Constructivist

Teaching by Heart Krista Calvert,Dana McMillan,2024-06-03 This insightful book offers a modern take on the time honored tradition of developmentally appropriate child centered constructivist philosophy of instruction Teaching children one at a time yet all at once The book provides a comprehensive road map to teaching that supports student engagement child development classroom environment grouping and organization authentic literacy instruction and culturally informed practices Through a series of practical chapter essays and examples the authors push back against scripted curricula and one size fits all school initiatives offering instead rich examples and guiding questions to bring you closer to an authentic teaching approach that honors students and their learning Designed for early childhood through third grade teachers principals administrators and pre service students Constructivist Teaching by Heart is essential reading for professional development peer discussions university coursework individual study and everyone on the journey to making children the heart of their classrooms

The Vulnerable Heart of Literacy Elizabeth Dutro,2019 What is trauma and what does it mean for the literacy curriculum In this book elementary teachers will learn how to approach difficult experiences through

the everyday instruction and interactions in their classrooms Readers will look inside classrooms and literacies across genres to see what can unfold when teachers are committed to compassionate critical and relational practice Weaving her own challenging experiences into chapters brimming with children s writing and voices Dutro emphasizes that issues of power and privilege matter centrally to how attention to trauma positions children The book includes questions and prompts for discussion reflection and practice and describes pedagogies and strategies designed to provide opportunities for children to bring the varied experiences of life including trauma to their school literacies in positive meaningful and supported ways This stunning book about trauma interrogates the very notion Dutro excels at interweaving her stories with those of teachers and students and at challenging readers to find their way into the fabric I recommend this book to teachers so that they might accept her challenge to explore and understand the importance of both witnessing and testimony in relation to trauma in literacy curriculum and pedagogy Mollie Blackburn The Ohio State University

Unraveling Dyslexia Kristin L. Sayeski, 2023-12-06 Despite being the most common learning disability dyslexia is widely misunderstood Shrouded by myths and misperceptions a lack of direct practical information on dyslexia leaves many teachers and families frustrated Well intentioned teachers tell parents that all kids learn differently and at a different pace but as the months turn into years the gap between skilled readers and those who struggle widens The antidote to wait and see and more of the same is information In this book Sayeski translates research from neuroscience cognitive psychology linguistics and education into accessible information to help teachers and parents unravel the complexities of skilled reading Unraveling dyslexia requires an understanding of what it means to read both the accurate recognition of words and the capacity to bring meaning to those words and identifying where and how difficulty can occur with these processes To do this Sayeski situates the challenges some students experience in learning to read within the context of the development of English orthography i e written language and the history of reading instruction in the schools Sayeski then presents what reading science has revealed about individual differences in reading Within the book s final chapters readers will find practical information on how to provide the type of structured literacy instruction required to put students with dyslexia on the path to reading This book is designed for teachers administrators and parents seeking information that can be immediately applied to improve the outcomes of students with dyslexia or who struggle learning to read It is never too soon to address signs of difficulty with reading The aim of this book is to provide readers with the knowledge they need to act now to provide students with the gift of literacy

Putting Social Justice and Equity at the Heart of Reading for Pleasure Jane Carter, 2025-03-31 This essential book discusses what reading for pleasure is and what it is not introducing some fundamental ideas about how we learn to read and how this process can impact a child s identity as a reader in classrooms that promote equality inclusion and diversity The profile and importance of Reading for Pleasure has grown significantly over the last few years and is now firmly embedded in both government policy and the Ofsted framework Developing a Reading for Pleasure school that is truly inclusive of the

whole school community however can require a culture shift in relation to the teaching of reading representation in the reading environment and the knowledge and attitudes of the school community This book seeks to use the current research teacher case studies and the voices of children to address some of the issues that teachers and pre service teachers encounter when trying to develop an inclusive Reading for Pleasure culture within their schools Each chapter is co authored by teachers and researchers and includes case studies and children s perspectives It provides practical and evidence based advice lesson ideas and creative ideas to both support and challenge all school leaders staff and student teachers in their journey to create readers rather than children that can just read Yes Yes Good: The Heart of Teaching Cheryl Hulteen,2013-08 Teaching at Public School 1430 in New York City is where Cheryl Hulteen discovered and refined the heart of her teaching Prior to PS 1430 I taught the same way I had been taught The teacher speaks to the students and they listen somewhat attentively The teacher tells students to do something and for the most part they do it In many classrooms I worked in before PS 1430 the teachers led the class in a Good morning Ms H sing song chant as greeting to me the new teacher the Resident Artist None of those things happened at PS 1430 I had to improvise Hulteen shares how she improvised new humorous and powerful ways of understanding what it meant to learn teach and embrace change in an educational culture that often settled for much less YES YES GOOD explores the poignantly compelling and emotional portraits of students and teachers who learn to Say YES to their creativity and ideas Say YES to the creativity and ideas of the people they work with **Reading Instruction That Works, Fourth Edition** Michael Pressley,Richard L. Allington,2014-10-02 This widely adopted text and K 8 practitioner resource demonstrates how successful literacy teachers combine explicit skills instruction with an emphasis on reading for meaning Distinguished researcher Richard L Allington builds on the late Michael Pressley s work to explain the theories and findings that guide balanced teaching and illustrate what exemplary lessons look like in action Detailed examples offer a window into highly motivating classrooms around the country Comprehensive in scope the book discusses specific ways to build word recognition fluency vocabulary and comprehension especially for readers who are struggling New to This Edition Updated throughout to reflect important recent research advances Chapter summing up the past century s reading debates and the growing acceptance of balanced teaching New and revised vignettes of exemplary teachers **Resources in Education** ,1998
