Teaching Christian Values In The Family A Guide For Parents:

Teaching Christian Values in the Family James R. Larson, 1982 *The Christian Educator's Handbook on Family Life Education* Kenneth O. Gangel, James C. Wilhoit, 2001-02-01 As a start or an addition to your library few books would make a better choice than The Christian Educator's Handbook series offered by Baker Books. Noted Christian education authorities such as Kenneth Gangel, James Wilhoit, Howard Hendricks and Robert Choun have edited or written these books. Their scope ranges from adult to children's education and covers spiritual formation, teaching and family life ministries. Christian Education Counselor *Parent/Teacher Handbook* Edward Buchanan, 2006-04 Growing out of a conviction that we need to provide older children with a greater understanding of their Christian heritage and the Bible, Dr. Edward Buchanan has authored two resources that are both educational and biblically sound. *Parent Teacher Handbook Teaching Older Children Everything They Need to Know About the Bible* volume 3 uses a chronological Bible story approach, giving leaders and teachers the core content and information needed to teach children about the Bible. *Parent Teacher Handbook Teaching Older Children Everything They Need to Know About Their Christian Heritage* volume 4 covers the basics of our Christian heritage and faith, including Jewish traditions, missions, hymnody, art, science, and ethics. *Family Ministry* Diana R. Garland, 2012-08-02 Now revised and updated throughout, Diana Garland's core text for ministers and others in the helping professions provides a comprehensive look at the Christian purpose of family and the complex world our families inhabit.

Teaching Moral Sex Kristy L. Slominski, 2021 *Teaching Moral Sex* is the first comprehensive study of the role of religion in the history of public sex education in the United States from the late nineteenth century to the early twenty-first. Far from being a barrier to sex education, Kristy Slominski demonstrates religion has been deeply embedded in the history of sex education and its legacy has shaped the terms of current debates. **The Christian Homemaker's Handbook** Pat Ennis, Dorothy Kelley Patterson, 2013-03-31 This one-stop reference tool gives you tips and training on everything from meal planning to interior decorating, biblical womanhood to budgeting so that you can become a holistic homemaker. It features practical teaching from Scripture, instructions for do-it-yourself projects, application questions, helpful resources, a comprehensive index, and more. With nearly 50 years of marriage experience, 30 years of college-level home economics instruction, and a commitment to biblical womanhood, the editors of *The Christian Homemaker's Handbook* have compiled the comprehensive manual for today's woman and her home. *Encyclopedia of Christian Education* George Thomas Kurian, Mark A. Lamport, 2015-05-07 Christianity regards teaching as one of the most foundational and critically sustaining ministries of the Church. As a result, Christian education remains one of the largest and oldest continuously functioning educational systems in the world, comprising both formal day schools and higher education institutions as well as informal church study groups and parachurch ministries in more than 140 countries. In *The Encyclopedia of Christian Education*, contributors explore the many facets of Christian education in terms of its impact on curriculum, literacy, teacher training,

outcomes and professional standards This encyclopedia is the first reference work devoted exclusively to chronicling the unique history of Christian education across the globe illustrating how Christian educators pioneered such educational institutions and reforms as universal literacy home schooling Sunday schools women s education graded schools compulsory education of the deaf and blind and kindergarten With an editorial advisory board of more than 30 distinguished scholars and five consulting editors The Encyclopedia of Christian Education contains more than 1 200 entries by 400 contributors from 75 countries These volumes covers a vast range of topics from Christian education History spanning from the church s founding through the Middle Ages to the modern day Denominational and institutional profiles Intellectual traditions in Christian education Biblical and theological frameworks curricula missions adolescent and higher education theological training and Christian pedagogy Biographies of distinguished Christian educators This work is ideal for scholars of both the history of Christianity and education as well as researchers and students of contemporary Christianity and modern religious education
