Kellie Carter Jackson

The Great Silent Army Of Abolitionism Ordinary Women In The Antislavery Movement:

The Great Silent Army of Abolitionism Julie Roy Jeffrey, 2000-11-09 By focusing on male leaders of the abolitionist movement historians have often overlooked the great grassroots army of women who also fought to eliminate slavery Here Julie Roy Jeffrey explores the involvement of ordinary women black and white in the most significant reform movement prior to the Civil War She offers a complex and compelling portrait of antebellum women s activism tracing its changing contours over time For more than three decades women raised money carried petitions created propaganda sponsored lecture series circulated newspapers supported third party movements became public lecturers and assisted fugitive slaves Indeed Jeffrey says theirs was the day to day work that helped to keep abolitionism alive Drawing from letters diaries and institutional records she uses the words of ordinary women to illuminate the meaning of abolitionism in their lives the rewards and challenges that their commitment provided and the anguished personal and public steps that abolitionism sometimes demanded they take Whatever their position on women s rights argues Jeffrey their abolitionist activism was a radical step one that challenged the political and social status quo as well as conventional gender norms

The Woman as Slave in Nineteenth-Century American Social Movements Ana Stevenson, 2020-02-03 This book is the first to develop a history of the analogy between woman and slave charting its changing meanings and enduring implications across the social movements of the long nineteenth century Looking beyond its foundations in the antislavery and women s rights movements this book examines the influence of the woman slave analogy in popular culture along with its use across the dress reform labor suffrage free love racial uplift and anti vice movements At once provocative and commonplace the woman slave analogy was used to exceptionally varied ends in the era of chattel slavery and slave emancipation Yet as this book reveals a more diverse assembly of reformers both accepted and embraced a woman as slave worldview than has previously been appreciated One of the most significant yet controversial rhetorical strategies in the history of feminism the legacy of the woman slave analogy continues to underpin the debates that shape feminist theory today

A Fluid Frontier Karolyn Smardz Frost, Veta Smith Tucker, 2016-02-15 Scholars of the Underground Railroad as well as those in borderland studies will appreciate the interdisciplinary mix and unique contributions of this volume

Race Traffic Gunther Peck, 2024-12-03 Fantasies of white slavery and the narratives of victimhood they spawn form the foundation of racist ideology They also obscure the lived experience of trafficked servants and sailors in the seventeenth and eighteenth centuries Gunther Peck moves deftly between the Atlantic and Mediterranean worlds to discover where and when people with light skin color came to see themselves as white Separating fact from fiction and paying close attention to the ideological work each performs Peck shows how laboring women and men leveraged their newfound whiteness to secure economic opportunity and political power Peck argues that whiteness emerged not as a claim of racial superiority but as a byproduct of wide ranging and rancorous public debate over trafficking and enslavement Even as whiteness became a legal category that signaled privilege trafficking

and race remained tightly interwoven Those advocating for the value of whiteness invoked emotionally freighted victimhood claiming that so called white slavery was a crime whose costs far exceeded those associated with the enslavement of African peoples across the Americas Peck helps us understand the chilling history that produced the racist ideology that still poisons our politics in the present day

Boston Gentlemen's Mob, The: Maria Chapman and the Abolition Riot of 1835 Josh S. Cutler, 2021-11-08 Violent mobs racial unrest attacks on the press it s the fall of 1835 and the streets of Boston are filled with bankers merchants and other gentlemen of property and standing angered by an emergent antislavery movement They break up a women s abolitionist meeting and seize newspaper publisher William Lloyd Garrison While city leaders stand by silently a small group of women had the courage to speak out Author Josh Cutler tells the story of the Gentlemen s Mob through the eyes of four key participants antislavery reformer Maria Chapman pioneering schoolteacher Susan Paul the city s establishment mayor Theodore Lyman and Wendell Phillips a young attorney who wanders out of his office to watch the spectacle The day s events forever changed the course of the abolitionist movement

Puritan Spirits in the Abolitionist Imagination Kenyon Gradert, 2020-04-10 The Puritans of popular memory are dour figures characterized by humorless toil at best and witch trials at worst Puritan is an insult reserved for prudes prigs or oppressors Antebellum American abolitionists however would be shocked to hear this They fervently embraced the idea that Puritans were in fact pioneers of revolutionary dissent and invoked their name and ideas as part of their antislavery crusade *Puritan Spirits in the Abolitionist Imagination* reveals how the leaders of the nineteenth century abolitionist movement from landmark figures like Ralph Waldo Emerson to scores of lesser known writers and orators drew upon the Puritan tradition to shape their politics and personae In a striking instance of selective memory reimagined aspects of Puritan history proved to be potent catalysts for abolitionist minds Black writers lauded slave rebels as new Puritan soldiers female antislavery militias in Kansas were cast as modern Pilgrims and a direct lineage of radical democracy was traced from these early New Englanders through the American and French Revolutions to the abolitionist movement deemed a Second Reformation by some Kenyon Gradert recovers a striking influence on abolitionism and recasts our understanding of puritanism often seen as a strictly conservative ideology averse to the worldly rebellion demanded by abolitionists

The Rise of Aggressive Abolitionism Stanley Harrold, 2021-10-21 The American conflict over slavery reached a turning point in the early 1840s when three leading abolitionists presented provocative speeches that for the first time addressed the slaves directly rather than aiming rebukes at white owners By forthrightly embracing the slaves as allies and exhorting them to take action these three addresses pointed toward a more inclusive and aggressive antislavery effort These addresses were particularly frightening to white slaveholders who were significantly in the minority of the population in some parts of low country Georgia and South Carolina *The Rise of Aggressive Abolitionism* includes the full text of each address as well as related documents and presents a detailed study of their historical context the reactions they provoked and their lasting impact on U S history

Race and Rights Dana

Elizabeth Weiner, 2013-01-15 In the Old Northwest from 1830 to 1870 a bold set of activists battled slavery and racial prejudice This book is about their expansive efforts to eradicate southern slavery and its local influence in the contentious milieu of four new states carved out of the Northwest Territory Illinois Indiana Michigan and Ohio While the Northwest Ordinance outlawed slavery in the region in 1787 in reality both it and racism continued to exert strong influence in the Old Northwest as seen in the race based limitations of civil liberties there Indeed these states comprised the central battleground over race and rights in antebellum America in a time when race s social meaning was deeply infused into all aspects of Americans lives and when people struggled to establish political consensus Antislavery and anti prejudice activists from a range of institutional bases crossed racial lines as they battled to expand African American rights in this region Whether they were antislavery lecturers journalists or African American leaders of the Black Convention Movement women or men they formed associations wrote publicly to denounce their local racial climate and gave controversial lectures In the process they discovered that they had to fight for their own right to advocate for others This bracing new history by Dana Elizabeth Weiner is thus not only a history of activism but also a history of how Old Northwest reformers understood the law and shaped new conceptions of justice and civil liberties The newest addition to the Mellon sponsored Early American Places Series Race and Rights will be a much welcomed contribution to the study of race and social activism in nineteenth century America

We Refuse Kellie Carter Jackson, 2024-06-04 An unsparing erudite and incisive Jelani Cobb staff writer The New Yorker reframing of the past and present of Black resistance both nonviolent and violent to white supremacy Named a Best Book of 2024 by Smithsonian Kirkus Chicago Review of Books Emancipator Ms Magazine Black resistance to white supremacy is often reduced to a simple binary between Dr Martin Luther King Jr s nonviolence and Malcolm X s by any means necessary In We Refuse historian Kellie Carter Jackson urges us to move past this false choice offering an unflinching examination of the breadth of Black responses to white oppression particularly those pioneered by Black women The dismissal of Black violence as an illegitimate form of resistance is itself a manifestation of white supremacy a distraction from the insidious unrelenting violence of structural racism Force from work stoppages and property destruction to armed revolt has played a pivotal part in securing freedom and justice for Black people since the days of the American and Haitian Revolutions But violence is only one tool among many Carter Jackson examines other no less vital tactics that have shaped the Black struggle from the restorative power of finding joy in the face of suffering to the quiet strength of simply walking away Clear eyed impassioned and ultimately hopeful We Refuse offers a fundamental corrective to the historical record a love letter to Black resilience and a path toward liberation

Encyclopedia of Emancipation and Abolition in the Transatlantic World Junius P. Rodriguez, 2015-03-26 The struggle to abolish slavery is one of the grandest quests and central themes of modern history These movements for freedom have taken many forms from individual escapes violent rebellions and official proclamations to mass organizations decisive social actions and major wars Every emancipation

movement whether in Europe Africa or the Americas has profoundly transformed the country and society in which it existed This unique A Z encyclopedia examines every effort to end slavery in the United States and the transatlantic world It focuses on massive broad based movements as well as specific incidents events and developments and pulls together in one place information previously available only in a wide variety of sources While it centers on the United States the set also includes authoritative accounts of emancipation and abolition in Europe Africa the Caribbean and Latin America The Encyclopedia of Emancipation and Abolition provides definitive coverage of one of the most significant experiences in human history It features primary source documents maps illustrations cross references a comprehensive chronology and bibliography and specialized indexes in each volume and covers a wide range of individuals and the major themes and ideas that motivated them to confront and abolish slavery

Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of The Great Silent Army Of Abolitionism Ordinary Women In The Antislavery Movement eBooks, including some popular titles.

FAQs About The Great Silent Army Of Abolitionism Ordinary Women In The Antislavery Movement Books

What is a The Great Silent Army Of Abolitionism Ordinary Women In The Antislavery Movement PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a The Great Silent Army Of Abolitionism Ordinary Women In The Antislavery Movement PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a The Great Silent Army Of Abolitionism Ordinary Women In The Antislavery Movement PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a The Great Silent Army Of Abolitionism Ordinary Women In The Antislavery Movement PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats

export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a The Great Silent Army Of Abolitionism Ordinary Women In The Antislavery Movement PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
