Team Patterns In Girls And Womens Basketball:

Team Patterns in Girls' and Women's Basketball William E. Warren, 1976-01-01 Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office, 1978 Women's Sports Allen Guttmann, 1991 The subject is rife with social and cultural implications which Guttmann explores as he traces the development of women's sports from antiquity to the present including the evolution and the revolution in the 20th century and contemporary controversies **Title IX** Susan Ware, 2014-05-05 Many know Title IX as groundbreaking legislation that protects people from sex based discrimination in education programs and activities that receive federal financial assistance Yet many do not know the history of women's sports before Title IX the history of the amendment and the struggle for its implementation These topics and more are discussed in Ware's well researched and reader friendly Introduction followed by 26 provocative pertinent documents The carefully selected writings organized in chronological order balance the views of policymakers legislators and commentators with the voices of individuals whose lives were shaped by the law Ware purposely presents conflicting points of view to encourage analytical thinking and lively classroom discussion about gender equity both in sports and in American society as a whole **Sports Ethics for Sports Management Professionals** Walter T. Champion Jr., Richard T. Karcher, Lawrence S. Ruddell, 2019-02-20 Sports Ethics for Sports Management Professionals provides students with the necessary tools to make ethical decisions in the sports management field It presents several ethical models that the sports management professional can use as a guide to making ethical decisions The text contains numerous case studies which allow students to apply the ethical decision making process to a sports related ethical dispute **Sociology of Sport** George H. Sage, D. Stanley Eitzen, Becky Beal, Matthew Atencio, 2023 Now in its twelfth edition Sociology of Sport offers a compact yet comprehensive and integrated perspective on sport in North American society Bringing a unique viewpoint to the subject George H Sage D Stanley Eitzen Becky Beal and Matthew Atencio analyze and in turn demythologize sport This method promotes an understanding of how a sociological perspective differs from commonsense perceptions about sport and society helping students to understand sport in a new way Diversity, Equity, and Inclusion in Sport Ellen J. Staurowsky, Algerian Hart, 2023 Diversity Equity and Inclusion in Sport delivers a comprehensive view of DEI issues in sport organizations Readers will understand key areas that affect sport administration and will develop the skills to implement best practices and lead an equitable and diverse sport environment **Stadium Worlds** Sybille Frank, Silke Steets, 2010-07-02 Analyzing football as a cultural practice this book investigates the connection between the sport and its built environment An international multi disciplinary range of perspectives are set in four thematic sections bring together with particular focus on the stadium Texts and case studies make this a useful book for lecturers and researchers in sociology cultural studies geography architecture sport and environment **Sexploitation** Michèle Alexandre, 2014-12-17 Michèle Alexandre's innovative study examines how sexual profiling represses oppresses and hinders various aspects of life for both genders and explores the ways in which the

law and the community can help eradicate the practice of sexual profiling Alexandre defines sexploitation as the perpetuation of myths and stereotypical notions regarding men and women in order to further an agenda of oppression and subordination in certain spheres of society The most popular means through which this sexploitation is achieved is through a method Alexandre coins as sexual profiling She argues that sexual profiling ultimately stifles the growth of our society by creating inefficient as well as oppressive systems and that its eradication can help increase the productivity as well as the morale of society Alexandre opens the book by exploring in detail the various ways in which normative views of gender are constructed and perpetuated through media and societal norms She then focuses on the ways in which recent legal opinions and developments contribute to perpetuate these restrictive and oppressive norms Finally Alexandre outlines a plan to help eliminate the presence of these destructive norms and attitudes from different sectors of society

Sports Psychology: As Per NCTE M.P.
