Tears Tragedy And Triumph The Emotional Impact Of Miscarriage:

Tears Tragedy and Triumph Millie Hutton, Mandy Sullivan, 2004-04 Mandy Sullivan was a woman with a goal and a dream. Passing her on the street she wouldn't strike you as someone who had experienced such trauma in her life that it drove her to the brink of suicide. Nor would she appear to be fighting to hold onto her sanity. Yet this was part of who Mandy was. What caused all of this devastation in this young woman's life? How could it be that her dream of having a child seemed so unattainable? Through endless miscarriages, a barrage of cold and clinical testing and horrific nightmares, her faith was tested beyond all human comprehension as she pursued her dream.

Proceedings of the Annual Meeting of the Association of Colleges and Secondary Schools for Negroes Association of Colleges and Secondary Schools, 1953 **New Theatre**, 1936 **Pentecostal Evangel**, 1996 **Outlook**, 2006 **Surviving Miscarriage** Stacey McLaughlin, 2005

My intent in writing this guide is to give others like you the benefit of my own experience and to make sure that the pain is not compounded by uncertainty, unawareness, ignorance, or lack of information. Yes, this is a tragic event, one that none of us would wish on our worst enemies. Yet if anything can help make it a little better, it is the certainty of knowing exactly what we are going through, the knowledge of what to expect, and the tools to teach us how to cope. For those who have suffered a heartbreaking miscarriage, *Surviving Miscarriage* helps you find the compassionate support you so desperately need. Florida psychologist Stacey McLaughlin survived two miscarriages in one year and thankfully discovered the powerful secret to lasting inner healing. McLaughlin addresses the variety of emotions a woman experiences after a miscarriage and focuses on how to mend your soul. With her unique and simple thirty-day plan, you'll be gently guided through meaningful steps to help you banish undeserved shame, embrace comforting emotional recovery, and move forward with confident hope for your future.

We Lost Our Baby Siobhan O'Neill-White, David White, 2007-04-01 *We Lost Our Baby* is the true story of a young couple who, after the initial excitement of discovering a new pregnancy, faced the heartache of losing their baby. On top of the trauma of a miscarriage, they also had to deal with insensitive and sometimes rude doctors and nurses, outdated hospital policies, and a shocking lack of empathy and understanding during the worst times of this tragedy. Angry and confused, they went looking for answers. They found none. There were no books to help them with the emotional upheaval they were going through. There were no explanations from the hospital as to why they had lost their baby, and the counselling on offer was largely ineffective. What followed was an awkward few months where they could not grieve together, and their relationship was severely strained. It was not just their relationship with each other that was affected. Family and friends who did not know how to deal with the situation also became isolated from them. Realising that communication was the key to getting through this sorrowful time, they finally started talking and found a way to get their relationship back on track. They also found that if they spoke honestly and openly to family and friends, they could get those relationships back as well. Knowing that other couples who have lost a baby would be going through similar difficulties, they decided to write down their experience in an effort to

help them Their beautifully written and poignant story dealing with an issue that is too rarely acknowledged and discussed openly is one of complete and heart rending honesty *To Full Term* Darci Klein,2007-06-05 A powerful and empowering memoir of a woman s fight to bring her fifth pregnancy to full term after years of heartbreak and horrific loss *To Full Term* is the gripping memoir of Darci Klein s pregnancy with her son Sam and the story of one woman s struggle to give her baby a fighting chance From refusing to accept outmoded obstetric guidelines to going head to head with stubborn medical professionals to overcoming her own paralyzing fears Darci faced each challenge to achieve her goal What she learned on her journey about defending her own reproductive health and coping with the emotional strain of high risk pregnancy will empower any woman who wants to do all she can to have a full term healthy baby **Empty Arms** Pamela W. Vredevelt,Pam Vredevelt,1994-09 They are the most dreaded words an expectant mother can hear As joy and anticipation dissolve into confusion and grief painful questions refuse to go away Why me What did I do wrong Doesn t God care With the warmth and compassion of a licensed counselor and a Christian woman who has suffered miscarriage herself Pam Vredevelt offers sound answers advice and reassurance to the woman fighting to maintain faith in this heartbreaking situation Now in a fresh contemporary cover *Empty Arms Emotional Support for Those Who Have Suffered a Miscarriage Stillbirth or Tubal Pregnancy* is the essential guidebook through the agony of losing a child Communicatively Coping with Miscarriage Cassandra LeClair-Underberg,2008
