**The Lost Teachings of the Cathars** Andrew Phillip Smith, 2015-11-24 A deep dive into the history culture and legacy of the medieval Christian dualist movement Catharism as seen in popular novels by Dan Brown and Kate Mosse Centuries after the brutal slaughter of the Cathars by papally endorsed Northern French forces and their suppression by the Inquisition the medieval Cathars continue to exert a powerful influence on both popular culture and spiritual seekers Yet few people know anything of the beliefs of the Cathars beyond vague notions that they believed in reincarnation were vegetarians were somehow Gnostic and had some relation to Mary Magdalene The Lost Teachings of the Cathars explores the history of this Christian dualist movement between the twelfth and fourteenth centuries offering a sympathetic yet critical examination of its beliefs and practices In addition to investigating the Cathars origin their relationship to Gnosticism and their possible survival of the Inquisition author Andrew Philip Smith also addresses theories and figures from the Cathars recent past Eccentric esotericists initiated a neo Cathar revival in the Languedoc which inspired the philosopher Simone Weil The German Otto Rahn the real life Indiana Jones believed that the Cathars were protectors of the Holy Grail and received support from Heinrich Himmler Meanwhile English psychiatrist Arthur Guirdham became convinced that he and a circle of patients had all been Cathars in previous lives Tourists flock to the Languedoc to visit Cathar country Bestsellers such as Kate Mosse timeslip novel Labyrinth continue to fascinate readers But what did the Cathars really believe and practice

*Cathars* Sean Martin, 2012-02-03 Catharism was the most successful heresy of the Middle Ages Flourishing principally in the Languedoc and Italy the Cathars taught that the world is evil and must be transcended through a simple life of prayer work fasting and non violence They believed themselves to be the heirs of the true heritage of Christianity going back to apostolic times and completely rejected the Catholic Church and all its trappings regarding it as the Church of Satan Cathar services and ceremonies by contrast were held in fields barns and in people s homes Finding support from the nobility in the fractious political situation in southern France the Cathars also found widespread popularity among peasants and artisans And unlike the Church the Cathars respected women they played a major role in the movement Alarmed at the success of Catharism the Church founded the Inquisition and launched the Albigensian Crusade to exterminate the heresy While previous Crusades had been directed against Muslims in the Middle East the Albigensian Crusade was the first Crusade to be directed against fellow Christians and was also the first European genocide With the fall of the Cathar fortress of Montségur in 1244 Catharism was largely obliterated although the faith survived into the early fourteenth century Today the mystique surrounding the Cathars is as strong as ever and Sean Martin recounts their story and the myths associated with them in this lively and gripping book
