

## **Solitude**

**As I walk alone  
Along the winding paths of life  
The wind caresses my soul  
And the rustle of leaves  
Sets my emotions aflight.**

**I can feel...  
Feel the coldness of the pavements**

**I can see...  
See the looming shadows of trees,  
The feeble lights of street lamps  
Crawl the surface of the earth  
And  
Windows and doors of all shapes and sizes  
Nestling the warm glow of happiness and laughter  
While the cold and darkness around  
Seems to engulf me...**

**But lo and behold ...  
Up above I see  
The moon seems to bestow upon me its friendship  
And the clouds wrap me in bliss.**

**Once again I feel..  
I feel like a child in it's mother's arms  
Lapped in tranquility ...**

**I feel the touch of the winds,  
The music of the leaves.**

**I can feel..  
As I walk  
Along the winding paths of life**

**Solitude's of Poetry at Its Best** ,      **Solitudes** Luis de Góngora y Argote,1965      The Solitudes Luis de Gongora,2011-06-28 An epic masterpiece of world literature in a magnificent new translation by one of the most acclaimed translators of our time A towering figure of the Renaissance Luis de G ngora pioneered poetic forms so radically different from the dominant aesthetic of his time that he was derided as the Prince of Darkness The Solitudes his magnum opus is an intoxicatingly lush novel in verse that follows the wanderings of a shipwrecked man who has been spurned by his lover Wrenched from civilization and its attendant madness the desolate hero is transported into a natural world that is at once menacing and sublime In this stunning edition Edith Grossman captures the breathtaking beauty of a work that represents one of the high points of poetic achievement in any language      **The Solitudes of Nature and of Man** William Rounseville Alger,1867      **The Solitudes of Nature and of Man; Or The Loneliness of Human Life** William Rounseville Alger,1869

**Certain Solitudes, on the Poetry of Donald Justice (c)** William Logan,1997      Solitudes Marc Froment-Meurice,1995-07-01 Is the age of poets past or are we just on the verge of its coming in a farewell to poetry When Rimbaud claims One must be absolutely modern what does he ask for Is modernity really already finished before it has even fully arrived Is this the paradox of our present time What if as Mallarme said a present does not exist Is there any place for what Heidegger called building dwelling thinking Why did Heidegger himself in the end need an ultimate God after the failure of his political expectations To keep questioning is already a way of responding Perhaps the traditional philosophical gesture is not sufficient If language culture and the history of the West have come to the point of no return as shown by Auschwitz everything has to be rethought without a turn or a return      **The Bloomsbury Handbook of Solitude, Silence and Loneliness** Julian Stern,Christopher A. Sink,Wong Ping Ho,Malgorzata Walejko,2021-11-18 The Bloomsbury Handbook of Solitude Silence and Loneliness is the first major account integrating research on solitude silence and loneliness from across academic disciplines and across the lifespan The editors explore how being alone in its different forms positive and negative as solitude silence and loneliness is learned and developed and how it is experienced in childhood and youth adulthood and old age Philosophical psychological historical cultural and religious issues are addressed by distinguished scholars from Europe North and Latin America and Asia      **Poet Lore** ,1907      **The Knickerbocker** ,1839      *British Poetry and Prose* Paul Robert Lieder,Robert Morss Lovett,Robert Kilburn Root,1928      *American Monthly Knickerbocker* ,1839      **Columbia Dictionary of Modern European Literature** Jean Albert Bédé,William Benbow Edgerton,1980 With more than 1800 critical entries on the writers and literatures of 33 languages this work presents the entire range of modern European writing from the symbolist and modernist works rooted in the last decades of the nineteenth century through the avant garde and existentialist movement to Barthes Blanchot Breton and continental thought pertinent today      **Great Thoughts from Master Minds** ,1884      Chicorel Index to Poetry in Anthologies and Collections in Print Marietta
