Narrative of the Great Revival which Prevailed in the Southern Armies During the Late Civil War Between the States of the Federal Union, by William W. Bennett,... William W. Bennett,1877 *Confederate Military History*

Clement A. Evans,2004-06 This is one volume in a library of Confederate States history in twelve volumes written by distinguished men of the South and edited by Gen Clement A Evans of Georgia A generation after the Civil War the Southern protagonists wanted to tell their story and in 1899 these twelve volumes appeared under the imprint of the Confederate Publishing Company The first and last volumes comprise such subjects as the justification of the Southern States in seceding

from the Union and the honorable conduct of the war by the Confederate States government the history of the actions and concessions of the South in the formation of the Union and its policy in securing the territorial dominion of the United States the civil history of the Confederate States Confederate naval history the morale of the armies the South since the war and a connected outline of events from the beginning of the struggle to its close The other ten volumes each treat a separate State with details concerning its peculiar story its own devotion its heroes and its battlefields **Southern Stories** Drew Gilpin Faust, 1992 Stories were collective as in the case of the antebellum proslavery argument or Confederate discourses about women Sometimes they were personal as in the private writings of figures such as Lizzie Neblett Mary Chesnut Thornton Stringfellow or James Henry Hammond These men and women regularly employed their pens to create coherence and order amid the tangled circumstances of their particular lives and within a context of social prescriptions and expectations

While God is Marching on Steven E. Woodworth, 2001 The American Civil War not only pitted brother against brother but Christian against Christian This is a study of soldiers religious beliefs and how they influenced the course of that tragic conflict It shows how Christian teaching and practice shaped the worldview of soldiers on both sides
