

The background of the image is a serene landscape. In the foreground, there are dark green, dense evergreen trees. Beyond them, rolling hills covered in lighter green vegetation stretch into the distance. The sky is filled with soft, white and grey clouds, with a warm, golden light suggesting a sunrise or sunset. Andrew J. Spencer

The Goodness Of God:

The Goodness of God John William Wenham, 1974 *The Goodness of God* D. Stephen Long, 2008-01-01 Stephen Long opens his erudite discussion of theology and ethics with the insistence that moral critique must emerge from a particular location rather than from the fluid values of any neutral observer Long sets out to put theology and ethics as well as the church in proper relation to one another Ethics must be based in theology not the other way around Our finite participation in the infinite makes possible participation in a goodness beyond us That goodness comes to us in the flesh of Jesus Christ and the church is indispensable in drawing all people toward God's goodness The church a social ethic in itself gives purpose and order to other social institutions including family government and the market *Sermons of the Rev. C. H. Spurgeon of London* Charles Haddon Spurgeon, 1857 **The Goodness of God** Randy Alcorn, 2010-08-10 For those times when we're wounded by broken trust assaulted by disease or victimized by evil or when we're crushed to see such things happen to people we love Randy Alcorn offers something solid to hold onto God's love In this specially focused condensation of Alcorn's *If God Is Good Faith in the Midst of Suffering and Evil* we're continually guided into a deeper glimpse of God's loving ways and higher purposes the very things we're often most blinded to whenever we battle pain and anguish Alcorn avoids superficial or sentimental responses and instead presses forward boldly to explore all the troubling doubts and questions that agitate within us when we confront suffering and evil The issues are far from simple the answers far from easy but Alcorn shows how the way of suffering a path that Jesus himself followed more than anyone else can ultimately become a journey into wholeness and even logic defying joy **With All the Fullness of God** Jared Ortiz, 2021-01-12 Christians confess that Christ came to save us from sin and death But what did he save us for One beautiful and compelling answer to this question is that God saved us for union with him so that we might become partakers of the divine nature 1 Pet 2:4 what the Christian tradition has called deification This term refers to a particular vision of salvation which claims that God wants to share his own divine life with us uniting us to himself and transforming us into his likeness While often thought to be either a heretical notion or the provenance of Eastern Orthodoxy this book shows that deification is an integral part of Catholicism Orthodoxy and many Protestant denominations Drawing on the resources of their own Christian heritages eleven scholars share the riches of their respective traditions on the doctrine of deification In this book scholars and pastor scholars from diverse Christian expressions write for both a scholarly and lay audience about what God created us to be adopted children of God who are called even now to be filled with all the fullness of God Eph 3:19 *Discourses Upon the Existence and Attributes of God* Stephen Charnock, 1840 *God* Christoph Schwöbel, 1992 Peeters 1992 *The Evangelical Repository*, 1843 *Discourses Upon the Existence and Attributes of God* Stephen Charnock, 2025-07-30 Reprint of the original first published in 1840 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage *What the*
