The Great Riding The Story Of De Soto In America:

The great riding Lily Peter, 1983 The Great Riding Lily Peter, 1983 **Out of the Vapors** John C. Paige, Laura E. Soullière, 1988 **Knights of Spain, Warriors of the Sun** Charles Hudson, 2018-01-15 The 20th anniversary edition of the study that first revealed De Soto's path across the 16th century American South includes a forward by Robbie Ethridge Between 1539 and 1542 the Spanish explorer Hernando de Soto led a small army on an expedition of almost four thousand miles across Southeastern America De Soto's path had been one of history's most intriguing mysteries until the publication of **Knights of Spain Warriors of the Sun** Using a new route reconstruction anthropologist Charles Hudson maps the story of the de Soto expedition tying the route to a number of specific archaeological sites De Soto's journey cut a bloody and indelible swath across both the landscape and native cultures in a quest for gold and glory The desperate Spanish army followed the sunset from Florida to Texas before abandoning its mission De Soto's one triumph was that he was the first European to explore the vast region that would be the American South But in 1542 he died a broken man on the banks of the Mississippi River In this classic text Hudson masterfully chronicles both De Soto's expedition and the native societies he visited The narrative unfolds against the exotic backdrop of a now extinct social and geographic landscape A blending of archaeology history and historical geography this is a monumental study of the sixteenth century Southeast **Cultural Encounters Indians and Europeans in Arkansas(c)** , These stories of unique and distinct peoples their interactions and their influences on Arkansas and the South fill a void in the literature examining French and Spanish encounters with the Indians Using historical anthropological and archaeological approaches these essays collectively cover the European Indian experience in the region from DeSoto's first contact in 1541 through the Louisiana Purchase of 1803 Certificate of Commendation American Association of State and Local History **Lost Roads Project, a Walk in Book of Ar (p)** Deborah Luster, With photographer Deborah Luster poet C D Wright documents the most significant places and authors in Arkansas's literary history Replete with photographs biographies excerpts from novels and stories poetry collections and memoirs University of Arkansas Press An Arkansas History for Young People T.
