we feel that we are only acting in obedience to the hallowed principles on which Truth rallies her friends to her cause and Wisdom is justified of all her children when we present our feeble contribution upon the same altar on which Dr Breckinridge in the Speeches before us has offered his gifts All that we ask is a patient hearing and if we shall be able to add nothing to the defence of our doctrines we hope that we shall detract nothing from the spirit of the Gospel The precise issue which is involved in the Quorum question the subject of Dr Breckinridge s First Speech has not been distinctly apprehended by all who have written or spoken upon the subject 1 The General Assembly of 1843 decided that any three Ministers of a Presbytery being regularly convened are a quorum competent to the transaction of all

The Collected Writings of James Henley Thornwell, Vol. 4 John B. Adger, 2015-07-05 Excerpt from The Collected Writings of James Henley Thornwell Vol 4 Late Professor of Theology in the Theological Seminary at Columbia South Carolina This volume contains all its author s writings so far as we have been able to collect them on the subject of the Church It completes the number originally proposed for those of his works which are more or less strictly of a theological character There are two things connected with the remarkable providence of Dr Thornwell s death at the comparatively early age of fifty years which in our human dialect we say are to be deeply regretted The first is that many of the priceless treasures accumulated by sanctified genius quickened into energy by extraordinary industry which in the judgment of all who knew him he was best prepared to pour forth just when he was summoned to die are irrecoverably lost to us Mighty thoughts for which he had wrestled as in agony in the sleepless hours of night went unuttered with his spirit into the eternal sphere He took more with him than he left behind great as is the legacy which he has bequeathed the Church The second cause of regret is that he did not live to perfect what he had written and to reduce it to systematic form a task as easy to his logical mind as desirable to the completeness of his works but one which from the nature of the case no survivor could attempt to execute About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

COLL WRITINGS OF JAMES HENLEY James Henley 1812-1862 Thornwell, 2016-08-25 **The Collected Writings of James Henley Thornwell, Volume 4 - Primary Source Edition** James Henley Thornwell, John Bailey Adger, 2014-02-27 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We

appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book
