The MacArthur New Testament Commentary Set of 30 volumes John

MacArthur,2011-02-21 This set includes the entire collection of the MacArthur New Testament Commentary series Matthew 1 7 Matthew 8 15 Matthew 16 23 Matthew 24 28 Luke 1 5 Luke 6 10 Luke 11 17 John 1 11 John 12 21 Acts 1 12 Acts 13 28 Romans 1 8 Romans 9 16 1 Corinthians 2 Corinthians Galatians Ephesians Philippians Colossians Philemon 1 2 Thessalonians 1 Timothy 2 Timothy Titus Hebrews James 1 Peter 2 Peter Jude 1 3 John Revelation 1 11 and Revelation 12 22 The MacArthur New Testament Commentary series continues to be one of today's top selling commentary series These commentaries from respected Bible scholar and preacher John MacArthur give a verse by verse analysis in context and provide points of application for passages illuminating the biblical text in practical and relevant ways

Caesar and the Sacrament R. Alan Streett,2018-01-24 When the earliest Christ followers were baptized they participated in a politically subversive act Rejecting the Empire's claim that it had a divine right to rule the world they pledged their allegiance to a kingdom other than Rome and a king other than Caesar Acts 17 7 Many books explore baptism from doctrinal or theological perspectives and focus on issues such as the correct mode of baptism the proper candidate for baptism who has the authority to baptize and whether or not baptism is a symbol or means of grace By contrast Caesar and the Sacrament investigates the political nature of baptism Very few contemporary Christians consider baptism's original purpose or political significance Only by studying baptism in its historical context can we discover its impact on first century believers and the adverse reaction it engendered among Roman and Jewish officials Since baptism was initially a rite of non violent resistance what should its function be today

Knowing God through Journey and Pilgrimage Seung Yeal Lee,2011-04-01 The Hebrew Christian Scriptures include many allusions to pilgrimage customs and practices yet the information is scattered and requires a considerable amount of reconstruction It is posited that the pilgrimage paradigm including the journey motif has influenced the thought patterns of the writers of both the Old and New Testaments To follow Jesus journey to Jerusalem on the three feasts of pilgrimage in Luke Acts and John and their relevance to the way he revealed himself and taught his disciples this work begins with the creation and patriarchal narratives examining how the pilgrimage paradigm relates to discipleship Reviewing the history of the people of God including the Exodus the Exile and restoration this book establishes the significance of pilgrimage as a paradigm for Israel that eventually shapes Judaism Seung Y Lee points us to a neglected fact that the three feasts of pilgrimage have developed their own characters and meanings for the momentous events in the history of Israel and both Luke Acts and John reflect the significance of the pilgrimage paradigm for Jesus self understanding and his teaching

Subversive Meals Streett R Alan,2016-11-24 In Subversive Meals Alan Streett follows on from James C Scott's idea of a hidden transcript to argue that the Lord's Supper was a subversive non violent act against the Roman Empire Primarily

through exegesis of the writings of Luke and Paul Streett examines the political nature of the meal in the context of first century Roman domination In his widely researched argument Streett illuminates for the reader why understanding the Lord's Supper as a purely symbolic act overlooks the political significance it would have had in the first century CE Subversive Meals analyses how the structure of the Lord's Supper followed that of a Roman banquet by having a deipon and a symposium the latter being the time when anti resistance discussions would take place Streett examines several aspects of the history context and theological significance of the Lord's Supper He discusses such topics as the identification of Passover as an anti imperial meal against the Pharaoh's rule the Roman domination system the meal practices of Jesus the eschatological meaning of the Last Supper the practice of this anti imperial work ethic in the early church and the gift of prophecy as a symposium activity By seeing the Lord's Supper as a political act readers will be able to study Scriptural passages more closely and precisely

Peter and Paul in Acts: A Comparison of Their Ministries David Spell, 2006-08-01 Acts is arguably the most exciting book in the New Testament It covers the tumultuous early years of Christianity and narrates the growth of the church throughout the Roman Empire Luke tells this story by focusing primarily on two men Peter and Paul This book examines their apostolic ministries as they are revealed within the pages of The Acts of the Apostles Their apostolic ministries are examined in the context of several different components Leadership Evangelism and Church Planting Miracle Working and Healing and Mystical or Supernatural Experiences These categories are shown to detail particular aspects of each man's apostleship work These categories provide a convenient way to compare and contrast the type of ministry that each apostle performed as described by Luke Spell also devotes a chapter each to Luke's literary method and the relationship of Peter and Paul as seen in their letters These two chapters lay important groundwork for examining the apostles This book will provide the reader with valuable insights from Scripture that they can apply to their own lives and ministry By looking at how Peter and Paul conducted their ministries in the first century we can be more effective in the twenty first

The Spirit and the Lake of Fire Rustin Umstattd, 2017-06-28 The Holy Spirit and the Lake of Fire What does the Spirit have to do with God's final judgment The Holy Spirit and God's judgment upon sin are not two topics that are often connected but to understand the full work of the Spirit they need to be It is not enough to view judgment as the work of just the Father and the Son but in full Trinitarian fashion it must be understood as the work of all three persons of the Trinity In The Spirit and the Lake of Fire Rustin Umstattd establishes the Spirit's role in judgment by connecting several symbols that are used for both the Spirit and judgment such as fire God's breath and God's arm Furthermore by examining Augustine's position that the Spirit is the mutual love of the Father and the Son and Luther's position that God's wrath is the underside of his love Umstattd demonstrates how one comes to the conclusion that the Spirit is operative in God's judgment upon sin
