Y. Evans-Wentz, 2000-09-28 Books audiotapes and classes about yoga are today as familiar as they are widespread but we in the West have only recently become engaged in the meditative doctrines of the East only in the last 70 or 80 years in fact In the early part of the 20th century it was the pioneering efforts of keen scholars like W Y Evans Wentz the late editor of this volume that triggered our ongoing occidental fascination with such phenomena as yoga Zen and meditation Tibetan Yoga and Secret Doctrines a companion to the popular Tibetan Book of the Dead which is also published by Oxford in an authoritative Evans Wentz edition is a collection of seven authentic Tibetan yoga texts that first appeared in

English in 1935 In these pages amid useful photographs and reproductions of yoga paintings and manuscripts readers will encounter some of the principal meditations used by Hindu and Tibetan gurus and philosophers throughout the ages in the attainment of Right Knowledge and Enlightenment Special commentaries precede each translated text and a comprehensive introduction contrasts the tenets of Buddhism with European notions of religion philosophy and science Evans Wentz has also included a body of orally transmitted traditions and teachings that he received firsthand during his fifteen plus years of study in the Orient findings that will interest any student of anthropology psychology comparative religion or applied Mah ay ana Yoga These seven distinct but intimately related texts will grant any reader a full and complete view of the spiritual teachings that still inform the life and culture of the East As with Evans Wentz s other three Oxford titles on Tibetan religion which are also appearing in new editions this third edition of Tibetan Yoga and Secret Doctrines features a new foreword by Donald S Lopez author of the recent Prisoners of Shangri La Tibetan Buddhism and the West **Seer of Sevenwaters** Juliet Marillier,2010-12-01 Sibeal has always known that she is destined for a spiritual life and is committed to it with all her heart The only thing left for her to do before she enters the nemetons is to spend the summer visiting her sisters Muirrin and Clodagh on the northern island of Inis Eala But Sibeal has barely set foot on the island before a freak storm out at sea sinks a ship before her eyes In spite of frantic efforts only three survivors are fished alive from the water and one of them a man Sibeal names Ardal clings to life by the merest thread Life continues on the island as it must and Sibeal befriends Ardal as he begins to regain his health But it becomes clear there is something unusual about the three shipwrecked strangers
