Technical Resources for Community College Libraries Mary Ann Laun, 1995 **Visual Arts as a Way of Knowing** Karolynne Gee, 2000 If you ask a child to draw you a picture you ll get an instant response for the visual arts are natural means of expression that students of all ages use confidently and often with stunning directness and depth And for a teacher incorporating visual arts throughout the curriculum builds in a level of energy enthusiasm and insight that can only enhance children s learning experiences Visual Arts as a Way of Knowing is a serious yet fun resource for teachers who are curious about art and know that it can be an important part of their teaching The book is meant to tease out the artist in you to encourage you to take risks and delve into painting or drawing or just making things For like writing art is a matter of taking risks that can lead to wonderful rewards Karolynne Gee draws on the stories of teachers and the reflections of children who have discovered they can create and for whom that discovery is the great Aha From that point on you know how to make creative and aesthetic choices based on the principles of art and art becomes a powerful tool in thinking learning and problem solving Visual Arts as a Way of Knowing features discussion of visual arts content principles techniques and applications guidance in planning and facilitating projects and assessing them with students practical classroom management strategies to support learning in arts and across the curriculum ideas for art specialists and teaching colleagues strong support for teachers as risk takers and learners alongside their students a wealth of illustrations from fine arts computer art and student work that includes a range of work to show there is no right way charts and field notes that can help you get started on a project or gives you a new way of looking at a topic Visual Arts as a Way of Knowing blurs the lines between formal and informal art as well as between teacher and learner It will provide many interdisciplinary connections and ways for you to think about integrating visual art in a thoughtful way and discovering new problems that will stimulate your own and your students thinking *Preschool Art* MaryAnn F. Kohl, 1994 Preschool Art offers over 200 process oriented art experiences for children ages 3 6 P 4 of cover **More Children's Art & Crafts** Maryanne Blacker, 1990 More Children s Arts and Crafts gathers together the most educational effective and supremely important the most enjoyable activities all designed to exercise busy fingers and stretch fertile minds There s hours and hours of fun with ideas for printing painting dyeing construction and collage weaving and stitching and none of it will cost a fortune Indeed just a little time spent looking

around the home will reveal almost all the essential ingredients to entertain children in creative play Presented with clear concise and colourful instructions More Children s Arts and Crafts will be an invaluable resource book for parents and grandparents as well as all teachers of pre schoolers and infants in classes Forthcoming Books Rose Arny,2002-02
