

GOSPEL OF JESUS CHRIST

God

The Bible states that God created everything including us. He has authority to tell us how to live. Sin is the rejection of God's authority over us. God is loving, and he is righteous. Therefore, God cannot ignore sin and leave the guilty unpunished.

Man

Man rejects God and is guilty of sin. Since Adam, sin has corrupted every part of our human existence. Our entire being is under sin's power. The penalty of sin is physical and spiritual death. Our final destiny is eternal, active judgment in hell.

Christ

Jesus is truly God and man. He came to die on the cross as a substitute for his people and to pay sin's penalty. Jesus rose from the dead, assuring us that God's wrath is satisfied. Sinners can be freed from sin's power and reconciled with God.

Response

We must repent from sin and trust in Jesus alone to save us from sin and the coming judgment. When we believe in Jesus, all our sin is placed on Jesus, and the perfect life Jesus lived is credited to us. We are saved by grace alone through faith alone.

The Gospel According To Jesus Christ:

The Gospel According to Christ Mark A. Stelter, 2011-11-14 Christianity is in crisis We live in a time when millions of people profoundly misunderstand the message of the Gospel They believe that being a Christian means little more than being a nice person They view Jesus as a wise moral teacher who showed us how to live better lives and they conclude that the love of humanity is our greatest cause and its progress our primary purpose Whatever else may be said of this view of Christianity it is certainly not what Jesus taught It is an attempt to replace the concepts of sin redemption and salvation with the more socially acceptable virtues of tolerance compassion and social progress It elevates humanity and the world above God and his kingdom and reduces Jesus to a mere moral philosopher But who did Jesus say he was What was the essential message of Christ The Gospel According to Christ answers those questions by examining the words of Jesus in their context and in their entirety The answers will be shocking to many Christians

The Gospel according to God John MacArthur, 2018-02-20 He was pierced for our transgressions he was crushed for our iniquities upon him was the chastisement that brought us peace and with his wounds we are healed Isaiah 53 5 Often hailed as one of the greatest chapters in the Bible the prophecy of the suffering servant in Isaiah 53 foretells the crucifixion of Jesus the central event in God's ultimate plan to redeem the world This book explains the prophetic words of Isaiah 53 verse by verse highlighting important connections to the history of Israel and to the New Testament ultimately showing us how this ancient prophecy illuminates essential truths that undergird our lives today

The Gospel According to Jesus Chris Seay, 2010-09-27 Most Christians are living a distorted Christian life You don't have to be one of them Imagine a church where 84% of Christians are completely unfamiliar with the essential tenets of their faith with a crippling misunderstanding of the word righteousness and in turn the gospel of Jesus According to a recent survey conducted by Chris Seay and Barna Research Group this is not just speculation it's the reality for the church today The Gospel According to Jesus takes an in depth look at this research study which examines our understanding of the command Seek first the kingdom and His righteousness Most Christians define righteousness as morality This means that what's being preached by the church is not at all the gospel Jesus intended for His followers Through personal stories interviews with today's church leaders and a detailed study of the book of Romans Chris uncovers a staggering disconnect between the gospel according to Christians and the gospel according to Jesus the redeeming restorative gospel that a broken world so desperately needs Our role he says is to join Jesus in restoring the world Will you

The Gospel of John R. Jackson Painter, 2010-12-03 Part of the genius of the Gospel of John comes from how the author infuses the gospel message into every part of the Gospel In *The Gospel of John A Thematic Approach* Jackson Painter investigates John's literary theological strategy by identifying seven key themes and showing the reader how to detect them in any portion of the Gospel as well as how to see the themes interacting with one another to create John's distinct theological message about Jesus Christ the Son of God The author gives numerous examples of the elements and motifs that comprise the themes and

presents three studies that illustrate how the themes interact Students of the Gospel of John will come away with a newfound ability to understand and interpret the Gospel of John

The Gospel of Jesus Christ Paul Washer, 2016-12-15 Paul Washer escorts readers through a biblical overview of the good news about Jesus Presenting passage after passage from the Bible Washer describes the holy character of God the human problem of sin and the divine solution found in Jesus's redemptive life death and resurrection for all who repent and believe If you are interested in knowing the basic claims of the gospel or know someone exploring the truths of Christ this succinct treatment of the greatest news the world has ever heard is just what you need

The Gospel of Jesus Christ Walter Kasper, 2015 [The Gospel of Jesus Christ](#) Kevin M. Kreie, 2018-01-31 The life ministry death and resurrection of Jesus Christ are documented in the first four books of the New Testament known as the Gospels according to Matthew Mark Luke and John Each of these authors share the story of Jesus Christ in their own way Some of the events are recorded in one more than one or all of the gospels Likewise some of the parts of a certain event are documented in one gospel while other parts of the same event are documented in another gospel None of the gospels by themselves give a complete picture This book integrated the four gospels in its entirety to give the reader a complete picture It compiled all the scriptures integrated them together by event and put them in a single narrative

The Gospel of Matthew Scott Hahn, Curtis Mitch, Dennis Walters, 2000 Features fresh insights and inspiring commentary on the Gospel of Matthew Concordance Numerous study tools Topical essays Word studies Charts Maps 81 pp

The Gospel of the Christ Thomas Lewis Stegall, 2009-07 The Gospel of the Christ is a clear biblical reply to the question of what a person must believe about Jesus Christ to possess eternal life While Christianity has historically maintained that faith in Jesus Christ is essential for everlasting life this raises the vital question what is the necessary content of this faith Written against the backdrop of the controversy within Free Grace circles over the crossless gospel and the contents of saving faith Thomas Stegall goes well beyond a carefully documented analysis of his own movement The Gospel of the Christ provides a systematic exegetically based treatment of biblical teaching on the subject of the gospel and the meaning of the title the Christ The end result is a comprehensive biblical and theological study of Jesus Christ's person and work in the contents of saving faith

The Gospel of God Charles Cooper, 2024-09-20 For many Christians the Gospel of Christ and the Gospel of God are assumed to refer to the same thing It is believed that the death burial and resurrection of Jesus Christ for the forgiveness of sins is the direct reference The failure to recognize the difference between the Gospel of God and the Gospel of Jesus Christ is the single most critical cause of the rise of Arminianism and Lordship Salvation Not understanding the difference between the Gospel of God and the Gospel of Christ creates tension between the relationship of works and obtaining the righteousness of God by faith Those who emphasize a more significant role of works in salvation will either err in the direction of Arminianism or Lordship Salvation The loss of the distinction between the Gospel of God and the Gospel of Christ gave rise to Arminianism and Lordship Salvation of MacArthur as each attempts to reconcile the relationship between works and salvation Much like the

Church did not universally preach salvation by faith alone before Martin Luther's crusade to free the gospel of Christ the Gospel of God has not been preached since the apostles of Jesus Christ Martin Luther failed to see a difference and subsequent generations have continued to do the same The gospel of God concerns the Kingdom of God This is the first sermon Jesus preached A close examination of the synoptic gospels reveals that this is the primary message of Jesus Christ for approximately the first three years of his ministry Most New Testament scholars recognize the good news of the kingdom of God as the core message of Jesus Christ However that's where the consensus ends What exactly is this message that is not understood The good news of the kingdom of God is the Father's message to men and women of his intent to grant his Son Jesus Christ sovereign dominion over this earth and those who earn the right to join him The focus is not on territory but on sovereign or royal rule The Kingdom of God refers to the administration God the Father will establish to rule over the earth after the return of the anointed king Inclusion in the cabinet of the sovereign administration of God must be earned One does not gain the right to reign as a king by believing in Jesus The New Testament lists no less than five possible ways to earn the right or privilege to sit on the Lord's throne with him as Jesus won the right to sit on his Father's throne Revelation 2:26-27 states The one who conquers and who keeps my works until the end to him I will give authority over the nations and he will rule them with a rod of iron as when earthen pots are broken in pieces even as I myself have received authority from my Father Likewise Revelation 3:21 declares The one who conquers I will grant him to sit with me on my throne as I also conquered and sat down with my Father on his throne In both cases the conditionality is strong Jesus earned the right to reign Sadly many have assumed that salvation alone makes one a conqueror in sanctification Recognizing the difference between the Gospel of God and the Gospel of Christ makes it possible to understand the difference between a conqueror in salvation and a conqueror in sanctification The Gospel of God is works oriented while the Gospel of Christ is faith oriented Recognition of this difference resolves many difficult passages in the New Testament that some interpret as works salvation The faithful will earn the Kingdom of God due to their pure devotion to Jesus Christ during their time on earth Failure to see inclusion in the Kingdom of God as a reward leads to exegetical error Arminianism and Lordship Salvation are children of this error
