The Church Story:

Church's Story 3 ,2017 **Church's Story 2** ,2014 **The Storied Church** Matthew Gorkos,2021-09-07 Matthew Gorkos begins *The Storied Church* with this compelling statement I believe in the church in the power of faithful people serving a good and gracious God and I believe in the power of a good story Moreover I believe as this book will argue that church and story harnessed together could be an even more powerful force for goodness in our world Neuroscientists anthropologists archeologists and psychologists all agree Story is how our brains and our communities make sense of things Storytelling helps us cope with change and loss Storytelling helps us transmit lessons and life skills to the next generation As human beings it seems we can't do without story This book indeed this whole idea of story centered church renewal was born of a suspicion that the restorative transformative life giving function that stories have for us as individuals may serve communities of faithful people as well If stories help us survive as human creatures why can't they help churches survive The problem that story centered renewal seeks to remedy has only become more prevalent and urgent in the age of Covid 19 Our churches need hope now more than ever Writing from a pastor's perspective Gorkos hopes to encourage and empower other pastors and lay leaders with both the hope and the tools they need to effect revitalizing change in their faith communities Each chapter includes questions for reflection to help readers listen to and tell the stories that will lead to renewal and transformation *The Church* Gabriel J. Fackre,2007 The latest volume in Gabriel Fackre's *Christian Story* finds the dedicated ecumenist attempting to examine the connections or lack thereof between worldwide ecumenical progress and the character of local churches as he observes them in twenty first century America Drawing from his own fifty year experience in the church as pastor teacher and parishioner Fackre breaks open the myth of the church experience and exposes the reality of modern worship on a local level *The Church* is rich in insight and fertile in its range of suggestions most of them aimed at pastors and aspiring pastors the men and women who will carry the teachings of the church its kerygma into the next generation and the ones that follow *The Church's Story* ,1993 *Story of the Church* A M RENWICK,A M HARMAN,2020-05-21 *The Story of the Church* gives an accessible and concise survey of the history of the Christian church from the first century to the twentieth Here is an epic tale of high hopes and great disappointments of bitter persecution and heroic loyalty to principles *The Story of the Church* is an established classic widely appreciated by several generations of readers It addresses the central question of why Christianity has spread around the world so successfully and offers a distinctly evangelical perspective Its clear structure pinpoints significant people and events **The Story of the Church** ,1931 *The Story of Christianity: Volume 1* Justo L. Gonzalez,2010-08-10 In this fully revised and updated edition the lauded church historian Justo Gonzalez tells the story of Christianity from its fragile infancy to its pervasive dominance at the dawn of the Protestant Reformation *The Story of Christianity* volume 1 relates the dramatic events the colorful characters and the revolutionary ideas that shaped the first fifteen centuries of the church's life and thought From Jesus's faithful

apostles to the early reformist John Wycliffe Gonz lez skillfully weaves details from the lives of prominent figures tracing core theological issues and developments within the various traditions of the church The Story of Christianity demonstrates at each point what new challenges and opportunities faced the church and how Christians struggled with the various options open to them thereby shaping the future direction of the church This new edition of The Story of Christianity incorporates recent archaeological discoveries to give us a better view of the early Christian communities Among these are advances in the recovery of Gnostic texts that have revealed a richer diversity of Christianities in the first century Gonz lez also includes important research done in the past twenty five years revealing the significant role of women throughout the history of the church With lively storytelling incorporating the latest research The Story of Christianity provides a fascinating introduction to the panoramic history of Christianity

Learning Theology through the Church's Worship Dennis

Okholm,2018-11-06 This book introduces students to theology with sustained attention to how Christian beliefs and the church s worship interact both historically and in practice Dennis Okholm approaches the subject from the necessary intersection of theology and liturgy showing that learning the church s doctrine apart from its worship undermines both The book flows as if the reader were participating in a service of worship It features illustrative charts and figures that complement challenging concepts and includes suggestions for assignments at the end of the book
