The Great Ideas Today 1970:

The Great Ideas Today, 1970 Robert Maynard Hutchins, Mortimer Jerome Adler, 1970 **The Great Ideas Today, 1972**, 1972 **The great ideas today. 1993** [Anonymus AC01257279], 1993 The Great Ideas Today Robert Maynard Hutchins, 1970 Contemporary Perspectives on Rhetoric Sonja K. Foss, Karen A. Foss, Robert Trapp, 2014-04-04 The anniversary edition marks thirty years of offering an indispensable review and analysis of thinkers who have exerted a profound influence on contemporary rhetorical theory I A Richards Ernesto Grassi Cha m Perelman and Lucie Olbrechts Tyteca Stephen Toulmin Richard Weaver Kenneth Burke J rgen Habermas bell hooks Jean Baudrillard and Michel Foucault The brief biographical sketches locate the theorists in time and place showing how life experiences influenced perspectives on rhetorical thought The concise explanations of complex concepts are clear engaging insightful and highly accessible serving as an excellent primer for reading the major works of these scholars The critical commentary is carefully chosen to highlight implications and to place the theories within a broader rhetorical context Each chapter ends with a complete bibliography of works by the theorists **Evolution-Revolution** Ervin Laszlo, Rubin Goetsky, 2019-07-18 Originally published in 1971 Evolution Revolution is an interdisciplinary volume examining inquiry around the central topic of evolution and revolution Containing contributions from a number of eminent academics of the time the book addresses the meaning and application of evolution and revolution in the context not of what things are or even how they behave but how they become The broad interdisciplinary range of essays explores this concept through the idea of development and change and argues that both change and development must be measured against concepts of flux and that which endures The editors of the book suggest that these are the invariants which contemporary thinkers are beginning to accept as the process counterparts of Platonic immutables Thus this volume examines the two immutables of evolution and revolution The book covers the concept through essays in science philosophic concepts of rationalism and existentialism art and religion

Jeremiah Jack R. Lundbom, 1997-01-01 Originally presented as the author s thesis Graduate Theological Union Berkeley 1973 **Practical Reasoning in Human Affairs** J. L. Golden, J. J. Pilotta, 2012-12-06 This anthology of original essays has been nearly two and one half years in the making and reflects the generous effort of many persons To begin with we thank the contributors to the volume who not only cooperated with regards to their own works but who also provided valuable advice concerning the over all volume One of the contributors was outstanding in his assistance and warrants special mention we thank Professor Michel Meyer for his encouragement counsel and dedication to see this project to completion We would also like to thank Professor Jaakko Hintikka for his encouragement and Mrs Kuipers of Reidel for her patience and understanding along the way A project such as this could never have been completed without the unique assistance of members of the Department of Communication Ohio State University Ms Kimberly Pasi and Mr Charles Mawhirtcr Also special thanks are due to our graduate research assistant Ms Susan Jasko for her proofreading and bibliographic work The

pressures of developing a Festschrift are considerable and could not have been met without the cooperation and enthusiasm of Mrs Perelman especially in allowing us to publish Professor Perelman's address to Ohio State University as our introduction *Black Men from behind the Veil* George Yancy, 2022-01-14 The Black male scholars within this important book are painfully aware that the brutal murder of George Floyd was not due to a few bad apples They understand that they are perceived as threats and criminals within a distorted white imaginary that is embedded with processes of mythopoetic construction racial capitalism and a deep anti Black male social ontology Edited by prominent philosopher George Yancy *Black Men from behind the Veil* Ontological Interrogations emphasizes the importance of Black male epistemic agency and the courage to speak the truth regarding an America that values Black male life on the cheap and that attempts to control the movement of Black men their capacity to breathe and their being through anti Black technologies of surveillance confinement policing and white nation building There is no single monolithic Black male voice that dominates this crucial and necessary text Each voice speaks of pain behind the Veil revealing narrative specificity and an important recursive truth Black men within the white American psyche are both necessary and yet disposable The existential and sociohistorical weight of this truth is made painfully clear through the voices of these Black men **Perelman's New Rhetoric as Philosophy and Methodology for the Next Century** M. Maneli, 2013-03-14 Both Perelman's collaborators Professors Haarscher and Ingber shared with me their deep personal insights about origins birth and phases of the development of the New Rhetoric Without their good will advice and creative comments my personal knowledge would have been narrower I am grateful to the Chaim Perelman Foundation for their grant which enabled me to cover my expenses of collecting materials editing and preparing the manuscript Professor Michel Meyer was very instrumental in the negotiations with the publisher Mr Raphael Lipski treasurer of the Perelman Foundation spent many hours with me and shared his remembrances of Perelman's personality his social and political activity I owe special thanks to Dr Richard Kramer whose friendship I cherish for a quarter of a century He read and edited not only the entire text of the book but he offered many critical remarks and constructive suggestions which helped me to revise my own ideas and to formulate them more clearly and precisely The first critical reader and editor was as usual Mrs Elizabeth Previti Professor Elzbieta Ettinger Chodakowska MIT read this entire manuscript and shared with me her impressions I owe special gratitude to my dear friend Mrs Stephanie Silvers for her steady help and moral support Needless to say I am solely responsible for all the deficiencies of this book
