 Jefferson Davis,2015-07-13 Practicing Ministry in the Presence of God presents a new paradigm for church ministry one that
 is based on fundamental truths of the Christian faith such as the Trinity union with Christ and the already presence of the
 Holy Spirit in the church This new paradigm can help busy pastors avoid burnout in the ministry and model Trinitarian New
 Testament patterns of ministry to their people Practicing Ministry in the Presence of God reflects the best of recent New
 Testament scholarship sensitivity to the contexts of globalized postmodern cultures dominated by digital media and practical
 applications for Christian life discipleship worship and mission *The Four Gospels* Archbishop Averky
 (Taushev),2015-08-01 Writing in the tradition of biblical exegetes such as St John Chrysostom and Blessed Theophylact of
 Bulgaria the work of Archbishop Averky Taushev provides a commentary that is firmly grounded in the teaching of the
 Church manifested in its liturgical hymnography and the works of the Holy Fathers Analyzing all four Gospels chronologically
 and simultaneously he allows readers to see the life of Christ as an unfolding narrative in accessible direct language Using
 the best of prerevolutionary Russian sources these writings also remained abreast of developments in Western biblical
 scholarship engaging with it directly and honestly He approaches the Gospels first and foremost not as a literary work of
 antiquity but as the revelation of Jesus Christ as God in the flesh Archbishop Averky s commentaries on the New Testament
 have become standard textbooks in Holy Trinity Orthodox Seminary and have been published in Russia to widespread
 acclaim This present volume is the first translation of these texts into English and it is an indispensable addition to the library
 of every student of the Gospels *The New Testament* Donald A. Hagner,2012-11-15 This capstone work from widely
 respected senior evangelical scholar Donald Hagner offers a substantial introduction to the New Testament Hagner deals
 with the New Testament both historically and theologically employing the framework of salvation history He treats the New
 Testament as a coherent body of texts and stresses the unity of the New Testament without neglecting its variety Although
 the volume covers typical questions of introduction such as author date background and sources it focuses primarily on
 understanding the theological content and meaning of the texts putting students in a position to understand the origins of
 Christianity and its canonical writings Throughout Hagner delivers balanced conclusions in conversation with classic and
 current scholarship The book includes summary tables diagrams maps and extensive bibliographies *Of Heroes and
 Villains* D. Keith Campbell,2013-08-05 Gripping stories whether modern or ancient always include heroes and villains The
 Synoptic Gospels chock full of villains religious leaders and others in pursuit of an emerging hero Jesus are no different
 Drawing first century Jews into their familiar past and beckoning modern readers to join in its appreciation these writers

employ a literary tactic that intensifies this conflict they depict these characters as Old Testament heroes and villains To enter this fascinating intertextual character portrayal this book in building on eighty years of lament studies advances our understanding of the Synoptists s literary and rhetorical use of the Psalmic Lament in relation to other Old Testament motifs to characterize Jesus and his opponents Other contributions made along the way including insights into the Synoptists s literary appropriation of Isaiah s Servant are all geared toward helping us better understand how Matthew Mark and Luke characterize their hero and villains

Scripture and Truth D. A. Carson, John D. Woodbridge, 1992-09-01 From a biblical historical or theological perspective each essay examines a challenge to belief in the integrity and reliability of Scripture What emerges from these essays is a full orbbed restatement of this evangelical doctrine

The Concept of Disciple in Matthew's Gospel, as Reflected in the Use of the Term "Mathetes" Michael J. Wilkins, 2014-04-03
