Reimagining Shakespeare for Children and Young Adults Naomi Miller, 2013-10-15 First published in 2003 Routledge is an imprint of Taylor Francis an informa company *Shakespeare and Youth Culture* J. Hulbert, K. Wetmore Jr., R. York, Kevin J. Wetmore Jr., 2009-12-14 This book explores the appropriation of Shakespeare by youth culture and the expropriation of youth culture in the manufacture and marketing of Shakespeare Considering the reduction translation and referencing of the plays and the man the volume examines the confluence between Shakeup and rock rap graphic novels teen films and pop psychology **Performance Approaches to Teaching Shakespeare** Edward L. Rocklin, 2005 Describes a performance approach to teaching Shakespeare s plays in high school and college using performance activities that include analyzing

casting rehearsing and performing parts of plays *Making Sense of Shakespeare* Charles H. Frey, 1999 He argues that Lear's howl for example targets and rewards physical hearing physical speaking and their accompanying emotions as somatically connected to current or remembered sensations in mouth throat and lungs BOOK JACKET *Critical Practice in P-12 Education: Transformative Teaching and Learning* Lawrence, Salika A., 2014-01-31 This book presents a framework for teaching that empowers students fosters literacy development and explains the underlying factors that influence pedagogy highlighting practices from around the globe *Shakespeare on screen : The Henriad* Nathalie Vienne-Guerrin (éd.), Sarah Hatchuel (éd.), Filming plays from a tetralogy of history plays implies specific problems and strategies The papers in this volume show that the plays are parts of a series and can hardly be staged or filmed without referring to one another What does the big screen bring to the representation of history battles and national issues When do ideological interpretations stop being triggered by the text itself By deciphering the different ways in which meaning is created and ideology is conveyed whether it be through specific aesthetics performances intertextuality or cultural codes the papers in this volume all take part in the on going exploration of what Shakespeare's contrasting afterlives keep saying not only about the dramatic texts but also about ourselves **Teaching Shakespeare Into the Twenty-first Century** Ronald E. Salomone, James E. Davis, 1997 A collection of success stories thirty two essays written by middle school high school and college teachers In these essays teacher authors record their best attempts at bringing Shakespeare and the student together in the classroom of today and tomorrow p xii *Building Bridges* Clare Kosnik, Simone White, Bethan Marshall, A. Lin Goodwin, Jean Murray, 2016-07-15 Literacy learning continues to be central to schooling and is currently of major concern to educators policy developers and members of the public alike However the proliferation of communication channels in this digital era requires a fundamental re thinking of the nature of literacy and the pedagogy of literacy teaching and teacher education This text brings together papers by experts in teacher education literacy and information technology to help chart a way forward in this complex area Because of their background in teacher education the authors are realistic about what is appropriate and feasible they do not just jump on a technology bandwagon but they are also able to provide extended examples of how to embed technology in the practice of teacher education Taking a multi disciplinary perspective literacy teacher education and digital technology and informed by a range of empirical studies policy analyses and scholarly reflection this book makes a unique contribution to the literature on one of education's most pressing challenges how we prepare teachers of literacy at a time when understandings of literacy are expanding Chapters by leading researchers are complemented by those offering illuminating vignettes of practice that in turn provide opportunities for interrogation by the rich theoretical toolkit that characterizes the field The book is thoughtfully structured and manages a coherence that is rare in edited collections An impressive and heartening read Viv Ellis Professor of Education at Brunel University England and Bergen University College in Norway **Constructing a World** Martha Tuck Rozett, 2012-02-01 Taking its title from Umberto Eco's postscript to *The*

Name of the Rose the novel that inaugurated the New Historical Fiction in the early 1980s Constructing the World provides a guide to the genre s defining characteristics It also serves as a lively account of the way Shakespeare Marlowe Raleigh Queen Elizabeth I and their contemporaries have been depicted by such writers as Anthony Burgess George Garrett Patricia Finney Barry Unsworth and Rosalind Miles Innovative historical novels written during the past two or three decades have transformed the genre producing some extraordinary bestsellers as well as less widely read serious fiction Shakespearean scholar Martha Tuck Rozett engages in an ongoing conversation about the genre of historical fiction drawing attention to the metacommentary contained in Afterwords or Historical Notes the imaginative reconstruction of the diction and mentality of the past the way Shakespearean phrases names and themes are appropriated and the counterfactual scenarios writers invent as they reinvent the past
