The Grey Room:

The Grey Room Eden Phillpotts, 2016-01-12 THE HOUSE PARTY The piers of the main entrance of Chadlands were of red brick and upon each reposed a mighty sphere of grey granite Behind them stretched away the park where forest trees nearly shorn of their leaves at the edge of winter still answered the setting sun with fires of thinning foliage They sank away through stretches of brake fern and already amid their trunks arose a thin blue haze breath of earth made visible by coming cold There was frost in the air and the sickle of a new moon hung where dusk of evening dimmed the green of the western sky The guns were returning and eight men with three women arrived at the lofty gates One of the party rode a grey pony and a woman walked on each side of him They chattered together and the little company of tweed clad people passed into Chadlands Park and trudged forward where the manor house rose half a mile ahead Then an old man emerged from a lodge hidden behind a grove of laurel and bay within the entrance and shut the great gates of scroll iron They were of a flamboyant Italian period and more arrestive than distinguished Panelled upon them and belonging to a later day than they had been imposed two iron coats of arms with crest above and motto beneath the heraldic bearings of the present owner of Chadlands He set store upon such things but was not responsible for the work A survival himself and steeped in ancient opinions his coat won in a forgotten age interested him only less than his Mutiny medal his sole personal claim to public honor He had served in youth as a soldier but was still a subaltern when his father died and he came into his kingdom **The Casebook**

Huysmans, 2023-12-16 *Into the Darkness* stands as a seminal anthology bringing together an exceptional array of tales that traverse the spectral corridors of gothic horror mystery and the supernatural. This collection boasts an impressive diversity in literary styles juxtaposing the macabre with the psychological, the fantastic with the eerily realistic. Its range spans from the deep existential fears tapped by Edgar Allan Poe to the pioneering science fiction horror of H. G. Wells. Noteworthy are the haunted landscapes of Algernon Blackwood and the psychological depths explored by Henry James, which stand as testimonies to the anthology's rich thematic tapestry and its significant contribution to the literary canon.
