Essays After Eighty Donald Hall, 2014-12-02 The former U S Poet Laureate contemplates life death and the view from his window in these alternately lyrical and laugh out loud funny essays The New York Times From an early age Donald Hall dedicated his life to the written word In his long and celebrated career he was an accomplished poet essayist memoirist dramatist and children s author Now in the unknown unanticipated galaxy of very old age his essays continue to startle move and delight In *Essays After Eighty* Hall ruminates on his past thirty was terrifying forty I never noticed because I was drunk fifty was best with a total change of life sixty extended the bliss of fifty He also addresses his present When I turned eighty and rubbed testosterone on my chest my beard roared like a lion and gained four inches Most memorably Hall writes about his enduring love affair with his ancestral Eagle Pond Farm and with the writing life that sustains him every day Yesterday my first nap was at 9 30 a m but when I awoke I wrote again Deliciously readable Donald Hall if abandoned by the muse of poetry has wrought his prose to a keen autumnal edge The Wall Street Journal *Anthem* Shana L. Redmond, 2013-12-06 For people of African descent music constitutes a unique domain of expression From traditional West African drumming to South African kwaito from spirituals to hip hop Black life and history has been dynamically displayed and contested through sound Shana Redmond excavates the sonic histories of these communities through a genre emblematic of Black solidarity and citizenship anthems An interdisciplinary cultural history Anthem reveals how this sound franchise contributed to the growth and mobilization of the modern Black citizen Providing new political frames and aesthetic articulations for protest organizations and activist musicians Redmond reveals the anthem as a crucial musical form following World War I Beginning with the premise that an analysis of the composition performance and uses of Black anthems allows for a more complex reading of racial and political formations within the twentieth century Redmond expands our understanding of how and why diaspora was a formative conceptual and political framework of modern Black identity By tracing key compositions and performances around the world from James Weldon Johnson s Lift Ev ry Voice and Sing that mobilized the NAACP to Nina

Simone's *To Be Young Gifted Black* which became the Black National Anthem of the Congress of Racial Equality CORE Anthem develops a robust recording of Black social movements in the twentieth century that will forever alter the way you hear race and nation

Ashes to Ashes Richard Kluger, 2010-05-26 PULITZER PRIZE WINNER No book before this one has rendered the story of cigarettes mankind's most common self-destructive instrument and its most profitable consumer product with such sweep and enlivening detail A great battleship of a book formidable majestic The New York Times Book Review Here for the first time in a story full of the complexities and contradictions of human nature all the strands of the historical process financial social psychological medical political and legal are woven together in a riveting narrative The key characters are the top corporate executives public health investigators and antismoking activists who have clashed ever more stridently as Americans debate whether smoking should be closely regulated as a major health menace We see tobacco spread rapidly from its aboriginal sources in the New World 500 years ago as it becomes increasingly viewed by some as sinful and some as alluring and by government as a windfall source of tax revenue With the arrival of the cigarette in the late nineteenth century smoking changes from a luxury and occasional pastime to an everyday to some indispensable habit aided markedly by the exuberance of the tobacco huskers This free enterprise success saga grows shadowed from the middle of this century as science begins to understand the cigarette's toxicity Ironically the more detailed and persuasive the findings by medical investigators the more cigarette makers prosper by seeming to modify their product with filters and reduced dosages of tar and nicotine We see the tobacco manufacturers come under intensifying assault as a rogue industry for knowingly and callously plying their hazardous wares while insisting that the health charges against them remain unproven and are universally understood so smokers indulge at their own risk Among the eye-opening disclosures here outrageous pseudo-scientific claims made for cigarettes throughout the 30s and 40s and the story of how the tobacco industry and the National Cancer Institute spent millions to develop a safer cigarette that was never brought to market Dealing with an emotional subject that has generated more heat than light this book is a dispassionate tour de force that examines the nature of the companies culpability the complicity of society as a whole and the shaky moral ground claimed by smokers who are now demanding recompense

The Legacy of J. William Fulbright Alessandro Brogi, Giles Scott-Smith, David J. Snyder, 2019-08-13 This insightful collection of essays details the political life of one of the most prominent and gifted American statesmen of the twentieth century From his early training in international law to his five terms in the US Senate J William Fulbright 1905 1995 had a profound influence on US foreign policy and his vision for mutual understanding shaped the extraordinary exchange program bearing his name As a senator for Arkansas for thirty years and the longest serving chair of the Senate Foreign Relations Committee Fulbright was one of the most influential figures of United States politics His criticism of US involvement in Vietnam exemplified his belief in the effective management of international norms by international organizations including the United Nations which was the subject of his first bill in Congress Yet alongside his commitments to liberal internationalism and multilateral governance Fulbright was a southern politician who embraced the interests of the region's conservative white population This juxtaposition of biased and broad minded objectives shows a divide at the center of

Fulbright's vision which still has consequences for America's global policies today This multidimensional volume covers Fulbright's development as a national and global voice on foreign relations as he wrestled with the political controversies of the US South during the civil rights movement worked with and challenged executive power and shaped the Fulbright program for educational exchange *Jewish Arguments and Counterarguments* Steven Bayme, 2002 Steven Bayme examines the challenges facing American Jewry the Contemporary significance of Israel and Jewish peoplehood and the claims of Jewish tradition in the modern world **Fifty Years of Regional Science** Raymond Florax, David A. Plane, 2004-11-18 This book contains the complete text of the special Golden Anniversary issue of the flagship journal of the Regional Science Association International RSAI Papers in Regional Science Volume 83 Number 1 as well as the full text of Walter Isard's Presidential Address The future near and far of regional science Professor Isard originally delivered the speech in a special plenary session of the fiftieth North American Meetings of the Regional Science Association International The session began with a ceremonial kickoff to the year long celebration of the multidisciplinary field's first 50 years At the ceremony held on the morning of Friday November 21 2004 at the DoubleTree Hotel in Philadelphia we presented Walter Isard the founder of our multidisciplinary field as well as Antoine Bailly the President of the Regional Science Association International and David Boyce the Association's Archivist with commemorative first copies of the anniversary issue This book entitled Fifty Years of Regional Science consists of a compendium of thought papers authored by a representative sampling of some of the field's leading scholars For the special journal issue we originally titled the collection The Brightest of Dawns **Bibliography of the History of Medicine**, 1984 *The Entrepreneurs* Robert Sobel, 2000 A well researched informative book in which Robert Sobel the noted financial historian explores the lives and careers of nine representative innovators in business during the last 200 years men frequently overlooked by contemporary social and political historians Francis Cabot Lowell John Wanamaker Cyrus McCormick James Hill James Duke Theodore Vail Marcus Loew Donald Douglas and Royal Little Each one was selected to illustrate a different aspect of American business tradition All share the ability to grasp opportunity and to oppose conventional wisdom when necessary both of which contributed to the fabric of modern corporate life In the aggregate they created new organizational traditions that were imitated throughout the Western world Book jacket

Wallace Reid E.J. Fleming, 2013-11-08 For a decade Wallace Reid was the most recognized face in Hollywood the most universally beloved actor in silent film Today all that is widely remembered of Wally Reid is that he died in a padded sanitarium cell the victim of a fatal morphine addiction Of all the actors who have enjoyed great fame only to vanish from the public eye Reid perhaps fell the fastest and the hardest This first full biography recounts Reid's complicated childhood his disrupted family history and his rise to film stardom despite these restricting factors It documents his myriad talents and accomplishments most notably his gift for brilliant onscreen acting The text explores in depth how the modern studio however unconsciously turned the popular star a well adjusted man with a loving family into a drug dependent mental patient

within three years His death rocked the foundations of Hollywood and the huge new industry that he helped build nearly died with Dashing Wally Reid **The American Friend** ,1900 Here's the Pitch Roberta J. Newman,2019-03-01 2020 SABR Baseball Research Award In the mid nineteenth century two industries arrived on the American scene One was strictly a business yet it helped create define and disseminate American culture The other was ostensibly just a game yet it soon became emblematic of what it meant to be American aiding in the creation of a national identity Today whenever the AT T call to the bullpen is heard fans enter Minute Maid Park or vote for favorite All Stars brought to us by MasterCard we are reminded that advertising has become inseparable from the MLB experience Here s the Pitch examines this connection between baseball and advertising as both constructors and reflectors of culture Roberta J Newman considers the simultaneous development of both industries from the birth of the partnership paying particular attention to the ways in which advertising spread the gospel of baseball at the same time professional baseball helped develop a body of consumers ready for the messages of advertising Newman considers the role of product endorsements in the creation of the culture of celebrity and of celebrity baseball players in particular as well as the ways in which new technologies have impacted the intersection of the two industries From Ty Cobb to Babe Ruth in the 1920s and 1930s to Mickey Mantle Yogi Berra and Willie Mays in the postwar years to Derek Jeter Rafael Palmeiro and David Ortiz in the twenty first century Newman looks at many of baseball s celebrated players and shows what qualities made them the perfect pitchers for new products at key moments Here s the Pitch tells the story of the development of American and an increasingly international culture through the marriage between Mad Men and The Boys of Summer that made for great copy notable TV advertisements and lively social media and shows how baseball s relationship with advertising is stronger than ever
