The Great Compromise:

Sizing Up the Senate Frances E. Lee, Bruce I. Oppenheimer, 1999-10 This book raises questions about one of the key institutions of American government the United States Senate and should be of interest to anyone concerned with issues of representation

George Mason, Forgotten Founder Jeff Broadwater, 2009-11-13 George Mason 1725-92 is often omitted from the small circle of founding fathers celebrated today but in his service to America he was in the words of Thomas Jefferson of the first order of greatness Jeff Broadwater provides a comprehensive account of Mason's life at the center of the momentous events of eighteenth century America Mason played a key role in the Stamp Act Crisis the American Revolution and the drafting of Virginia's first state constitution He is perhaps best known as author of the Virginia Declaration of Rights a document often hailed as the model for the Bill of Rights As a Virginia delegate to the Constitutional Convention in Philadelphia Mason influenced the emerging Constitution on point after point Yet when he was rebuffed in his efforts to add a bill of rights and concluded the document did too little to protect the interests of the South he refused to sign the final draft Broadwater argues that Mason's recalcitrance was not the act of an isolated dissenter rather it emerged from the ideology of the American Revolution Mason's concerns about the abuse of political power Broadwater shows went to the essence of the American experience

The U.S. Congress Donald A. Ritchie, 2016 In the second edition of *The U S Congress* Donald A Ritchie a congressional historian for more than thirty years takes readers on a fascinating behind the scenes tour of Capitol Hill pointing out the key players explaining their behavior and translating parliamentary language into plain English No mere civics lesson this eye opening book provides an insider's perspective on Congress matched with a professional historian's analytical insight After a swift survey of the creation of Congress by the constitutional convention he begins to unscrew the nuts and pull out the bolts What is it like to campaign for Congress To attract large donors To enter either house with no seniority He answers these questions and more explaining committee assignments and committee work the role of staffers and lobbyists floor proceedings parliamentary rules and coalition building Ritchie explores the great effort put into constituent service as representatives and senators respond to requests from groups and individuals as well as media relations and news coverage He also explores how the grand concepts we all know from civics class checks and balances advise and consent congressional oversight work in practice in an age of strong presidents and a muscular Senate minority
