The Green Fuse:

The Green Fuse John Harte, 1993-01-01 A widely respected ecological scientist and activist draws on the poet's image and his own environmental research to demonstrate the many interconnections among the world's ecosystems John Harte takes us from Alaskan salmon runs and the Florida everglades to South Pacific coral reefs and the bleak Tibetan plateau The result is that rare book that bridges the cultures of science and art Lyrical vivid portraits of natural wonders and the threats to them are combined with precise scientific accounts of natural processes and their disturbances The Green Fuse will show nonscientists the fascination of ecological detective work and renew scientists' love for the beauty of the world under their microscopes Harte's stories illuminate without sermonizing the damage to natural systems brought about by technological hubris and calculated political ruthlessness The green fuse symbolizes the basic unity behind natural diversity But a fuse may also be the weak link in an overloaded system or the slow burning wick on an ecological bomb As The Green Fuse reminds us the energies that created human liberation from nature can also be those that lead to the human destruction of nature A widely respected ecological scientist and activist draws on the poet's image and his own environmental research to demonstrate the many interconnections among the world's ecosystems John Harte takes us from Alaskan salmon runs and the Florida everglades to South Pacific coral reefs and the bleak Tibetan plateau The result is that rare book that bridges the cultures of science and art Lyrical vivid portraits of natural wonders and the threats to them are combined with precise scientific accounts of natural processes and their disturbances The Green Fuse will show nonscientists the fascination of ecological detective work and renew scientists' love for the beauty of the world under their microscopes Harte's stories illuminate without sermonizing the damage to natural systems brought about by technological hubris and calculated political ruthlessness The green fuse symbolizes the basic unity behind natural diversity But a fuse may also be the weak link in an overloaded system or the slow burning wick on an ecological bomb As The Green Fuse reminds us the energies that created human liberation from nature can also be those that lead to the human destruction of nature

The Green Fuse reminds us the energies that created human liberation from nature can also be those that lead to the human destruction of nature This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1993 *The Green Fuse* Maurice Albert Unger,1954 *The Green Fuse* Hilary Mifflin,2021-04-20 The Green Fuse is a tribute to plants describing their powers and their connections to humanity the earth and the cosmos Left unconvinced of the enduring success of her cancer treatment by conventional medicine the gift of a little book along with an opportunity of six months off to find her happiness had unexpected consequences While doing the 40 day herbal cancer cure the author experienced feelings of supreme wellbeing She decided to investigate why this should be The book outlines extensive research from many disciplines both worldwide and across the ages Hilary s findings chart the drastic loss of the use of plants in western medicine This has been accompanied by the erosion of our deep rooted harmony with the world wide web of nature through the loss of valuable traditional knowledge These have been replaced by our modern system of treating symptoms Alongside her research she developed a beautiful garden to grow plants based on her findings and from these plants she created and marketed high quality products with exceptional healing properties This is Hilary s story about seeking a felt understanding of the nature of human healing It shows that regaining the connections we have lost can enhance our health in body and mind and enrich our creativity and spirituality In the words of Dylan Thomas The force that through the green fuse drives the flower Drives my green age The Force that Through the Green Fuse Drives the Flower ...
