Sandy Berger's Great Age Guide to the Internet Sandy Berger, 2006 Covers such topics as Internet connections, search engines, Web advertising, email spam, chat rooms and security. Sing Backwards and Weep Mark Lanegan, 2020-04-28 This gritty bestselling memoir by the singer Mark Lanegan of Screaming Trees, Queens of the Stone Age and Soulsavers documents his years as a singer and drug addict in Seattle in the 80s and 90s. When Mark Lanegan first arrived in Seattle in the mid-1980s, he was just an arrogant, self-loathing redneck waster seeking transformation through rock n' roll. Little did he know that within less than a decade, he would rise to fame as the frontman of the Screaming Trees and then fall from grace as a low-level crack dealer and a homeless heroin addict, all the while watching some of his closest friends rocket to the forefront of popular music. In *Sing Backwards and Weep*, Lanegan takes readers back to the sinister, needle-ridden streets of Seattle to an alternative music scene that was simultaneously bursting with creativity and dripping with drugs. He tracks the tumultuous rise and fall of the Screaming Trees from a brawling acid rock bar band to world-famous festival favorites that scored a hit number five single on Billboard's alternative charts and landed a notorious performance on *Late Night with David Letterman*, where Lanegan appeared sporting a fresh black eye from a brawl the night before. This book also dives into Lanegan's personal struggles with addiction, culminating in homelessness, petty crime and the tragic deaths of his closest friends. From the back of the van to the front of the bar, from the hotel room to the emergency room, onstage, backstage and everywhere in between, *Sing Backwards and Weep* reveals the abrasive underlining beneath one of the most romanticized decades in rock history from a survivor who lived to tell the tale. Gritty, gripping and unflinchingly raw, *Sing Backwards and Weep* is a book about more than just an extraordinary singer who watched his dreams catch fire and incinerate the ground beneath his feet. It's about a man who learned how to drag himself from the wreckage, dust off the ashes
