The Great Deception:

The Great Deception Gerd Ludemann, 2010-06-03 It is widely recognized by New Testament scholars that many of the sayings and actions attributed to Jesus in the gospels cannot be factually traced to him To a considerable degree these stories have been influenced or even created by the early church Despite this gap between the Jesus of history and the Christ of faith the contemporary church continues to represent the traditional New Testament canon as a generally accurate record of the life of Jesus The Great Deception exposes the dangers that accompany this disingenuous unscientific approach and calls for a more rigorous treatment of the gospels In a clear straightforward narrative Gerd L demann establishes the criteria by which he believes it possible to distinguish inauthentic from authentic sayings and actions of Jesus and then shows which quotes and deeds can be regarded as factual His radical conclusion is that the Jesus of history who emerges after the falsehoods attributed to him are pared away cannot support the traditional Christian faith L demann s historical analysis reveals nonetheless a Jesus who remains a deeply sympathetic personality and one of the great religious figures of the world But it also shows that Christian leaders who ignore the results of sound scholarship are selling the faithful a great deception

The Great Deception 2036 William King, 2014-06-24 This hair raising book reveals the Illuminati s rise to power for world domination and the FALL of the once greatest and most powerful nation in the world in the spring of 2036 The Great Deception Beverly Green, 2021-03-30 The Great Deception by Beverly Green The Great Deception Sherridean Abddeen, 2025-09-01 The Great Deception A World Unraveled In the year 2024 the world stands on the brink of transformation As earthquakes shake the earth and ancient secrets about humanity s origins under the dome are revealed people everywhere grapple with fear and uncertainty Prophecies of the Antichrist and a coming savior grip the masses while the 144 000 gifted individuals with heightened awareness guide humanity through this time of chaos From natural disasters threatening to destroy entire regions to political upheavals and questions about the Pope s fate people seek hope and answers This is the story of humanity s awakening as the old world collapses and a new era of spiritual ascension begins Will the world meet its end or will it be reborn **The Great Deception** Chris Cahill, What if everything you thought you knew was a lie What if the Church is behind it all The Great Deception is not just a story about Church corruption it is a story about power control and the ultimate deception of mankind For centuries the greatest lie ever told has been whispered through sacred halls carved into ancient stone and hidden in plain sight Now it s ready to be uncovered When a cryptic inscription on a long buried artifact surfaces in the shadows of the Vatican three unlikely allies a fearless historian a rogue archeologist and a rebellious hacker are thrust into a dangerous web of secrets What they uncover will shatter their understanding of the past and could rewrite humanity s future Why were certain scriptures altered or excluded Why did Constantine make Christianity the official religion What drove Martin Luther to defy the Vatican And who truly stands behind centuries of dogma and spiritual belief The Great Deception masterfully connects historical and theological dots to reveal

how the Church has orchestrated one of the most pervasive and enduring conspiracies of all time What begins as an academic pursuit becomes a heart stopping race against time where every clue unearths deeper danger Forces beyond comprehension both human and otherworldly hunt them desperate to protect the deception that binds humanity in chains As the Pope the Order of Tannin and the Red Dragon himself looms over their journey the question remains Will the truth set them free or destroy us all A must read for fans of Dan Brown Indiana Jones and dark conspiracies The Great Deception will leave you questioning everything you ve ever believed about faith and wondering just how far those in power will go to keep their secrets safe

The Great Deception William King, 2013-01-24 Today we are living in perilous times that the global population needs to become aware of before it s too late People all around the world are starting to ask questions about the horrific events that are happening on a global scale and asking if these are the signs of the end of days Therefore in order for one to answer that question I will need to reveal bible prophecy We are seeing earthquakes in diver s places severe droughts mass animal deaths eco systems dying severe storms increase in sins an increase in suffering the earth s soil and water supplies are being contaminated and we are seeing an ongoing economic failure on a global scale So yes these are the birth pains and are the signs of the end of days In fact I have revealed everything one needs to know within this book For example I have answered the questions who is the Anti Christ what is the mark of the beast what are the signs of the end of days where is Mystery Babylon the Great who caused the majority of the global population to sin and when Jesus Christ will return to rid this planet from its evil

The Great Deception Christopher Booker, Richard North, 2016-04-07 Since its publication in 2003 The Great Deception has taken on the role of the Eurosceptics bible with the third edition helping to fuel the debate during the 2016 EU Referendum This fourth edition celebrates the moment when the UK broke away from the European Union having been extensively re edited to incorporate newly available archive material and updated to include the tumultuous events of recent years The Great Deception therefore tells for the first time the inside story of the most audacious political project of modern times from its intellectual beginnings in the 1920s when the blueprint for the European Union was first conceived by a British civil servant right up to the point when the UK resumes its path at as an independent sovereign nation after 47 years of membership of the European project in its various guises Drawing on a wealth of new evidence and existing sources scarcely an episode of the story does not emerge in startling new light from the real reasons why de Gaulle kept Britain out in the 1960s to the fall of Mrs Thatcher and the build up to the referendum campaign which had its roots in the Maastricht Treaty The book chillingly shows how Britain s politicians were consistently outplayed in a game the rules of which they never understood It ends by evaluating the post referendum negotiations and asking whether this is the end of an episode or just a new beginning

The Heart of the Great Deception Factfinder Publishing, 2020-03-07 REVEALED IN THIS BOOK Hidden secrets in the Bible about the lie and the deceptions Full color illustrations clearly depicting the ideas and concepts What will be the lie used in the Great Deception How is the Concept of projection transfer a foundation of every

satanic deception of nations How did the Concept of projection transfer play a role in the first satanic deception in the Garden of Eden How does the Bible provide us with valuable clues about the lie of the third deception Post Millennial How will the Antichrist use the lie of the Great Deception to gain dominion over every nation language and tribe Revelation 13 How will the spirit of the Antichrist use the lie of the Great Deception to deny the deity of Christ 1John 4 3 What will be the actual role of nephilim and fallen angels in the end times deception How does the lie of the Great Deception enable us to make sense of the four most baffling passages in the Bible which have confounded laypersons and biblical scholars alike How does the lie of the Great Deception enable us to construct the most difficult end times scenario The Great Deceptions Carey Ingram,2019-05-23 In this chaotic world one thing that is obvious is that the enemy of God Satan is using his powers to attempt to deceive the Christian Church and those who have no relationship with Christ at all He does this by any means necessary His greatest power is that he knows our weaknesses He is sullen taking his time and making light of godly issues And he is seductive luring his prey into the world and into his train of thoughts You must know that this is the only response that this defeated foe can have try to bring others down into the pit of eternal damnation with him Keep in mind that Satan has evil spirits who possess people whose only objective is to deceive God s people and the sinner man As I am convicted to share my thoughts and ideas my objective is to touch the hearts of people I am one of many fighting for the very souls of mankind This is spiritual warfare and as a soldier I am just doing what my Commanding Officer has commissioned me to do I know many people will disagree with me as it is their right however I pray those who read this book with an open heart will be blessed in the way God intends This work is about learning to make good choices that one might grow and be in an intimate relationship with God This work is not about judging and condemning but rather in the spirit of love I want to be sensitive and enlightening in my efforts to explain what I see as the danger of living worldly lifestyles However in order for me to do this I pray that my readers will hear me out and give me a real chance to express my beliefs and feelings In the words of Pastor Rick Warren Our culture has accepted two huge lies The first is that if you disagree with someone s lifestyle then you must fear or hate them The second is that to love someone means you agree with everything they believe or do Both are nonsense You do not have to compromise your convictions to be compassionate We are all saved by the grace of God However that grace was not free It was purchased by the blood of Jesus Therefore there is no room for compromise We must know Christ as our Lord and Savior I pray that this work will help define truth according to God s Holy Word and that this truth will set us all free The Great Deception W. L. King,2017-08-19 This is the author s first book published It may not be perfect but it reveals what it was intended to reveal the truth We are seeing earthquakes in diver s places severe droughts mass animal deaths eco systems dying severe storms increase in sins an increase in suffering the earth s soil and water supplies have been contaminated and we are seeing an ongoing economic failure on a global scale So yes these are the birth pains and are the signs of the end of days In fact the author has revealed everything one needs to know within this book For

example he has answered the questions who is the Anti Christ what is the mark of the beast what are the signs of the end of days did giants once walk the earth who caused the majority of the global population to sin will Jesus Christ return to rid this planet from its evil and many more deceptions that the New World Order has indoctrinated us with
