

A Soldier Speaks

Public Papers and Speeches of General of the Army

Douglas MacArthur

With an Introduction by General Carlos P. Romulo

Soldier Speaks Douglas Macarthur

Wanda Ellen Wakefield

Soldier Speaks Douglas MacArthur:

A soldier speaks Douglas MacArthur, 1956 **Soldier Speaks** Douglas MacArthur, 1965 **A soldier speaks** Douglas MacArthur, 1965 General MacArthur Speeches and Reports 1908-1964 Edward T. Imparato, 2000

The two year search for General Douglas MacArthur's speeches and reports was truly a labor of love. My Administrative Assistant Ellen Schaefer and I culled over 1 000 sources including memories, biographies, histories, military magazines such as the Army and Air Force Journals, unit histories, commercial magazines and newspapers. Magazines included such publications as National Geographic, Life Magazine and many esoteric, less circulated literature such as Military Magazine, Retired Officers Magazine, Air Force Magazine and so many others. We received guidance and assistance from such sources as the U S Military Academy, the Engineering School at Ft Leavenworth, the Command and General Staff School at Leavenworth, the Army War College, the MacArthur Archives, Director James Zobel, the Library of Congress, the War Department. The sources seemed endless. We do believe we were able to capture all the major public speeches and reports covering MacArthur's truly productive years from 1908 through 1964. Contains more than 125 speeches, reports. It will be interesting to note MacArthur established his personality early in his military career and never veered from this. His admonition from his Mother when MacArthur was a student at West Point was never cheat, never lie, never tattle. Adhering to this edict, MacArthur offered to resign from the Academy rather than answer questions from the Academy panel investigating hazing and harassment by a group of fellow students. MacArthur continued to develop his hard line against political and military intrigue by resolving to always do what he believed right even if he knew no one was watching. Further, he was determined never to refuse to carry out the order of a senior officer, never be insubordinate to constituted authority.

A Soldier Speaks. Public Papers and Speeches of General of the Army Douglas Mac Arthur. Prepared for The United States Military Academy, West Point, N.Y. by the Department of Military Art and Engineering. Edited by Major Vorin E. Whan, Jr., U.S.A. With an Introduction by General Carlos P. Romulo. [With Plates, Including Portraits.]. Douglas MacArthur, Vorin E. WHAN, 1965

Douglas MacArthur Arthur Herman, 2017-03-28

A new definitive life of an American icon, the visionary general who led American forces through three wars and foresaw his nation's great geopolitical shift toward the Pacific Rim. From the Pulitzer Prize finalist and bestselling author of *Gandhi*, Churchill Douglas MacArthur was arguably the last American public figure to be worshipped unreservedly as a national hero, the last military figure to conjure up the romantic stirrings once evoked by George Armstrong Custer and Robert E Lee. But he was also one of America's most divisive figures, a man whose entire career was steeped in controversy. Was he an avatar or an anachronism, a brilliant strategist or a vainglorious mountebank? Drawing on a wealth of new sources, Arthur Herman delivers a powerhouse biography that peels back the layers of myth, both good and bad, and exposes the marrow of the man beneath. MacArthur's life spans the emergence of the United States Army as a global fighting force. Its history is to a great degree his story. The son of a Civil War hero, he led American troops in three

monumental conflicts World War I World War II and the Korean War Born four years after Little Bighorn he died just as American forces began deploying in Vietnam Herman's magisterial book spans the full arc of MacArthur's journey from his elevation to major general at thirty eight through his tenure as superintendent of West Point field marshal of the Philippines supreme ruler of postwar Japan and beyond More than any previous biographer Herman shows how MacArthur's strategic vision helped shape several decades of U S foreign policy Alone among his peers he foresaw the shift away from Europe becoming the prophet of America's destiny in the Pacific Rim Here too is a vivid portrait of a man whose grandiose vision of his own destiny won him enemies as well as acolytes MacArthur was one of the first military heroes to cultivate his own public persona the swashbuckling commander outfitted with Ray Ban sunglasses riding crop and corncob pipe Repeatedly spared from being killed in battle his soldiers nicknamed him Bullet Proof he had a strong sense of divine mission Mac was a man possessed in the words of one of his contemporaries of a supreme and almost mystical faith that he could not fail Yet when he did it was on an epic scale His willingness to defy both civilian and military authority was Herman shows a lifelong trait and it would become his undoing Tellingly MacArthur once observed Sometimes it is the order one disobeys that makes one famous To capture the life of such an outsize figure in one volume is no small achievement With Douglas MacArthur Arthur Herman has set a new standard for untangling the legacy of this American legend Praise for Douglas MacArthur This is revisionist history at its best and hopefully will reopen a debate about the judgment of history and MacArthur's place in history New York Journal of Books Unfailingly evocative close to an epic More than a biography it is a tale of a time in the past almost impossible to contemplate today as having taken place with MacArthur himself as a figure perhaps too remote to understand but all the more important to encounter The New Criterion With Douglas MacArthur American Warrior the prolific and talented historian Arthur Herman has delivered an expertly rendered compulsively readable account that does full justice to MacArthur's monumental achievements without slighting his equally monumental flaws Commentary

MacArthur's Jungle War Stephen R. Taaffe, 1998 His book tells not only how victory was gained through a combination of technology tactics and army navy cooperation but also how the New Guinea campaign exemplified the strategic differences that plagued the Pacific War since many high ranking officers considered it a diversionary tactic rather than a key offensive *The Korean War* Stanley Sandler, 2014-10-17 The Korean War has been termed The Forgotten War or the Unknown War It is a conflict which never assumed the mythic character of the American Civil War or World War II However this book asserts it would be impossible to understand the Cold War and indeed post 1945 global history without knowledge of the Korean War Providing a history of the Korean peninsula before the war and including a detailed analysis of the fighting itself The Korean War goes beyond the battlefield to deal with the war in the air ground attack and air evacuation The study also evaluates the contributions of the UN naval forces the impact of the war on various homefronts and issues such as defectors opposition to the war racial segregation and integration POWs and the media Recently released Soviet documents

are used to assess the role of China the Soviet Union North and South Korea and the allied forces in the conflict This fascinating work offers a unique analysis of the Korean War and will be invaluable to students of twentieth century history particularly those concerned with American and Pacific history Dissenting Voices in America's Rise to Power David Mayers,2007-02-15 This book offers a major rereading of US foreign policy from Thomas Jefferson's purchase of Louisiana to the Korean War This period of one hundred and fifty years saw the expansion of the United States from fragile republic to transcontinental giant David Mayers explores the dissenting voices which accompanied this dramatic ascent focusing on dissenters within the political and military establishment and on the recurrent patterns of dissent that have transcended particular policies and crises The most stubborn of these sprang from anxiety over the material and political costs of empire while other strands of dissent have been rooted in ideas of exigent justice realpolitik and moral duties existing beyond borders Such dissent is evident again in the contemporary world when the US occupies the position of preeminent global power Professor Mayers's study reminds us that America's path to power was not as straightforward as it might now seem America and the Just War Tradition Mark David Hall,J. Daryl Charles,2019-03-30 America and the Just War Tradition examines and evaluates each of America's major wars from a just war perspective Using moral analysis that is anchored in the just war tradition the contributors provide careful historical analysis evaluating individual conflicts Each chapter explores the causes of a particular war the degree to which the justice of the conflict was a subject of debate at the time and the extent to which the war measured up to traditional ad bellum and in bello criteria Where appropriate contributors offer post bellum considerations insofar as justice is concerned with helping to offer a better peace and end result than what had existed prior to the conflict This fascinating exploration offers policy guidance for the use of force in the world today and will be of keen interest to historians political scientists philosophers and theologians as well as policy makers and the general reading public Contributors J Daryl Charles Darrell Cole Timothy J Demy Jonathan H Ebel Laura Jane Gifford Mark David Hall Jonathan Den Hartog Daniel Walker Howe Kerry E Irish James Turner Johnson Gregory R Jones Mackubin Thomas Owens John D Roche and Rouven Steeves *The Politics of Air Power* Rondall Ryon Rice,2004-01-01 Forfatteren analyserer den turbulente udvikling af relationerne imellem Ledelsen af US Army Aviation og politikerne i 1920 1930 hvor Brigadegeneral William Billy Mitchel an en gruppe af Army Air Service Officer forsøgte at skabe et uafhængigt flyvevæsen imod præsidentens ønske **The Casualty Issue in American Military Practice** Evan A. Huelfer,2003-10-30 Huelfer examines the casualty issue in American military thought and practice during the years between the World Wars He argues that Americans exhibited a distinct aversion to combat casualties during the Interwar Period a phenomenon that visibly influenced the military establishment and helped shape strategic planning force modernization and rearmament for World War II In a broad topical approach Huelfer's main theme casualty aversion is woven into discussions about military strategy and policies doctrinal and technological development the military education system and how the American officer

corps emerged from World War I and prepared for World War II As Huelfer makes clear aversion to combat casualties is not just a post Vietnam War phenomenon but rather has long been embedded within the American national heritage Conventional wisdom link today s exacerbated aversion to combat casualties as fallout from the Vietnam debacle In fact this Vietnam Syndrome has remained at the forefront of contemporary strategic thinking Huelfer shows that American political and military leaders have held lasting concerns about risking soldiers lives in combat even pre dating U S involvement in World War II The grim experiences of World War I had a profound impact upon the U S officer corps and how it viewed potential future conflicts The casualty issue permeated the officers strategic culture during the Interwar Period and colored their thinking about improving training doctrinal evolution force modernization and technological development Even though one cannot find the terms casualty issue casualty aversion or sensitivity to casualties directly stated in the speeches and writings of the era this awareness clearly emerged as a subtext for the entire American effort in preparation for World War II Huelfer highlights how casualty aversion shaped American strategy for World War II by incorporating ideas about the use of overwhelming force air power and mechanization all designed to minimize losses

The Foreign Policy of Modern Japan

Robert A. Scalapino, 2024-03-29 The Foreign Policy of Modern Japan presents a thorough exploration of Japan s foreign policy a complex and ever evolving subject The volume is the result of a 1974 conference in Hawaii where scholars from both the United States and Japan gathered to discuss Japan s foreign policy from multiple perspectives This compilation of essays offers insights into the decision making process economic influences security issues and the broader international environment shaping Japan s diplomatic strategies Contributions are drawn from a range of scholars providing diverse viewpoints that highlight the multifaceted nature of Japan s international relations The collection covers a broad spectrum of topics from the workings of Japan s Foreign Ministry and its diplomatic style to the influence of public opinion and business on foreign policy as well as economic relations and security matters The essays are divided into distinct sections that cover key aspects of Japan s foreign policy The first examines the decision making processes analyzing the role of Japan s bureaucratic institutions and the Diet in policy formulation Subsequent sections delve into Japan s public and private interests economic policies and security issues while a final part offers an overview of Japan s evolving global position The contributors emphasize the challenges Japan faces in balancing domestic pressures historical context and international realities Despite Japan s successful postwar foreign policy the essays suggest that Japan may be undergoing gradual changes in its foreign approach particularly in response to shifts in global economic and political dynamics The volume provides a nuanced understanding of the factors shaping Japan s foreign policy highlighting both its stability and the potential for future transformation This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology

This title was originally published in 1977

Pursuing the Honorable Justin M. Anderson, Kenneth W.

McDonald, 2019-05-15 Pursuing the Honorable argues that our modern understanding of honor as seen through example of today's military training is deficient To remedy this the book returns to an understanding of the honorable good especially manifested for philosophers like Aristotle and Cicero in a life of the human virtues However because honor as defined by the honorable good needs to be applicable to the 21st Century occidental world of liberal democratic values the study includes careful attention to those conditions under which honor can once again become a live option While special attention is given to military training including concrete proposals for its renewal what the study discovers extends to many forms of human life

Winning the Peace Robert C. Orr, 2004-07-20 Events in Iraq Afghanistan and the Balkans have proved that failed and defeated states threaten the national security interests of the United States and the stability of entire regions But success in addressing these threats clearly depends on more than military might the post conflict period is equally crucial Case studies in this book examine the U S approach in Kosovo East Timor Sierra Leone Afghanistan and Iraq The book offers policy guidance on how to handle current reconstruction challenges and on building capacity to do a better job when America is inevitably called on to restore failed nations in the future

Prayer in America James P. Moore, Jr., 2007-09-18 A stirring chronicle of the spiritual life of a nation Prayer in America shows how the faith of Americans from the founding fathers to corporate tycoons from composers to social reformers from generals to slaves was an essential ingredient in the formation of American culture character commerce and creed Prayer in America brings together the country's hymns patriotic anthems arts and literature as a framework for telling the story of the innermost thoughts of the people who have shaped the United States we know today Beginning with Native Americans Prayer in America traces the prayer lives of Quakers and Shakers Sikhs and Muslims Catholics and Jews from their earliest days in the United States through the aftermath of 9 11 and the 2004 presidential election It probes the approach to prayer by such diverse individuals as Benjamin Franklin Elvis Presley Frank Lloyd Wright J C Penney P T Barnum Jackie Robinson and Christopher Columbus It includes every president of the United States as well as America's clergy immigrants industrialists miners sports heroes and scientists Prayer in America shows that without prayer the political cultural social and even economic and military history of the United States would be vastly different from what it is today It engages in a thoughtful timely examination of the modern debate over public prayer and how the current approach to prayer bears deep roots in the philosophies of the country's founding fathers a subject which remains distinct from the debate over church and state

Imagined Communities Benedict Anderson, 2006-11-17

This world famous work on the origins and development of nationalism examines what drives people to live die and kill in the name of nations One of the greatest London Review of Books Anderson transformed the study of nationalism The New York Times Boldly original Guardian The full magnitude of Benedict Anderson's intellectual achievement is still being appreciated and debated Imagined Communities remains the most influential book on the origins of nationalism filling the vacuum that

previously existed in the traditions of Western thought Cited more often than any other single English language work in the human sciences it is read around the world in more than thirty translations Written with exemplary clarity this illuminating study traces the emergence of community as an idea to South America rather than to nineteenth century Europe Later this sense of belonging was formed and reformulated at every level from high politics to popular culture through print literature maps and museums Following the rise and conflict of nations and the decline of empires Anderson draws on examples from South East Asia Latin America and Europe s recent past to show how nationalism shaped the modern world **Imagined Communities** Benedict Richard O'Gorman Anderson,1991 What makes people love and die for nations as well as hate and kill in their name While many studies have been written on nationalist political movements the sense of nationality the personal and cultural feeling of belonging to the nation has not received proportionate attention In this widely acclaimed work Benedict Anderson examines the creation and global spread of the imagined communities of nationality Anderson explores the processes that created these communities the territorialisation of religious faiths the decline of antique kingship the interaction between capitalism and print the development of vernacular languages of state and changing conceptions of time He shows how an originary nationalism born in the Americas was modularly adopted by popular movements in Europe by the imperialist powers and by the anti imperialist resistances in Asia and Africa This revised edition includes two new chapters one of which discusses the complex role of the colonialist state s mindset in the development of Third World nationalism while the other analyses the processes by which all over the world nations came to imagine themselves as old

Playing to Win Wanda Ellen Wakefield,1997-04-24 Traces the development of U S military sports and explains how and why the American armed forces embraced sports as a crucial part of training and entertainment for the men and ultimately women in uniform **General Of The Army Omar Nelson Bradley In The Korean War And The Meaning Of The Chairmanship** Major Michael D. Forbis,2015-11-06 The Korean War took place over a three year period from 25 June 1950 to 27 July 1953 The first year experienced the major operations of the entire war and the remaining two years of the war basically resulted in a stalemate along the 38th Parallel until the armistice The period of the Korean War was a delicate time in United States history and the war was part of a larger global problem facing the country with regards to the expansion of communism General of the Army Omar Nelson Bradley served as the first Chairman of the Joint Chiefs of Staff from 16 August 1949 to 15 August 1953 During this time in his career his duty as Chairman overlapped with the Korean War from the initial invasion on 25 June 1950 to the signing of the armistice on July 1953 Bradley s position as Chairman was part of the modern day Department of Defense unifying the service chiefs of the armed forces The Chairman position was the senior military advisor to the President of the United States and the Secretary of Defense During Bradley s four year term in this position he served under both Presidents Harry S Truman and Dwight D Eisenhower Bradley also served with the Secretaries of Defense Louis Johnson George Marshall and Robert Lovett During the Korean War General of the Army Douglas

MacArthur and General Matthew Ridgway served as the Far East Commanders

Soldier Speaks Douglas Macarthur Introduction

Soldier Speaks Douglas Macarthur Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Soldier Speaks Douglas Macarthur Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Soldier Speaks Douglas Macarthur : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Soldier Speaks Douglas Macarthur : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Soldier Speaks Douglas Macarthur Offers a diverse range of free eBooks across various genres. Soldier Speaks Douglas Macarthur Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Soldier Speaks Douglas Macarthur Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Soldier Speaks Douglas Macarthur, especially related to Soldier Speaks Douglas Macarthur, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Soldier Speaks Douglas Macarthur, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Soldier Speaks Douglas Macarthur books or magazines might include. Look for these in online stores or libraries. Remember that while Soldier Speaks Douglas Macarthur, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Soldier Speaks Douglas Macarthur eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Soldier Speaks Douglas Macarthur full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Soldier Speaks Douglas Macarthur eBooks, including some popular titles.

FAQs About Soldier Speaks Douglas Macarthur Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Soldier Speaks Douglas Macarthur is one of the best book in our library for free trial. We provide copy of Soldier Speaks Douglas Macarthur in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Soldier Speaks Douglas Macarthur. Where to download Soldier Speaks Douglas Macarthur online for free? Are you looking for Soldier Speaks Douglas Macarthur PDF? This is definitely going to save you time and cash in something you should think about.
