Sociopsychological Aspects Of Sexually Transmitted Diseases

Bryan Strong, Christine DeVault

Sociopsychological Aspects Of Sexually Transmitted Diseases:

Sociopsychological Aspects of Sexually Transmitted Diseases Margaret Rodway, Marianne Wright, 1988 Sexually transmitted diseases STDs have probably been with us since the beginning of time yet they continue to threaten our emotional and physical health and indeed our very lives This informative book is one of the first important weapons in the arsenal of education our most reliable weapon thus far to fight the spread of STDs The serious social medical and psychological aspects of AIDS herpes and other STDs are discussed Contributors focus on counseling individuals with STDs and their partners families and friends and make suggestions for the education and teaching of professionals and the general public about STDs *Decade of the Plague* Margaret R Rodway, Marianne Wright, 2014-06-03 Social workers counselors and health care professionals will be challenged by this thorough presentation of Sexually Transmitted Diseases STDs The contributing authors contend that in the immediate future education not medicine will be the single most important weapon in stemming the spread of STDs Thus the responsibility of educating society and providing service for people who are directly or indirectly affected by STDs lies with helping professions The devastating social medical and psychological aspects of AIDS herpes and other STDs are discussed Contributors focus on the issues involved with counseling individuals with STDs and their partners families and friends and make suggestions for the education and teaching of professionals and the general public about STDs **Treatment of Sex Offenders in Social Work and Mental Health Settings** John S. Wodarski, 1989 This timely book focuses on social work practice with sexual offenders in community mental health settings Practicing professionals and academicians present both theoretical and empirical material covering three major classifications the incest offender the violent offender and the social decency offender Because today's sexual offenders are often turned away from psychiatric hospitals and instead served in open community centers professionals in mental health centers and related human service agencies must be prepared to treat them In this remarkably candid and instructive volume experts equip psychiatrists psychologists social workers and other professionals in mental health settings with valid up to date techniques for working with sexually aggressive children mentally retarded sex offenders and incest families

National Library of Medicine Current Catalog National Library of Medicine (U.S.), 1989 Sexuality and Disabilities Deborah P Valentine, Romel W Mackelprang, 2013-02-01 Individuals with disabilities are often desexualized in our society yet they have the same need for intimacy self worth and social belonging as people without disabilities Sexuality and Disabilities addresses persons with physical sensory intellectual and cognitive disabilities and their concerns in the areas of intimacy family issues sexuality and sexual functioning It offers suggestions for professionals who work with persons with these disabilities to help them work more competently with disabled persons in the sexuality arena These concrete ideas are excellent for staff training and education and for enhancing professional development for those working with persons with physical disabilities The contributing authors create an awareness that all people need individualized consideration and that

the special needs of all individuals are important especially for those who may have previously been left to discover things on their own usually unsuccessfully Sexuality and Disabilities focuses on a wide range of disabilities including physical developmental and learning disabilities mental retardation and conditions that may have an impact on people later in life such as strokes heart disease or other chronic illness Chapters discuss education and support issues for both practitioners and clients Some of the topics examined include components of a staff training program on sexuality and disability specific recommendations for sexuality education and counseling with people with spinal cord injuries and other acquired severe neurological disabilities a program model serving parents with mental retardation and their children specific ways educational programming social work intervention and policy efforts can address the special learning needs of people with cognitive impairments sources of support and stress for families caring for developmentally disabled children an analysis of special vulnerabilities and challenges relating to sexual victimization that confront people with disabilities An extremely helpful tool for human service practitioners Sexuality and Disabilities is also a valuable resource for graduate and undergraduate students who have an interest in working with people with physical cognitive or mental disabilities and helping them explore this basic facet of their lives

The Sexually Unusual Dennis M. Dailey, 1988 Designed to shed light on sexually unusual expression this unique book will assist helping professionals in their treatments and referrals of persons with sexually unusual life styles and behaviors Based on the premise First do no harm The Sexually Unusual is targeted for all helping professionals with little or no academic or clinical training in sexuality who encounter clients involved in coercive and non coercive unusual sexual behaviors The vast majority of helping professionals from all disciplines who have had neither academic nor clinical training in addressing sex related concerns will find sensible and empathetic approaches to working with the sexually unusual pedophiles obscene phone callers transvestites transsexuals exhibitionists sexual addicts and more A historical perspective broadens the reader's view and displays the evolving and unfolding nature of the human condition

Current Catalog National Library of Medicine (U.S.), First multi year cumulation covers six years 1965-70

The Resource Book Bryan Strong, 1997 *Infertility and Adoption* Deborah P Valentine, 2019-08-15 This compassionate book brings together for the first time issues about infertility and adoption Fifteen to 20 of all married couples in the United States are infertile and most people have intense psychological and emotional reactions to the experience of infertility Infertility and Adoption provides a clear understanding of the historical and social context of infertility its emotional impact and the process of coping with infertility A prototype for conducting psychosocial assessments with infertile couples is provided Practitioners researchers and administrators will learn about the latest trends in preparing adoptive parents for the arrival of their child The multidisciplinary appeal of this book will reach professionals in social work and mental health and better prepare all of those who work with the growing number of individuals touched by infertility

Adolescent Sexuality Constance H Shapiro, Paula Allen-Meares, 2018-10-24 Here is an invaluable resource to help

professionals understand the broad range of issues and challenges that adolescents face as they grapple with their sexuality. This highly informative volume addresses the most compelling issues of adolescent sexuality. Sexual orientation, acquaintance rape, new social roles, and sexually transmitted diseases are among the numerous topics that social workers confront daily in helping adolescents define and seek solutions to their sex-related concerns. Adolescent Sexuality highlights the importance of innovative approaches and client empowerment in prevention and treatment programs for youth, particularly in this era of declining federal support. This timely volume reveals the reluctance of adolescents to confide in their families; therefore, experts offer valuable suggestions for social workers to strengthen and use community resources: the church, family planning agencies, schools, and support groups to supplement the efforts of many families.

Sexually Transmitted Diseases (STD)

Prevention of Infertility
 Canada. Royal Commission on New Reproductive Technologies, 1993. This document presents papers on the following topics: overcoming the obstacles to prevention of infertility; the effectiveness of sexually transmitted disease infertility-related prevention programs; the burden of chlamydial and gonococcal infection in Canada; social factors relevant to sexually transmitted diseases; and to strategies for their prevention; feasibility of economic evaluations of sexually transmitted disease prevention programs in Canada; issues in evaluating programs to prevent infertility related to occupation hazards; and a proposed framework for reducing the incidence of infertility.

Human Sexuality Anne Bolin, Patricia Whelehan, 2009-09-10

Human Sexuality: Biological, Psychological, and Cultural Perspectives is a unique textbook that provides a complete analysis of this crucial aspect of life around the world. Utilizing viewpoints across cultural and national boundaries and deftly weaving evolutionary and psychological perspectives, Bolin and Whelehan go beyond the traditional evolution and primatology to address cross-cultural and contemporary issues as well as anthropological contributions and psycho-social perspectives. Taking into account the evolution of human anatomy, sexual behavior, attitudes, and beliefs, this far-reaching text goes beyond what is found in traditional books to present a wide diversity of beliefs, attitudes, and behaviors found globally. In addition to providing a rich array of photographs, illustrations, tables, and a glossary of terms, this extraordinary textbook explores pregnancy and childbirth as a bio-cultural experience, life course issues related to gender identity, sexual orientations, behaviors, and lifestyles, socioeconomic, political, historical, and ecological influences on sexual behavior, early childhood sexuality, puberty and adolescence, birth control, fertility, conception, and sexual differentiation, HIV infection, AIDS, AIDS, globalization, and sex work. Fusing biological, socio-psychological, and cultural influences to offer new perspectives on understanding human sexuality, its development over millions of years of evolution, and how sexuality is embedded in specific socio-cultural contexts, this is the text for educators and students who wish to understand human sexuality in all of its

richness and complexity **Research Awards Index** , *Research Grants Index* National Institutes of Health (U.S.).
Division of Research Grants,1973 State, Civil Society and the Politics of Health Skylab Sahu,2024-08-01 This book
provides a comprehensive analysis of the discourse on health in India examining governance policies programmes and the
involvement of the state and civil society in ensuring health for all and especially for people living with HIV AIDS The book
critically examines government measures to improve healthcare services in India specifically for disadvantaged groups like
the poor and women who face several obstacles in accessing healthcare It explores various aspects of healthcare accessibility
gender equity measures and strategies implemented by the state and highlights the significant contributions of civil society
organizations and activists in shaping healthcare provisions as well as their influence on the discourse surrounding health
and HIV AIDS With a special study based on the author s research on HIV positive women in Karnataka a high prevalence
state and West Bengal a low prevalence state and an examination of government policies financial allocations and relevant
reports this book fills a crucial gap in academic literature by offering a comprehensive analysis of health and governance in
relation to HIV positive women in India The book will be a valuable resource for students and researchers in public health
policy studies community health gender studies sociology of health and illness and Indian government and politics It will also
be useful for policymakers in the development of more effective and inclusive healthcare policies *The British National
