The Gospel Jesus Fact Or Fiction:

The Gospel Jesus Peter Bartley, 1996 **The Truth About Jesus : Is He a Myth?** M. M. Mangasarian, 2019-11-29 In *The Truth About Jesus Is He a Myth* M M Mangasarian embarks on a provocative exploration of the historical and mythological underpinnings of the figure of Jesus Christ Anchored in a critical analysis of religious texts and the socio cultural milieu of early Christianity Mangasarian employs a blend of rigorous scholarship and accessible prose to engage readers in questions surrounding the authenticity of Jesus existence He meticulously examines various aspects of biblical narratives drawing upon historical philosophical and theological perspectives to challenge conventional beliefs concerning the life and divinity of Jesus Mangasarian an Armenian American writer and a notable freethinker was usurped by the tenets of skepticism leading him to scrutinize religious dogmas His background as a former member of the Armenian Apostolic Church and experiences with the constraints of orthodox beliefs informed his critical approach to theological discussions This inquiry is part of his broader commitment to rationalism and secularism as his works often advocate for intellectual freedom and the scrutinization of sacred texts This book is highly recommended for those interested in history theology and philosophy Readers seeking to deepen their understanding of the rivalry between faith and reason will find Mangasarian s incisive arguments both compelling and enlightening making it a significant contribution to the discourse on religion and myth

The Gospel Truth Patrick T. Rhoads, 2020-07-31 The skepticism holding sway in our public society practically screams that one cannot be serious and also be Christian This work exposes the lie to such skepticism This book adopts the scientific method to demonstrate the underlying facts recorded in the Gospels The arguments rely solely upon reason and objective criteria to substantiate their conclusions This fast paced work by a nuclear engineering executive with more than thirty five years of experience will defy expectations Rigorous and systematic this apologetic work is curated with verve energy and wit It will pique the interests of academics and lay audience alike by answering these questions Why is the resurrection a necessary but not sufficient condition for the rise of Christianity Who founded Christianity Hint it was not Saint Paul as many suppose Why did the church retain all of the Hebrew Bible even though only a small fraction pertains directly to the New Testament How does the church rectify the necessity of justice with the virtue of mercy Why did his first followers call Jesus the Christ while fully aware that he did not satisfy the expectations of the Christ in the Hebrew Bible At the end of the book readers will ask the same question about Jesus that Jesus asked of the apostles Who do you say that I am

The Oral Gospel Tradition James D.G. Dunn, 2013-10-03 The traditions about Jesus and his teaching circulated in oral form for many years continuing to do so for decades following the writing of the New Testament Gospels James Dunn is one of the major voices urging that more consideration needs to be given to the oral use and transmission of the Jesus tradition as a major factor in giving the Synoptic tradition its enduring character

The True Myth of Gay Jesus Rupert Evensong, 2025-09-06 Jesus His public life changed world history Two thousand years on his deeds inspire billions of people

Yet when it comes to his personal life not much is known A beloved bond did exist between Jesus and a close male disciple Descriptions in the gospel of John attest to that But the Christian church has never acknowledged that Jesus may have been a gay man In fact large swathes of this institution continue to deny the validity of LGBTQIA people Or at best tardily bestow a limited recognition Then in 2026 everything changes Professor Lynda Jansen a humble Canadian historian publishes the contents of six papyri The Six Papyri prove definitively that Jesus was in a loving same sex relationship with his devoted follower Lazarus Jesus is gay How do you react How does the Church react let alone the entire world Will the scourge of Christian homophobia end at last Welcome to The True Myth of Gay Jesus Moving Engrossing Liberating *An Introduction to the New Testament* Raymond E. The Evidence for Jesus James D. G. Dunn, 1985-01-01

Examines the historical reliability of the portrait of Jesus in the Gospels and surveys the findings of New Testament scholarship *Jesus and Myth* Peter John Barber, 2021-02-15 Is Jesus mythological And is he a mere product of his cultural milieu Through narratological and social scientific analysis of the gospel account Barber systematically demonstrates that there are two opposing patterns structuring the gospel The first is the pattern of this world which is the combat myth with a typical sequence of motifs having mythological meanings It is lived out by everyone else in the accounts except Jesus because this pattern of the world is the pattern of myth culture which is the pattern of the old Adam and sin nature The pattern of Jesus is the pattern intended for Adam to walk in and is the unique pattern of the new Adam Jesus Christ Jesus's pattern inverts the sequence and subverts the significance of each and every motif and episode of the myth culture's pattern Barber

shows that Jesus's failure to conform to this world's mythological pattern establishes that he is not mythological and not a product of his culture. As the apostle Peter states, we did not follow cleverly devised tales or myths when we made known to you the power and coming of our Lord Jesus Christ, but we were eyewitnesses of his majesty. 2 Pet 1:16

Solving Bible Mysteries D. James Kennedy, 2000-08-13

Often a Bible passage's meaning is obvious. But sometimes Scriptures seem incomprehensible, even contradictory. How do we as believers correctly interpret these puzzling passages? The author of *What If Jesus Had Never Been Born* and *What If the Bible Had Never Been Written* takes an in-depth look at passages of Scripture that are difficult to understand. From an overview of the dichotomy of faith versus works to the meaning behind I John 3:9, "Whoever has been born of God does not sin," NKJV, *Solving Bible Mysteries* offers powerful insight on some of Christianity's challenging questions.
