The Grit Beneath the Glitter Hal Rothman, Mike Davis, 2002 **The Grit Beneath the Glitter** Hal Rothman, Mike Davis, 2002 Casino Women Susan Chandler, Jill B. Jones, 2011-07-28 Based on extended interviews with maids cocktail waitresses cooks laundry workers dealers pit bosses and vice presidents *Casino Women* is a pioneering look at the female face of corporate gaming Everyday Las Vegas Rex J. Rowley, 2013-04-01 Every year more than thirty five million people from all over the world visit Las Vegas only two million call the city home *Everyday Las Vegas* takes a close look at the lives of those who live in a place the rest of the world considers exotic even decadent Using broad research including interviews with more than one hundred Las Vegans Rex Rowley who grew up in Las Vegas examines everyday life in a place that markets itself as an escape from mundane reality Rowley considers such topics as why people move to Las Vegas the nature of their work and personal lives the impact of growth and rapid change and interaction with the overwhelmingly touristic side of the city He also considers the benefits and perils of living in a nonstop twenty four hour city rich in entertainment options and easy access to gambling drugs and other addictions His examination includes the previously unstudied role of neighborhood casinos patronized by locals rather than tourists and the impact that a very mobile population has on schools churches and community life Rowley considers the very different ways people perceive a place as insiders or outsiders a dichotomy that arises when tourism is a mainstay of the local economy His work offers insights into what Las Vegas can teach us about other cities and American culture in general It also contributes to our understanding of how people relate to places and how the personality of a place influences the lives of people who live there *A Reader in Themed and Immersive Spaces* Scott A. Lukas, 2016 Themed spaces have at their foundation an overarching narrative symbolic complex or story that drives the overall context of their spaces Theming in some very unique ways has expanded beyond previous stereotypes and oversimplifications of culture and place to now consider new and often controversial topics themes and storylines Publisher's website **The Themed Space** Scott A. Lukas, 2007-10-07 *The Themed Space Locating Culture Nation and Self* is the first edited collection focused on the significance of the theme space The first section of the text discusses the ways in which theming acts as a form of authenticity Included are articles on the theme park Dollywood the historic Coney Island the uses of theming in Flagstaff Arizona and the Las Vegas Strip Section two considers theming as a reflection of nation and its authors focus on Chinese theme parks and shopping malls the Lost City theme park in South Africa and the Ain Diab resort district in Casablanca The third section of the book illustrates how theming often targets the person whether famous or everyday The authors look at spaces ranging from the Liverpool John Lennon Airport love hotels in Japan and the Houston Texas theme park AstroWorld The final section emphasizes theming as a projection of the mind and psychology The authors focus on behind the scenes tourism at Universal Studios and the Ford Rouge Factory Tour the use of theming in unexpected spaces like Florida themed clinics theming in virtual reality spaces of video games and the social

controversies related to theming in various parts of the world The book includes a comprehensive bibliography on theming and a list of key terms The Themed Space is of great interest to students of all levels and scholars of anthropology urban studies and sociology
