## **Sociology In Our Times The Essentials By Kendall 2nd Canadian Edition:**

Sociology in Our Times Diana Kendall, Jane Lothian Murray, Rick Linden, 2000-11-14 Sociology in Our Times Second Canadian Edition is an introductory sociology text designed to excite the interest of students helping them to understand and apply sociological theory to their own lives No other book has been so highly praised for its ability to captivate and draw readers into the real lived experiences of sociology

**White Lies about the Inuit** John Steckley, 2008-01-01 In this lively book designed specifically for introductory students Steckley unpacks three white lies the myth that there are fifty two words for snow that there are blond blue eyed Inuit descended from the Vikings and that the Inuit send off their elders to die on ice floes

**Sociology in Our Times: The Essentials** Diana Kendall, 2013-01-01 Completely up to date and offering a succinct new presentation Kendall's SOCIOLOGY IN OUR TIMES THE ESSENTIALS 9e uses real life stories told by the people who have lived them as well as familiar themes such as the American Dream body image the environment and fake news media to introduce you to the study of sociology and engage your sociological imagination a vital resource you may not know you have Kendall shows you how sociology is at work in our society and can be applied to everyday life and to the pressing social issues we face Every chapter includes a guide to how you can make a positive difference in both your immediate and extended communities A vibrant new interior design complements the text's new coverage of such timely topics as health care legislation the U S and global economies Barack Obama's presidency and the BP oil spill in the Gulf of Mexico Available with InfoTrac Student Collections <http://goengage.com/infotrac> Important Notice Media content referenced within the product description or the product text may not be available in the ebook version

**Consuming Youth** John Berard, James Penner, Rick Bartlett, 2011-01-04 Today's relentless consumer culture dominated by popular media's emphasis on bigger better and more and catering to teenagers every want and desire is leaving our youth adrift in a sea of conflicting messages Messages that every youth worker must be able to decode and redirect away from the material world towards helping young people become who God created them to be givers instead of receivers servers instead of consumers Consuming Youth is for any adult who recognizes that following Jesus means leading young people through the pitfalls of consumer culture helping them discover vocation where their great gladness meets a world's great need and unleashing the kingdom of God on earth

**Sociology in Our Times** Diana Kendall, 2007-12-18 This best selling applied comprehensive book highlights the relevance of sociology by including a diverse collection of theories research and lived experiences that accurately mirror the diversity in society itself The author's vivid personal writing style engages readers by using compelling everyday examples that make sociology particularly relevant for today's diverse students Kendall's text is acclaimed in the field for being the first textbook to integrate race class and gender issues and for its thorough presentation of sociological theory which includes diverse theoretical viewpoints such as feminist

and postmodernist theory Important Notice Media content referenced within the product description or the product text may not be available in the ebook version ***Diversity, Justice, and Community*** Beverly-Jean M. Daniel, 2016-12-16 This edited collection provides readers with a superb introduction to some of the contemporary issues related to diversity community and justice in the Canadian context Grounded in theories of community justice and applied social justice the text provides a historical theoretical and intersectional approach to understanding justice and its everyday manifestations for members of diverse populations in Canadian society Diversity Justice and Community encourages reflection on the systemic factors that result in the production of criminality in marginalized and oppressed communities The authors highlight the ways in which differently located groups including Indigenous peoples women and girls Black males Somali youths the South Asian community and transgendered prisoners experience the justice system while also critiquing standard notions of justice and equity and pointing towards potential solutions to combat inequalities at both the community and institutional level Disrupting the taken for granted assumptions regarding who is a criminal Diversity Justice and Community takes an honest look at both the challenges and the opportunities that exist for Canada s increasingly multiracial multi ethnic multicultural and religiously and sexually diverse population Featuring chapter objectives discussion questions and additional resources this engaging text is ideal for students in criminal justice police studies police foundations and criminology programs

***Canadian Sociology*** Kanwar-Swenson, 1999-09 ***Norms of Violence*** Aimée X. Delaney, 2021-03-29 Norms of Violence Violent Socialization Processes and the Spillover Effect for Youth Crime explores the degree to which violent socialization processes both at the macro and micro levels are associated with youth criminal behavior Based on a quantitative test of an integrated theory of social control and culture of violence the author argues that violent socialization is a process involving physical violence exposure to violence and pro violent communications All three dimensions in combination with national level indicators of violence contribute to a norm of violence which at a national level spills over into other dimensions of society including the family environment This book seeks to answer if violent socialization processes truly control youth behavior Various quantitative methods are used to demonstrate how violent socialization tends to be more prevalent in nations with indicators of violence compared to nations without such indicators The spilling over of violence into socialization processes creates a context of violence normalized as a form of social control which exacerbates youth criminal behavior within pro violent nations This book is unique in propelling a more thorough explanation of international youth crime by focusing on both victimization violent socialization and offending rather than arguing solely that victimization is a correlate of youth crime It provides a reference point for future comparative research offering theoretical explanations for youth crime across different nations and is essential reading for those engaged in youth and juvenile justice efforts and scholars interested in issues surrounding violence youth and justice ***The Essentials of Sociology in Our Times*** Kendall, 1999-10 Student Study Tools is a brief booklet available with the text containing chapter learning objectives glossary terms with

space to write in definitions and short practice multiple choice and true false tests one each per chapter      *Subject Guide to*
