The Greater City New York 1898 1948

Albert Fried

The Greater City New York 1898 1948:

Power and Society in Greater NY David C. Hammack, 1982-10-02 Who has ruled New York Has power become more concentrated or more widely and democratically dispersed in American cities over the past one hundred years How did New York come to have its modern physical and institutional shape Focusing on the period when New York City was transformed from a nineteenth century mercantile center to a modern metropolis David C Hammack offers an entirely new view of the history of power and public policy in the nation s largest urban community Opening with a fresh and original interpretation of the metropolitan region s economic and social history between 1890 and 1910 Hammack goes on to show how various population groups used their economic social cultural and political resources to shape the decisions that created the modern city As New York grew in size and complexity its economic and social interests were forced to compete and form alliances No single group not even the wealthy was able to exercise continuing control of urban policy Building on his account of this interplay among numerous elites Hammack concludes with a new interpretation of the history of power in New York and other American cities between 1890 and 1950 This book makes a major contribution to the study of community power of urban and regional history and of public policy And by taking the meaning and distribution of power as his theme Hammack is able to reintegrate economic social and political history in a rich and comprehensive work Lucid instructive and discerning The most commanding analysis of its subject that I know John M Blum professor of history Yale University A powerful and persuasive treatment of a marvelous subject Nelson W Polsby professor of political science University of California Berkeley

Governing New York City Wallace Sayre, Herbert Kaufman, 1960-12-31 This widely acclaimed study of political power in a metropolitan community portrays the political system in its entirety and in balance and retains much of the drama the excitement and the special style of New York City It discusses the stakes and rules of the city s politics and the individuals groups and official agencies influencing government action

The Greater City, New York, 1898-1948. Edited by A. Nevins and J. A. Krout. [With Illustrations.]. Joseph Allan NEVINS (and KROUT (John Allen)), John Allen Krout, 1948

The Forgotten Borough Kenneth M. Gold, 2023-04-04 What sets Staten Island apart from the rest of New York City The island s identity has in part been defined in opposition to the city its physical and cultural differences and the perception of neglect by city government It has long been whiter wealthier less populated and more politically conservative And despite many attempts over the years Staten Island is not connected by the subway to any of the other four boroughs Kenneth M Gold argues that the lack of a subway connection has deeply shaped Staten Island s history and identity He chronicles decades of recurrent efforts to build a rail link using this history to explore the borough s fraught relationship with New York City as a whole The Forgotten Borough ranges from when Staten Island first contemplated joining the city in the 1890s to the opening of the Verrazzano Narrows Bridge in 1964 highlighting pivotal moments when the construction of a subway appeared possible The economics and engineering of tunnel construction the difficulty of uniting Staten Islanders around a

single solution competition from the other boroughs and resistance from powerful corporations and public authorities all undermined a rapid transit connection Gold demonstrates that the failure to establish a rail link during this period caused Staten Island to diverge culturally demographically and politically from the other four boroughs Drawing on extensive archival research *The Forgotten Borough* shows how transportation infrastructure and politics shed new light on urban history

The New York Chronology James Trager, 2010-09-07 For a city like no other comes a book like no other *The New York Chronology* tells the epic story of how a remote trading outpost and fishing village grew into the world's capital as we know it today In tens of thousands of chronological entries James Trager marches year by year through both the defining and incidental moments in the city's history from the arrival of Florentine navigator Giovanni da Verrazano in 1524 to the sad closing of Ratner's Delicatessen on the Lower East Side after 97 years of serving blintzes kasha latkes and matzoh brei With impeccable scholarship humor and an astonishing level of detail Trager's information packed entries straddle 32 separate categories that define this great metropolis Turn to any year and you'll get a vivid sense of what life was like for New Yorkers at that time the political and financial developments that shaped their lives the books magazines and newspapers they read the restaurants nightclubs shows and sporting events that entertained them the fitful progress of their neighborhoods schools hospitals public works transportation systems and so much more Of course New Yorkers themselves hold center stage and *The New York Chronology* is loaded with eye opening and colorful stories about its famous infamous and long forgotten inhabitants From society events and publicity stunts to scandals and murders here are scores of offbeat tidbits that you simply won't find in a more conventional history Handsomely illustrated with more than 130 photographs and drawings it is an entertaining and essential book for New York lovers a homage as grand as the city itself

Handbook of the Linguistic Atlas of the Middle and South Atlantic States William A. Kretzschmar, William A. Kretzschmar Jr., 1993-09-15 Who uses skeeter hawk snake doctor and dragonfly to refer to the same insect Who says gum band instead of rubber band The answers can be found in the *Linguistic Atlas of the Middle and South Atlantic States* LAMSAS the largest single survey of regional and social differences in spoken American English It covers the region from New York state to northern Florida and from the coastline to the borders of Ohio and Kentucky Through interviews with nearly twelve hundred people conducted during the 1930s and 1940s the LAMSAS mapped regional variations in vocabulary grammar and pronunciation at a time when population movements were more limited than they are today thus providing a unique look at the correspondence of language and settlement patterns This handbook is an essential guide to the LAMSAS project laying out its history and describing its scope and methodology In addition the handbook reveals biographical information about the informants and social histories of the communities in which they lived including primary settlement areas of the original colonies Dialectologists will rely on it for understanding the LAMSAS and historians will find it valuable for its original historical research Since much of the LAMSAS questionnaire concerns rural terms the data collected from the interviews can pinpoint

such language differences as those between areas of plantation and small farm agriculture For example LAMSAS reveals that two waves of settlement through the Appalachians created two distinct speech types Settlers coming into Georgia and other parts of the Upper South through the Shenandoah Valley and on to the western side of the mountain range had a Pennsylvania influenced dialect and were typically small farmers Those who settled the Deep South in the rich lowlands and plateaus tended to be plantation farmers from Virginia and the Carolinas who retained the vocabulary and speech patterns of coastal areas With these revealing findings the LAMSAS represents a benchmark study of the English language and this handbook is an indispensable guide to its riches *The Statesman's Year-Book 1969-70* S. Steinberg,J. Paxton,2016-12-28

The classic reference work that provides annually updated information on the countries of the world *The Rise and Fall of the Jewish Gangster in America* Albert Fried,1993 This book tracks the rise and fall of an underworld culture that bred some of America s greatest racketeers bootleggers gamblers and professional killers examining the careers of such high profile figures as Meyer Lansky and Benjamin Bugsy Siegel **My Kind of Country** Carl Carmer,1995-06-01 This book is really a best of as chosen by the author himself These are Carmer s favorite pieces drawn from three decades of work He mixes leisurely reminiscences with folklore verse and portraits of Upstate s diverse population Geographically they range from Niagara Falls to Montauk Point and include pieces on the fate of Native Americans ghost stories tall stories character sketches a piece on the erosion of New York State s natural beauty as well as poems and works of wit and humor *The Statesman's Year-Book* S. Steinberg,2016-12-29 The classic reference work that provides annually updated information on the countries of the world

The Greater City New York 1898 1948 Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Greater City New York 1898 1948 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Greater City New York 1898 1948 has opened up a world of possibilities. Downloading The Greater City New York 1898 1948 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Greater City New York 1898 1948 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Greater City New York 1898 1948. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Greater City New York 1898 1948. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Greater City New York 1898 1948, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Greater City New York 1898 1948 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of

free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About The Greater City New York 1898 1948 Books

1. Where can I buy The Greater City New York 1898 1948 books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
