But such success proved ephemeral with Gellert contributing to his own neglect by steadfastly refusing to release information about where and from whom he had collected his recordings Later scholars as a result would skip over his closely held largely inaccessible research with some asserting Gellert's work had been doctored for political purposes And to a certain extent they were correct Conforth reveals how Gellert at least assisted in the creation of some of his more political material But hidden behind the few protest songs that Gellert allowed to become public was a vast body of legitimate African America folksongs enough to rival the work of any of his contemporary collectors Had Gellert granted access to all his material scholars would have quickly seen that it comprised an incredibly complete and diverse collection of all African American song genres work songs blues chants spirituals as well as the largest body of African American folktales about Irish Americans what were referred to as One Time Irishman tales It also included vast swaths of African American oral literature collected by Gellert as part of the Federal Writers Project In African American Folksong and American Cultural Politics Conforth brings to light for the first time the entire body of work collected by Lawrence Gellert establishing his place and the place for the material he collected within the pages of American folk song scholarship In addition to shedding new light on the concept of protest music within African American folk music Conforth discusses the unique relationship of the American Left to this music and how personal psychology and the demands of the American Communist party would come to ruin Gellert's life African American Folksong and American Cultural Politics will appeal to students and scholars in the fields of American social and political history African American studies the history of American folk music and ethnomusicology

Understanding Rock John Covach, Graeme M. Boone, 1997-11-20 Amid the recent increase in scholarly attention to rock music Understanding Rock stands out as one of the first books that subjects diverse aspects of the music itself to close and sophisticated analytical scrutiny Written by some of the best young scholars in musicology and music theory the essays in this volume use harmonic melodic rhythmic formal and textual approaches in order to show how and why rock music works as music Topics of discussion include the adaptation of blues and other styles to rock the craft of songwriting techniques and strategies of improvisation the reinterpretation of older songs and the use of the recording studio as a compositional tool A

broad range of styles and groups is covered including Yes the Beach Boys Cream k d lang Paul Simon Jimi Hendrix and the Grateful Dead

Bluegrass Picker's Tune Book Richard Matteson Jr.,2010-10-07 The Bluegrass Picker s Tune Book is a must for all bluegrass pickers Included are the melody line and chords to over two hundred favorite gospel and bluegrass songs Detailed information about the origin and performers is given for each song as well as the history and development of the bluegrass genre the lyrics are large and easy to read during a performance

Catalog of Copyright Entries Library of Congress. Copyright Office,1972

The Music of Bill Monroe Neil V. Rosenberg,Charles K. Wolfe,2024-04-22 Spanning over 1 000 separate performances The Music of Bill Monroe presents a complete chronological list of all of Bill Monroe s commercially released sound and visual recordings Each chapter begins with a narrative describing Monroe s life and career at that point bringing in producers sidemen and others as they become part of the story The narratives read like a who s who of bluegrass connecting Monroe to the music s larger history and containing many fascinating stories The second part of each chapter presents the discography Information here includes the session s place date time and producer master matrix numbers song tune titles composer credits personnel instruments and vocals and catalog release numbers and reissue data The only complete bio discography of this American musical icon The Music of Bill Monroe is the starting point for any study of Monroe s contributions as a composer interpreter and performer
