

The Great Depression The United States In The Thirties

Michael A. Bernstein

The Great Depression The United States In The Thirties:

The Great Depression Tom H. Watkins,1993 Chronicles the devastation caused by the nation s most serious economic upheaval offering parallels with America s present economic woes **The Great Depression** Michael A. Bernstein,1987 This 1988 book focusses on why the American economy failed to recover from the downturn of 1929 33 **America in the Thirties** Marnie M. Sullivan,John Olszowka,Brian R. Sheridan,Dennis Hickey,2014-09-23 In this new addition to the America in the Twentieth Century series Sullivan and others present a detailed look into life in America during the 1930s Beginning with the events leading up to The Great Depression America in the Thirties presents the themes and events that shaped America during this decade President Roosevelt s New Deal the Dust Bowl and life during the Great Depression domestic life and America s foreign policy are some of the many issues covered in this highly readable concise manuscript Throughout the text the authors also provide commentary on the role of various societal groups such as women immigrants African Americans Asian Americans Native Americans and Latino Americans The America in the Twentieth Century series presents the major economic political social and cultural milestones of the decades of the twentieth century Each decade is treated in individual books thus far books focusing on 1920s 1940s 1950s 1960s and 1970s have been published This latest addition to the series focusing on the tumultuous 1930s will provide logical links to the previously published books in the series *The Great Depression in America* William H. Young,Nancy K. Young,2007-03-30 Everything from Amos n Andy to zeppelins is included in this expansive two volume encyclopedia of popular culture during the Great Depression era Two hundred entries explore the entertainments amusements and people of the United States during the difficult years of the 1930s In spite of or perhaps because of such dire financial conditions the worlds of art fashion film literature radio music sports and theater pushed forward Conditions of the times were often mirrored in the popular culture with songs such as Brother Can You Spare a Dime breadlines and soup kitchens homelessness and prohibition and repeal Icons of the era such as Fred Astaire and Ginger Rogers Louis Armstrong Bing Crosby F Scott Fitzgerald George and Ira Gershwin Jean Harlow Billie Holiday the Marx Brothers Roy Rogers Frank Sinatra and Shirley Temple entertained many Dracula Gone With the Wind It Happened One Night and Superman distracted others from their daily worries Fads and games chain letters jigsaw puzzles marathon dancing miniature golf Monopoly amused some while musicians often sang the blues Nancy and William Young have written a work ideal for college and high school students as well as general readers looking for an overview of the popular culture of the 1930s Art deco big bands Bonnie and Clyde the Chicago s World Fair Walt Disney Duke Ellington five and dimes the Grand Ole Opry the jitter bug Lindbergh kidnapping Little Orphan Annie the Olympics operettas quiz shows Seabiscuit vaudeville westerns and Your Hit Parade are just a sampling of the vast range of entries in this work Reference features include an introductory essay providing an historical and cultural overview of the period bibliography and index *The Thirties* Mary Ellen Sterling,1996 **The Great Depression of the 1930s** Nicholas Crafts,Peter Fearon,2013-02-28

Understanding the Great Depression has never been more relevant than in today's economic crisis. This edited collection provides an authoritative introduction to the Great Depression as it affected the advanced countries in the 1930s. The contributions are by acknowledged experts in the field and cover in detail the experiences of Britain, Germany, and the United States while also seeing the depression as an international disaster. The crisis entailed the collapse of the international monetary system, sovereign default, and banking crises in many countries in the context of the most severe downturn in western economic history. The responses included protectionism, regulation, fiscal and monetary stimulus, and the New Deal. The relevance to current problems facing Europe and the United States is apparent. The chapters are written at a level which will be comprehensible to advanced undergraduates in economics and history while also being a valuable source of reference for policy makers grappling with the current economic crisis. The book will be of interest to modern macroeconomists and students of interwar history alike and seeks to bring the results of modern research in economic history to a wide audience. The focus is not only on explaining how the Great Depression happened but also on understanding what eventually led to the recovery from the crisis. A key feature is that every chapter has a full list of bibliographical references which can be a platform for further study.

What Was the Great Depression? Janet B. Pascal, Who HQ, 2015-12-22. On October 29, 1929, life in the United States took a turn for the worst. The stock market, the system that controls money in America, plunged to a record low. But this event was only the beginning of many bad years to come. By the early 1930s, one out of three people was not working. People lost their jobs, their houses, or both, and ended up in shantytowns called Hoovervilles, named for the president at the time of the crash. By 1933, many banks had gone under. Though the U.S. has seen other times of struggle, the Great Depression remains one of the hardest and most widespread tragedies in American history. Now it is represented clearly and with 80 illustrations in our What Was series.

America in the Twenties and Thirties Sean Dennis Cashman, 1989-01-01. In this, the third volume of an interdisciplinary history of the United States since the Civil War, Sean Dennis Cashman provides a comprehensive review of politics and economics from the tawdry affluence of the 1920s through the searing tragedy of the Great Depression to the achievements of the New Deal in providing millions with relief, job opportunities, and hope before America was poised for its ascent to globalism on the eve of World War II. The book concludes with an account of the sliding path to war as Europe and Asia became prey to the ambitions of Hitler and military opportunists in Japan. The book also surveys the creative achievements of America's lost generation of artists, writers, and intellectuals; continuing innovations in transportation and communications wrought by automobiles and airplanes, radio, and motion pictures; the experiences of black Americans, labor, and America's different classes and ethnic groups; and the tragicomedy of national prohibition. The cast of characters includes FDR, the New Dealers, Eleanor Roosevelt, George W. Norris, William E. Borah, Huey Long, Henry Ford, Clarence Darrow, Ernest Hemingway, Scott Fitzgerald, W. E. B. DuBois, A. Philip Randolph, Orson Welles, Wendell Willkie, and the stars of radio and the silver screen. The first book in this series, *America in*

the Gilded Age is now accounted a classic for historiographical synthesis and stylistic polish America in the Age of the Titans covering the Progressive Era and World War I and America in the Twenties and Thirties reveal the author's unerring grasp of various primary and secondary sources and his emphasis upon structures individuals and anecdotes about them The book is lavishly illustrated with various prints photographs and reproductions from the Library of Congress the Museum of Modern Art and the Whitney Museum of American Art *American Culture in the 1930s* David Eldridge, 2008-10-08 This book provides an insightful overview of the major cultural forms of 1930s America literature and drama music and radio film and photography art and design and a chapter on the role of the federal government in the development of the arts The intellectual context of 1930s American culture is a strong feature whilst case studies of influential texts and practitioners of the decade from War of the Worlds to The Grapes of Wrath and from Edward Hopper to the Rockefeller Centre help to explain the cultural impulses of radicalism nationalism and escapism that characterize the United States in the 1930s

America in the 1930s Edmund Lindop, 2009-09-01 Outlines the important social political economic cultural and technological events that happened in the United States from 1930 to 1939
