The Gospel And The American Dream

Bruce Leon Shelley

The Gospel And The American Dream:

The Gospel and the American Dream Bruce Leon Shelley, 1989 **Radical** David Platt, 2010-05-04 New York Times bestseller What is Jesus worth to you It s easy for American Christians to forget how Jesus said his followers would actually live what their new lifestyle would actually look like They would he said leave behind security money convenience even family for him They would abandon everything for the gospel They would take up their crosses daily But who do you know who lives like that Do you In **Radical** David Platt challenges you to consider with an open heart how we have manipulated the gospel to fit our cultural preferences He shows what Jesus actually said about being his disciple then invites you to believe and obey what you have heard And he tells the dramatic story of what is happening as a successful suburban church decides to get serious about the gospel according to Jesus Finally he urges you to join in The Radical Experiment a one year journey in authentic discipleship that will transform how you live in a world that desperately needs the Good News Jesus came to bring

American Dream 2.0 Frank A. Thomas, 2012-08-01 The promise of America has always been creative potential enterprise industry optimism idealism and hope This promise known since the beginning of the New World and named since the Great Depression as the American Dream is what makes immigrants cry at the base of the Statue of Liberty But there is a dark side to the American Dream too one that we don t talk about much in polite company A side characterized by the exploitation and domination of subjected people The national climate has caused many to question the validity of the American Dream and whether it even offers a viable vision for the nation There are few greater questions to ask Our collective future depends on a common vision If the American Dream is dead then what happens next This book evaluates the American Dream establishes its roots gives reasons for its decline and offers solutions to reclaim the promise of the American Dream that is more aligned with Jesus vision of the kingdom of God and Martin Luther King Jr s vision of the Beloved Community Our challenge is to develop a redesigned American Dream a sustainable future for all free from exploitation and domination of subjected people *Prosperity Gospel Latinos and Their American Dream* Tony Tian-Ren Lin, 2020-07-21 In this immersive ethnography Tony Tian Ren Lin explores the reasons that Latin American immigrants across the United States are increasingly drawn to Prosperity Gospel Pentecostalism a strand of Protestantism gaining popularity around the world Lin contends that Latinos embrace Prosperity Gospel which teaches that believers may achieve both divine salvation and worldly success because it helps them account for the contradictions of their lives as immigrants Weaving together his informants firsthand accounts of their religious experiences and everyday lives Lin offers poignant insight into how they see their faith transforming them both as individuals and as communities The theology fuses salvation with material goods so that as these immigrants pursue spiritual rewards they are also perhaps paradoxically striving for the American dream But after all Lin observes prosperity is the gospel of the American dream In this way while becoming better Prosperity Gospel Pentecostals they are also adopting traditional white American norms Yet this is not a story of smooth assimilation as most of

these immigrants must deal with the immensity of the broader cultural and political resistance to their actually becoming Americans Rather Prosperity Gospel Pentecostalism gives Latinos the logic and understanding of themselves as those who belong in this country yet remain perpetual outsiders

Hollow Faith Stephen Ingram,2015-12-15 This book for youth leaders pastors and parents looks deep into the mirror of pop and church culture and asks the difficult and often maddening question Are those things we produce and consume defining us Author Stephen Ingram explores these themes of moralism deism meism consumerism pluralism and therapeutic religion of pop culture as well as current sociological and psychological data Hollow Faith separates the values of the gospel from the cultural norms that have domesticated them including How we believe we should act The Andy Griffith Show How we want to be known Facebook What we aspire to become the American Dream Ingram says that once we recognize these serious shifts in our faith we can begin to have discussions develop plans and form actions to reclaim the vibrant life giving faith of the Bible Includes a Parents Guide in the back

Hard Sayings Joshua West,2018-09-27 Is the version of Jesus we talk about and preach in our churches the same Jesus that is revealed to us in the scriptures Is there such a thing as discipleship without self denial and sacrifice Is our idea of the American dream and having it all compatible with what the Bible says about the cost of discipleship In this book Joshua West will ask these questions and talk about what it means to pick up your cross and follow Jesus in the twenty first century

Cynicism and the Evolution of the American Dream Wilber W. Caldwell,2006 Putting a recognizable face on contemporary American cynicism

Bruce Springsteen, Cultural Studies, and the Runaway American Dream Jerry Zolten,2016-05-23 There is little question about the incredible power of Bruce Springsteen s work as a particularly transformative art as a lyrical and musical fusion that never shies away from sifting through the rubble of human conflict As Rolling Stone magazine s Parke Puterbaugh observes Springsteen is a peerless songwriter and consummate artist whose every painstakingly crafted album serves as an impassioned and literate pulse taking of a generation s fortunes He is the foremost live performer in the history of rock and roll a self described prisoner of the music he loves for whom every show is played as if it might be his last In recent decades Puterbaugh adds Springsteen s music developed a conscience that didn t ignore the darkening of the runaway American Dream as the country greedily blundered its way through the 1980s and into the sociocultural detritus of a new century paralysed by isolation and uncertainty Bruce Springsteen Cultural Studies and the Runaway American Dream reflects the significant critical interest in understanding Springsteen s resounding impact upon the ways in which we think and feel about politics religion gender and the pursuit of the American Dream By assembling a host of essays that engage in interdisciplinary commentary regarding one of Western culture s most enduring artistic and socially radicalizing phenomena this book offers a cohesive intellectual and often entertaining introduction to the many ways in which Springsteen continues to impact our lives by challenging our minds through his lyrics and music

American Dreams Ricardo Miguez,2009-03-26 The scholars included in this collection sought to indicate more contemporary working definitions for the expression

American Dream or rather Dreams The multidisciplinary selections come from many countries and represent scholars from different backgrounds They reflect the current developments and approaches in the field of US Studies and we hope to help broaden the scope of programs in higher education institutions The chapters are thematically organized in two sections Initial Dialogues and Comparative Dialogues The first one comprises essays that set the foundations for our discussions and intends to familiarize newcomers with the theme The second section extends the possibilities of working comparatively with the American Dreams and a number of other interdisciplinary fields of interest for US Studies programs

Chasing the American Dream Mark Robert Rank PhD, Thomas A. Hirschl PhD, Kirk A. Foster PhD, 2014-02-28 The United States has been epitomized as a land of opportunity where hard work and skill can bring personal success and economic well being The American Dream has captured the imagination of people from all walks of life and to many it represents the heart and soul of the country But there is another darker side to the bargain that America strikes with its people it is the price we pay for our individual pursuit of the American Dream That price can be found in the economic hardship present in the lives of millions of Americans In Chasing the American Dream leading social scientists Mark Robert Rank Thomas A Hirschl and Kirk A Foster provide a new and innovative look into a curious dynamic the tension between the promise of economic opportunities and rewards and the amount of turmoil that Americans encounter in their quest for those rewards The authors explore questions such as What percentage of Americans achieve affluence and how much income mobility do we actually have Are most Americans able to own a home and at what age How is it that nearly 80 percent of us will experience significant economic insecurity at some point between ages 25 and 60 How can access to the American Dream be increased Combining personal interviews with dozens of Americans and a longitudinal study covering 40 years of income data the authors tell the story of the American Dream and reveal a number of surprises The risk of economic vulnerability has increased substantially over the past four decades and the American Dream is becoming harder to reach and harder to keep Yet for most Americans the Dream lies not in wealth but in economic security pursuing one's passions and looking toward the future Chasing the American Dream provides us with a new understanding into the dynamics that shape our fortunes and a deeper insight into the importance of the American Dream for the future of the country

As recognized, adventure as well as experience about lesson, amusement, as with ease as treaty can be gotten by just checking out a books **The Gospel And The American Dream** with it is not directly done, you could consent even more almost this life, regarding the world.

We give you this proper as without difficulty as simple pretension to get those all. We pay for The Gospel And The American Dream and numerous book collections from fictions to scientific research in any way. among them is this The Gospel And The American Dream that can be your partner.
