Dean Smith Hal Needham Martha Crawford Ronnie Rondell Terry Leonard and Bob Minor are given their proper due Each entry covers the performer s athletic background military service actors doubled noteworthy stunts and a rundown of his or her best known screen credits *100 Greatest Cult Films* Christopher J. Olson,2018-04-12 The term cult film may be difficult to define but one thing is certain A cult film is any movie that has developed a rabid following for one reason or another From highly influential works of pop art like *Eraserhead* and *Faster Pussycat Kill Kill* to trash masterpieces such as *Miami Connection* and *Fateful Findings* thousands of movies have earned recognition as cult classics over the years and new movies rise to cult status every year So how do viewers searching for the best or most important cult films decide where to start In *100 Greatest Cult Films* Christopher J Olson highlights the most provocative intriguing entertaining and controversial films produced over the last century The movies included here have either earned reputations as bona fide cult classics or have in some way impacted our understanding of cult cinema often transcending traditional notions of good and bad while featuring memorable characters unforgettably shocking scenes and exceptionally quotable dialogue With detailed arguments for why these films deserve to be considered among the greatest of all time Olson provides readers fodder for debate and a jumping off point for future watching A thought provoking and accessible look at dozens of cinematic treasures this resource includes valuable information on the films creators and institutions that have shaped cult cinema Ultimately *The 100 Greatest Cult Films* offers readers from casual cinephiles film scholars and avid fans alike a chance to discover or re discover some of the most memorable films of all time *The Automobile and American Life, 2d ed.* John Heitmann,2018-08-03 Now revised and updated this book tells the story of how the automobile transformed American life and how automotive design and technology have changed over time It details cars inception as a mechanical curiosity and later a plaything for the wealthy racing and the promotion of the industry Henry Ford and the advent of mass production market competition during the 1920s the development of roads and accompanying highway culture the effects of the Great Depression and World War II the automotive Golden Age of the 1950s oil crises and the turbulent 1970s the decline and then resurgence of the Big Three and how American car culture has been represented in film music and literature Updated notes and a select bibliography serve as valuable resources to those interested in automotive history *American Disaster Movies of the 1970s* Scott Freer,2023-10-19 *American Disaster Movies of the 1970s* is the first scholarly book dedicated to the disaster cycle that dominated American cinema and television in the 1970s Through examining films such as *Airport* 1970 *The Poseidon Adventure* 1972 *Two Minute Warning* 1976 and *The Swarm* 1978 alongside their historical contexts and American contemporaneous trends the disaster cycle is treated as a time bound phenomenon This book further contextualises the cycle by drawing on the longer cultural history of modernist reactions to modern anxieties including the widespread dependence on technology and corporate power Each chapter considers cinematic precursors such as the ark movie and contemporaneous trends such as New Hollywood vigilante and blaxploitation films as well as the immediate American

context the end of the civil rights and countercultural era the Watergate crisis and the defeat in Vietnam As Scott Freer argues the disaster movie is a modern demotic form of tragedy that satisfies a taste for the macabre It is also an aesthetic means for processing painful truths and many of the dramatized themes anticipate present day monstrosities of modernity

Encyclopedia of the Sixties Abbe A. Debolt, James S. Baugess, 2011-12-12 Comedian Robin Williams said that if you remember the 60s you weren't there This encyclopedia documents the people places movements and culture of that memorable decade for those who lived it and those who came after Encyclopedia of the Sixties A Decade of Culture and Counterculture surveys the 1960s from January 1960 to December 1969 Nearly 500 entries cover everything from the British television cult classic The Avengers to the Vietnam War and the civil rights movement The two volume work also includes biographies of artists architects authors statesmen military leaders and cinematic stars concentrating on what each individual accomplished during the 1960s with brief postscripts of their lives beyond the period There was much more to the Sixties than flower power and LSD and the entries in this encyclopedia were compiled with an eye to providing a balanced view of the decade Thus unlike works that emphasize only the radical and revolutionary aspects of the period to the exclusion of everything else these volumes include the political and cultural Right taking a more academic than nostalgic approach and helping to fill a gap in the popular understanding of the era *The Wheels That Changed the World* Pasquale De
