The Gospel of the Hereafter J. Paterson-Smyth,2008-12-01 *The Gospel of the Hereafter* J. Patterson Smyth B.d.,2016-05-02 The Lord is risen but the people do not know it There is no death but the people do not believe it Human life is the most exciting romantic adventure in the Universe going on stage after stage till we are older than Methuselah and then on again through the infinite eternities and yet men pass into the Unseen as stupidly as the caterpillar on the cabbage leaf without curiosity or joy or wonder or excitement at the boundless career ahead Instead of the thrill of coming adventure we have the dull grey monotony of aged lives drawing near the close and the horror of this war is doubled and the torture of wife or mother as the beloved one crosses the barrier What is the matter with us Christian people Do we not know Or have we lost our beliefs or has imagination grown dulled by too frequent repetition of God s good news It was so different in early days when the world was younger when Christ s revelation was fresh Look at St John four score years and ten like an eager boy looking into the Great Adventure Beloved now are we the sons of God and IT DOTHT NOT YET APPEAR WHAT WE SHALL BE

The Gospel of the Hereafter J. Paterson Smyth,2017-05-17 IS IT MY BODY Nay surely not I know that my body is only my outward garment woven by me out of certain chemical substances In a scientific museum I can stand before a glass case and see neatly labelled the exact portions of lime and silica and iron and water and other elements which compose my body I know that this body is continually changing its substance like the rainbow in the sky like the eddy round a stone in the river The body I have to day is no more the body of last year than the fire on my hearth to night is the fire that was there this morning I have had a dozen different bodies since I was born but I am the same still Every thinking man knows that the I the real self stands behind the body looking out through the windows of the eyes receiving messages through the portals of the ears It rules the body it possesses the body It says I have a body This body is a thing belonging to me *The Gospel of the Hereafter (Classic Reprint)* J.
