The Great American Sapphire:

The Great American Sapphire Stephen M. Voynick,1985 **Yogo** Stephen M. Voynick,1987 To the surprise of many the United States has emerged as a commercial source of what some gem experts consider the world's finest sapphire Equally surprising is that the entire production of the gem comes from a little known Montana mine named Yogo whi *Yankees & Rebels on the Upper Missouri: Steamboats, Gold and Peace* Ken Robison,2016 During the 1860s the Missouri River served as a natural highway through snags and rapids from St Louis to Fort Benton for steamboats bringing Yankees and Rebels and their families to the remote Montana territory The migration transformed the Upper Missouri region from the isolation of the fur trade era to the raucous gold rush days that would keep the region in turmoil for decades The influx of newcomers involved its share of dramatic episodes including the explosion of the Chippewa triggered by a drunken crew member the mystery of the fugitive James Younger gang and Colonel Everton Conger's journey from capturing John Wilkes Booth to the Montana Supreme Court Acclaimed historian Ken Robison reveals the thrilling history behind this war weary wave of migration seeking opportunity on Montana's wild and scenic frontier **Rockhounding Montana** Montana Hodges,Robert Feldman,2006-08 A complete guide to popular collecting sites in Montana and source book brimming with advice on collecting and preparing gems and minerals *Paradise of the Pacific* ,1922 **Gemstones of North America** John Sinkankas,1959 **Great American Hypocrites** Glenn Greenwald,2008-04-15 A takedown of the GOP's deceitful propaganda machine from the blogger of Salon's Unclaimed Territory and the author of the New York Times bestsellers *How Would a Patriot Act* and *A Tragic Legacy* Ever since the cowboy image of Ronald Reagan was sold to Americans the Republican Party has used the same John Wayne imagery to support its candidates and take elections We all know how they govern but the right wing propaganda machine is very adept at hijacking debate and marketing their candidates as effectively as the Marlboro Man For example Myth The Republican nominee is an upstanding regular guy who shares the values of the common man Reality He divorced his first wife in order to marry a young multimillionaire heiress whose family then funded his political career Myth Republicans are strong on defense and will keep us safe Reality They prey on fears and their endless wars make America far less secure Myth Republicans are the party of fiscal restraint and small limited government Reality Soaring deficits unchecked presidential power and an increasingly invasive surveillance state are par for the course The first book to dissect the Republican Cult of Personality and leave it openly exposed in its unabashed shameful depravity *Great American Hypocrites* is a deeply necessary call out to Democrats to attack the GOP with their competitor's very own weapons Praise for *Great American Hypocrites* Intelligent insightful Daily Kos Glenn Greenwald has done it again Alan Colmes Glenn Greenwald is a treasure BuzzFlash **The Mineral Industry** ,1911 *Mining and Engineering World* ,1908 The Coming Man from Canton Chris W. Merritt,2017 In *The Coming Man from Canton* Christopher W Merritt mines the historical and archaeological record of the Chinese immigrant experience in Montana to explore new questions and

perspectives During the 1860s Chinese immigrants arrived by the thousands moving into the Rocky Mountain West and tenaciously searching for prosperity in the face of resistance restriction racism and armed hostility from virtually every ethnic group in American society As second class citizens Chinese immigrants remained largely insular and formed their own internal governments as well as labor and trade networks typically establishing communities apart from the main towns Chinese miners launderers restaurant keepers gardeners railroad laborers and other workers became a separate but integral part of the American experience in the Intermountain West Although Chinese immigrants constituted more than 10 percent of the Montana Territory s total population by 1870 the historical records provide a biased and narrow perspective as they were generally written by European American community members Merritt uses the statewide Montana context to show the diversity of Chinese settlements that has often been neglected by archival studies His research highlights how the legacy of the Chinese in Montana is or is not reflected in modern Montana identity and how scholars educators professionals and the public can alter the existing perception of this population as the other and perceive it instead an integral part of Montana s past
