

The Grand Strategy Of The United States In Latin America

G. Pope Atkins

The Grand Strategy Of The United States In Latin America:

The Grand Strategy of the United States in Latin America Tom J. Farer, In this collection of essays Tom Farer examines critically the stand taken by U S foreign policy makers on such issues as right and left wing dictatorships revolution human rights and national autonomy In this fascinating manner focusing sharp observations at times with polemical intent Farer scrutinizes the key assumptions including the Soviet or revolutionary threat which have guided American foreign policy for Latin America since the end of World War II One central conviction is that changes in regimes rarely have objective significance for U S strategic interests properly conceived Farer describes the grand strategy of the United States in Latin America he sees very much the same strategic assumptions guiding U S policy throughout the Third World as unrealistic and misguided in terms both of U S interests and ideals He argues that America has over the years maneuvered itself into political legal and moral dilemmas by disregarding or misunderstanding the internal dynamics of Latin American countries and their implications for U S interests and by seeing dangerous and irremedial hostility in all revolutionary movements Against this tradition in U S policy Farer advocates tactics and strategies he deems more consonant with the proper goals of U S policy and with Latin American needs and aspirations His essays combine a sophisticated analysis of Latin American society with assessment of U S policy from legal moral and strategic perspectives

The Grand Strategy of the United States in Latin America Tom J. Farer, 1988 In this collection of essays Tom Farer examines critically the stand taken by U S foreign policy makers on such issues as right and left wing dictatorships revolution human rights and national autonomy In this fascinating manner focusing sharp observations at times with polemical intent Farer scrutinizes the key assumptions including the Soviet or revolutionary threat which have guided American foreign policy for Latin America since the end of World War II One central conviction is that changes in regimes rarely have objective significance for U S strategic interests properly conceived Farer describes the grand strategy of the United States in Latin America he sees very much the same strategic assumptions guiding U S policy throughout the Third World as unrealistic and misguided in terms both of U S interests and ideals He argues that America has over the years maneuvered itself into political legal and moral dilemmas by disregarding or misunderstanding the internal dynamics of Latin American countries and their implications for U S interests and by seeing dangerous and irremedial hostility in all revolutionary movements Against this tradition in U S policy Farer advocates tactics and strategies he deems more consonant with the proper goals of U S policy and with Latin American needs and aspirations His essays combine a sophisticated analysis of Latin American society with assessment of U S policy from legal moral and strategic perspectives

[American Grand Strategy for Latin America in the Age of Resentment](#) Gabriel Marcella, 2011-05-05 The fear that extra hemispheric powers would strategically deny Latin America as a friend of the United States has animated American statesmen since the 19th century Such fear certainly pervaded the Cold war competition Today the challenge to the security and well being of Latin America is neither ideological nor military nor external Strategic

denial is more likely to come about from a highly combustible blend of poverty crime despair corruption resentment and antidemocratic sentiments that promise a vague 21st century socialism under new authoritarian clothing The sentiments are sinking deep roots in the sociopolitical landscape and they are profoundly anti American This witch s brew is presently best understood in the case of the Andean countries particularly Bolivia Ecuador Colombia and Venezuela They along with Peru are experiencing a crisis of democratic legitimacy authority and governance The crisis in the Andean countries applies to much of Latin America The problem is compounded by the prevalence of weak state systems that are incapable of providing security justice and the benefits of democratic governance to the maximum number of people The roots of the weak state syndrome are to be found in the persisting dualism of the formal state populated by the haves and the informal state populated by the have nots The two states are socio spatially separated from each other The 40 percent of the population that inhabits the informal state must be productively integrated into the formal state and into the global economy or Latin America will continue to face crises of authority governance and legitimacy The United States is the only power that can move Latin America in the right direction Good things usually happen when the United States fully directs its attention toward Latin America Accordingly a new American grand strategy for Latin America is imperative It must address simultaneously two challenges strengthening the effectiveness of the democratic state and enhancing the security and dignity of the socially excluded Such strategy requires vision and new ways of thinking about holistic security The unpleasant alternative for the hemispheric community will be poor security partners sitting atop a cauldron of accumulating resentment

American Grand Strategy for Latin America in the Age of Resentment ,2007 The fear that extra hemispheric powers would strategically deny Latin America as a friend of the United States has animated American statesmen since the 19th century Such fear certainly pervaded the Cold war competition Today the challenge to the security and well being of Latin America is neither ideological military nor external Strategic denial is more likely to come about from a highly combustible blend of poverty crime despair corruption resentment and antidemocratic sentiments that promise a vague 21st century socialism under new authoritarian clothing The sentiments are sinking deep roots in the sociopolitical landscape and they are profoundly anti American This witch s brew is presently best understood in the case of the Andean countries particularly Bolivia Ecuador Colombia and Venezuela They along with Peru are experiencing a crisis of democratic legitimacy authority and governance The crisis in the Andean countries applies to much of Latin America The problem is compounded by the prevalence of weak state systems that are incapable of providing security justice and the benefits of democratic governance to the maximum number of people The roots of the weak state syndrome are to be found in the persisting dualism of the formal state populated by the haves and the informal state populated by the have nots The two states are socio spatially separated from each other The 40 percent of the population that inhabits the informal state must be productively integrated into the formal state and into the global economy or Latin America will continue to face crises of authority

governance and legitimacy The United States is the only power that can move Latin America in the right direction Accordingly a new American grand strategy for Latin America is imperative It must address simultaneously two challenges strengthening the effectiveness of the democratic state and enhancing the security and dignity of the socially excluded

Handbook Of Research On The International Relations Of Latin America And The Caribbean G. Pope

Atkins,2018-02-12 The study of Latin American and Caribbean international relations has a long evolution both within the development of international relations as a general academic undertaking and in terms of the particular characteristics that distinguish the approaches taken by scholars in the field This handbook provides a thorough multidisciplinary reference guide to the literature on the various elements of the international relations of Latin America and the Caribbean Citing over 1600 sources that date from the nineteenth century to the present with emphasis on recent decades the volume s analytic essays trace the evolution of research in terms of concepts issues and themes The Handbook is a companion volume to Atkins Latin America and the Caribbean in the International System Fourth Edition but also serves as an invaluable stand alone reference volume for students scholars researchers journalists and practitioners both official and private *America and the Americas* Lester D. Langley,2010 In this completely revised and updated edition of *America and the Americas* Lester D Langley covers the long period from the colonial era into the twenty first century providing an interpretive introduction to the history of U S relations with Latin America the Caribbean and Canada Langley draws on the other books in the series to provide a more richly detailed and informed account of the role and place of the United States in the hemisphere In the process he explains how the United States in appropriating the values and symbolism identified with America has attained a special place in the minds and estimation of other hemispheric peoples Discussing the formal structures and diplomatic postures underlying U S policy making Langley examines the political economic and cultural currents that often have frustrated inter American progress and accord Most important the greater attention given to U S relations with Canada in this edition provides a broader and deeper understanding of the often controversial role of the nation in the hemisphere and particularly in North America Commencing with the French British struggle for supremacy in North America in the French and Indian War Langley frames the story of the American experience in the Western Hemisphere through four distinct eras In the first era from the 1760s to the 1860s the fundamental character of U S policy in the hemisphere and American values about other nations and peoples of the Americas took form In the second era from the 1870s to the 1930s the United States fashioned a continental and then a Caribbean empire From the mid 1930s to the early 1960s the paramount issues of the inter American experience related to the global crisis In the final part of the book Langley details the efforts of the United States to carry out its political and economic agenda in the hemisphere from the early 1960s to the onset of the twenty first century only to be frustrated by governments determined to follow an independent course Over more than 250 years of encounter however the peoples of the Americas have created human bonds and cultural exchanges that stand in sharp

contrast to the formal and often conflictive hemisphere crafted by governments

Latin America And The Caribbean In The International System G. Pope Atkins, 2018-02-06 The fourth edition of this widely praised text has been thoroughly revised to reflect the evolving characteristics of the current international system that have had a dramatic effect on every aspect of international relations of Latin America and the Caribbean The original purpose of this book is unchanged It continues to provide a topically current and analytically integrated survey of the region's role in the world Still organized around the idea of Latin America and the Caribbean as a separate subsystem within the global international system the discussion gives special emphasis to complex interstate and transnational structures and processes Within this framework Atkins analyzes the foreign policies of the Latin American states themselves and those of the United States and other countries toward Latin America and the Caribbean He also looks closely at the nature and role of transnational actors in the region such as the multinational corporations the Holy See Protestant Churches transnational political parties international labor nongovernmental organizations and others He gives special attention to Latin American participation in international institutions at all levels

Neighborly Adversaries Michael J. LaRosa, Frank O. Mora, 2007 Providing a balanced and interdisciplinary interpretation this comprehensive reader traces the troubled U S Latin American relationship from the beginning of the nineteenth century to the post 9 11 period Thoroughly revised and updated the second edition includes original essays on critical issues such as immigration and the environment In addition a new section helps students understand the most important themes and topics that unify and divide the United States and Latin American nations today The readings are framed by the editors opening chapter on the history of the relationship part introductions and abstracts for each selection Methodologically interdisciplinary yet comparative and historical in organization and structure this collection will benefit students and specialists of Latin America's complex historical social and political relationship with its northern neighbor

American Grand Strategy for Latin America in the Age of Resentment Gabriel Marcella, 2007 A healthy Latin America is of critical value to the United States as a global power It is besieged by a powerful force of resentment engendered by a combination of weak states social exclusion criminal violence and corruption In the context of attack by radical populism against democratic values the United States needs a new grand strategy that addresses the causes rather than the symptoms of the malaise The author argues that such a strategy must strengthen the effectiveness of the democratic state in providing security justice and governance as well as effectively engender a linkage of the 40 percent of the population presently excluded from the social and economic benefits of democracy to the national and international economy Unless current trends reverse Latin American countries will be poor security partners and a continuing menace for international security The author recommends imaginative courses of action for the grand strategy

The United States and Latin America in the 1990s Jonathan Hartlyn, Lars Schoultz, Augusto Varas, 2014-03-30 A comprehensive examination of both unresolved tensions in inter American relations and the specific problems facing U S and Latin American policymakers in the

1990s American Political Science Review These well integrated essays analyze the key issues in contemporary inter American relations very clearly The authors address their themes with subtlety and insight in this first overall assessment of North South relations in the Western Hemisphere during the post Cold War period Christopher Mitchell New York University A superb contribution At a time when U S Latin American relations face a critical turning point policymakers would benefit from a careful reading of this fine book Eduardo A Gamarra Florida International University

The Grand Strategy Of The United States In Latin America Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project

Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading The Grand Strategy Of The United States In Latin America free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading The Grand Strategy Of The United States In Latin America free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading The Grand Strategy Of The United States In Latin America free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading The Grand Strategy Of The United States In Latin America. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading The Grand Strategy Of The United States In Latin America any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About The Grand Strategy Of The United States In Latin America Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Grand Strategy Of The United States In Latin America is one of the best book in our library for free trial. We provide copy of The Grand Strategy Of The United States In Latin America in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Grand Strategy Of The United States In Latin America. Where to download The Grand Strategy Of The United States In Latin America online for free? Are you looking for The Grand Strategy Of The United States In Latin America PDF? This is definitely going to save you time and cash in something you should think about.
