The Great Collection Of The Lives Of The Saints Volume Ii September:

Vegetarian Christian Saints Holly H. Roberts, 2004-09 Roberts shares the life stories of 150 individuals canonized into sainthood who were committed to vegetarianism Each story has a distinct message and the potential to further peace upon the planet

Women of the Catacombs, 2021-03-15 The memoirs presented in Women of the Catacombs offer a rare close up account of the underground Orthodox community and its priests during some of the most difficult years in Russian history The catacomb church in the Soviet Union came into existence in the 1920s and played a significant part in Russian national life for nearly fifty years Adherents to the Orthodox faith often referred to the catacomb church as the light shining in the dark Women of the Catacombs provides a first hand portrait of lived religion in its social familial and cultural setting during this tragic period Until now scholars have had only brief scattered fragments of information about Russia's illegal church organization that claimed to protect the purity of the Orthodox tradition Vera Iakovlevna Vasilevskaia and Elena Semenovna Men who joined the church as young women offer evidence on how Russian Orthodoxy remained a viable alternative presence in Soviet society when all political educational and cultural institutions attempted to indoctrinate Soviet citizens with an atheistic perspective Wallace L Daniel's translation not only sheds light on Russia's religious and political history but also shows how two educated women maintained their personal integrity in times when prevailing political and social headwinds moved in an opposite direction

Butler's Lives of the Saints Alban Butler, 1995 For more than two centuries Butler's has been one of the best known most widely consulted hagiographies In its brief and authoritative entries readers can find a wealth of knowledge on the lives and deeds of the saints as well as their ecclesiastical and historical importance since canonization
