Wesley W. Ellis

Teaching Ministry Of Congregations:

The Teaching Ministry of Congregations Richard Robert Osmer, 2005-01-01 In this important and groundbreaking book Osmer develops a practical theology of the teaching ministry He begins with the Apostle Paul identifying in Paul's letters to his congregations the core tasks of the teaching ministry *Charting Our Course* Linda R. Isham, 1997 Isham provides a combination of theory and practice as she suggests strategies for preparing for a new century of Christian education *Reshaping the Teaching Ministry* Paul M. Lederach, 1968

The Teaching Ministry of the Church William Yount, 2008-08-15 Updated and expanded the second edition of *The Teaching Ministry of the Church* offers churches a step by step plan for establishing and maintaining effective teaching methods for every age [44 Ways to Expand the Teaching Ministry of Your Church](#) Lyle E. Schaller, 1992 As he shows how to identify the priorities for the Christian education program in any church Schaller takes an approach often considered contrary to what is offered by educators Helpful tips explain how teaching is the best way after preaching to attract new members teaching reinforces preaching and liturgy teaching activates a passive congregation and more *Congregations* Carl Ellis Nelson, 1988-01-01 C Ellis Nelson has collaborated with and collected the works of ten leaders experienced in congregational affairs to design and produce a resource that helps ministers and lay leaders understand the dynamics of congregations The result is an engaging collection that will help pastors and church leaders invigorate their congregations [Jesus Christ](#) Mike Abendroth, 2008 Since preaching is God's ordained means of disseminating truth it is essential for Bible teachers to preach well and congregations to listen well This study of Jesus Christ's preaching will assist both the preacher and the congregation in their quests to honor the Lord with their respective responsibilities in worship

Consensus and Conflict Kenda Creasy Dean, Blair D. Bertrand, Amanda Hontz Drury, Andrew Root, 2019-01-01 Most students of practical theology recognize Richard R Osmer as the originator of the consensus model of practical theology one of the most accessible and widely used models of practical theological reflection in the world Yet Osmer's influence extends beyond practical theological method Over his long career his writing and teaching spanned Christian education youth ministry spirituality and evangelism as well giving each of these congregational practices new theological substance A pastor as well as a scholar at heart Osmer writes with the American congregation in mind insisting on making theology central to every Christian practice *Consensus and Conflict* traces Osmer's multi faceted intellectual career from his days as seminarian through his professoriate at Princeton Theological Seminary and his role in the founding of the International Academy of Practical Theology These themes unfold against the backdrop of ecclesial change that Osmer barely anticipated as a young pastor in New England and western North Carolina The contributors to this volume bear witness to Osmer's indebtedness to social sciences theologians like Moltmann and Barth his wide range of interests ranging from confirmation to redemptive agriculture to church planting and his deep hope that the theological disciplines will play a more vital role in practical theology's future Contributors Bo Karen Lee Richard R Osmer Shin Guen

Jang Kyoo Min Lee Thomas Hastings Angela Reed Jessicah Duckworth Theresa Latini Nathan Stuckynathan Drew Dyson Gordon Mikosk Darrell Guder **Youth Beyond the Developmental Lens** Wesley W. Ellis, 2024-01-23 What happens when we stop thinking of young people as projects and recognize them for who they are here and now Wesley Ellis exposes the insidious impact of developmental psychology upon youth ministry and practice arguing instead for a theological anthropology of youth that can help us see all people including adolescents as uniquely created in the image of God Propelled by the conviction that ministry requires us to see youth as beings rather than becomings Ellis demonstrates how we can reorient our vision toward ministry that prioritizes relationship and inclusion over rigid developmental frameworks A veteran youth minister across multiple denominations Ellis knows his subject deeply as both practitioner and theologian Youth beyond the Developmental Lens mines personal accounts the biblical narrative and a vast array of theological expertise to release readers from restrictive assumptions that have long bound youth ministry Ellis s finely tuned pastoral sensibilities bring all these elements into focus helping us understand ministry as relational and all humans as part of God s story Rostered ministers lay leaders and others engaged with youth will find an antidote to anxiety about the future of the church Ellis reminds us that God is here already Our call is simply to be *Wisdom from Lyle E. Schaller* Warren Bird, 2012 One poll declared him the most influential American church leader of the last 100 years Lyle E Schaller has written literally millions of words of insight and advice for church leaders His books alone number nearly 60 titles and span 40 years of publication beginning in 1964 Now this single volume makes available his best insights organized by topic and framed with fascinating background perspective of Schaller himself This volume both introduces Schaller to a new generation of church leaders and is a handy resource for those who grew up on Schaller s writing and count him as a major ministry influence
