337 - *International Representation and Promotion of Wales by UK Bodies* Great Britain. Parliament. House of Commons.

Welsh Affairs Committee, 2014 This report calls on VisitBritain and Visit Wales to jointly develop by February 2015 a coherent strategy for promoting Wales as a first choice destination for international visitors to the UK While the current number of international tourists to Wales remains below pre 2006 levels there is substantial potential for growth in Wales tourism market Wales has some of the most spectacular landscape in Britain and Europe a unique culture language and history dynamic cities and offers a range of activities and a high quality of life Wales potential as a tourist destination is being undersold and there is concern that Wales still has a low profile overseas compared to other parts of the UK The tourism bodies Wales need to grasp this opportunity and maximise Wales potential as a destination UKTI should be mandated to begin to address the great disparities in wealth and investment across the UK and the Committee calls for a dedicated Welsh trade promotion agency to drive inward investment into Wales Wales has masses of unfulfilled potential for increasing tourism The responsible agencies in Cardiff and London and the respective Ministers need to work together more to maximise opportunities *Wargaming Campaigns* Henry Hyde, 2022-07-20 An authoritative reference guide to building

wargaming campaigns featuring a full set of campaign rules tips on creating maps and more Most miniature wargames take the form of simulating a single battle with the opponents either winning or losing and that s that until the next game Such games can be a fun test of tactical skill but it can be even more rewarding if they form part of a wider campaign In a campaign the players commanding the forces have to make the decisions at the strategic level that determine the context of any battles that occur The outcome of these battles will in turn have strategic consequences for the ongoing campaign Although campaigns can be very rewarding many wargamers are deterred by the need to produce maps and devise mechanisms for strategic movement Intelligence logistics recruiting reinforcements keeping track of casualties etc Henry Hyde s excellent book greatly eases this task with masses of sound advice concrete suggestions and even a full set of campaign rules useful for any period Whatever historical or fantasy setting you prefer Henry shows that even simple campaigns can add extra fun to your gaming Praise for *Wargaming Campaigns* This big thick tome contains everything you d ever want to know about creating and running a wargame campaign Historical Miniatures Gaming Society **A Civilian in**

a vivid picture of army life in Manila the sights the smells and his responses to the native culture In addition to his letters his diary and several related articles present a firsthand account of the historic voyage of the United States Army Transport Grant through the Suez Canal to Manila in early 1899 Carter s writings not only tell of his sometimes harrowing experiences but also reveal the aspirations and fears of a young man not quite sure of his next steps on life s journey Carter s father Robert Goldthwaite Carter was a war hero and a longtime friend of Maj Gen Henry W Lawton Carter obtained his position through Lawton s influence and his respect for Lawton is clear throughout his writings A frequent guest in the Lawton home the young clerk was introduced to many notable figures both military and civilian Carter s letters particularly to his father are full of news and gossip related to his commander In other letters he reveals the kindness and generosity of Mrs Lawton who took time to look out for Carter while he was in the hospital and often loaned him books This well researched and expertly edited work casts light on the role of support troops in war a subject too often minimized or ignored Shay begins each chapter with an introduction that establishes the setting the context of events and the disposition of Carter and his compatriots and provides notes and commentary to place the letters in context By choosing not to edit the offensive expletives of a sometimes arrogant and racist young man Shay presents a fully nuanced portrait of a young American exploring the larger world in a time of turmoil Enhanced by photographs from collections at the Library of Congress and the Military History Institute as well as many of Carter s own whimsical drawings the book will appeal to armchair historians and scholars alike

Jackson's Valley Campaign David G. Martin,G Martin,2007-10-02 In a few short months in the Shenandoah Valley Stonewall Jackson rewrote military history Accompanied by George Patton s great uncle and a staff of able subordinates the Bible quoting general used his own unique view of past military doctrine to defeat a series of converging enemy armies American military strategy has never been the same since Jackson s aggressive personality enabled him to constantly maintain the initiative While cloaking his own operations in tight security he was often able to discern the aims of his opponent Frequently outnumbered he managed to keep enemy units separated and to defeat them in detail Jackson was able to coordinate infantry cavalry and artillery operations and was particularly successful in turning the normally slow moving infantry into an effective mobile strike force Jackson s Valley Campaign is supplemented by sidebars on famous units weapons incidents and in depth personality profiles of Jackson and his opponents Complete orders of battle and special maps that clearly illustrate Jackson s operational doctrine are enhanced by unique charts that show the distances and rates of march of Jackson s foot cavalry between all major points in the Shenandoah Valley In the long awaited revision of his out of print classic the author describes Jackson s war of maneuver and the tactical ideas it represented without losing sight of the individuals and units on both sides who tested military theory with their lives John C Fr mont Napoleon Banks Turner Ashby Belle Boyd the Louisiana Tigers Blenker s German Division and the Stonewall Brigade all live again in this colorful but thoughtfully written account
