Companions Sisters of Perpetual Adoration, 2016-08-23 DO YOU know who is your best and most faithful friend It is one whom God Himself has placed at your side as a life companion a Prince from His own Heavenly Court your Guardian Angel God in His goodness has appointed him to guide and protect you through life and to lead you safely to your Eternal Home From the very beginning of your existence your Guardian Angel has been concerned about you He rejoiced when you were born into the world just as a good mother rejoices over the birth of her child From the day of your Baptism you became ever dearer to your Guardian Angel ever more loved by him Day and night he watched at your cradle He led you as you took your first steps He cared for you with most tender love when danger threatened He grieved when you committed sin as if he himself had received the greatest injury and he left you no peace until you became reconciled with God by a good Confession He has watched and prayed with you in hours of distress He has rejoiced with you in days of prosperity On the day of your First Holy Communion he was the bridal attendant of your soul As often as you have received the Bread of Angels in the state of grace he has rejoiced to accompany you to the Holy Table He it was who prayed for you specially when the hand of the bishop anointed you as a soldier of Christ in the Sacrament of Confirmation Your Guardian Angel is your best counselor Particularly will he assist young boys and girls in their choice of a vocation He will shield you amid the dangers of the world If you call upon him he will help you to find the life companion whom God has destined for you He will ever remain at your side so that you may faithfully and conscientiously fulfill the duties of your state in life If God has called you to the religious life or to the holy priesthood your Guardian Angel will protect you from the temptations of the world and help you to preserve your virginal purity to offer it to God at the altar by your holy vows or to offer the sacred Body of Christ with unstained hands and holy lips as a priest of the Most High In short your Guardian Angel is your companion in all the circumstances of life your friend in good as well as evil days He will one day assist you in a very special manner when you enter into life's last conflict Then he will fight with you and for you until you have won the battle and your heart is at rest But not even then will he leave you there where every other even the best of friends must leave on the threshold of eternity When the light of earth fades away and the brightness of eternity bursts upon you your Guardian Angel will present your soul before the tribunal of God and faithfully plead your cause What is more if you require purification in the flames of Purgatory your holy Angel will visit and console you He will bring before God's throne the good works that are performed for you on earth and he himself will intercede for you Finally when your time of purgation is ended he will joyfully bring you word of your release from the flames of Purgatory and will lead you to the blissful kingdom of Heaven But to benefit by the presence of this heavenly companion

you must be docile to his inspirations and never turn away from this holy Angel who is your guide and your protector

Angels And Devils Joan Carroll Cruz,1999-12-01 The most thorough book about the Angels yet written Here bestselling author Joan Carroll Cruz expounds upon the traditional definitions and delineations of the Angels and Devils asking and answering virtually every conceivable question about them Among the many recent books about Angels this has to be one of the very best if not the very best yet Definitely another Mrs Cruz bestseller Impr *The Index to American Catholic Pamphlets* Eugene Paul Willging,1927 *Make friends with the Angels* Sister Emmanuel Maillard,2024-08-13 God has entrusted to each of us a very special and powerful friend our Guardian Angel As a pure spirit we cannot see him but he is by our side day and night always ready to help us protect us inspire us and guide us Scripture the saints and the Catechism of the Catholic Church tell us about the wonderful role the Angels play in our lives Don t miss the wonderful opportunity to make friends with him and call on him for divine intervention Let him work in your favor Don t leave him idle Angels love us dearly and never leave us alone They know God s plan for our lives and they are so willing to help us realize it How precious this is for us since we are so easily confused This booklet will enrich your daily life tremendously By reading these beautiful testimonies joy will flow into your heart and you will not be able to put it down You will never feel lonely again once you come to know the Angels Clean of Heart Rosemarie Scott,2006 Clean of Heart is written for practicing Catholics who accept all the teachings of the Church yet are still ensnared by pornography and self abuse There is hope Through the Sacraments God provides all the grace one needs to become pure No matter how long one has indulged in pornography or how deep one has sunk into the mire of vice Our Lord can still break the addiction What makes Clean of Heart different First it is written from a Catholic point of view While Evangelical Christians have many books and programs for pornography addicts there are few titles on the market for Catholics Clean of Heart consists of forty three daily meditations which draw from the power of the Sacraments and the wisdom of the Saints elements lacking in many Evangelical books Second Clean of Heart is a surprisingly chaste book It contains no obscenities or explicit testimonies which may be an occasion of sin for some The focus is on attaining a clean heart rather than recalling past sins *Heaven in the American Imagination* Gary Scott Smith,2011-06-01 Does heaven exist If so what is it like And how does one get in Throughout history painters poets philosophers pastors and many ordinary people have pondered these questions Perhaps no other topic captures the popular imagination quite like heaven Gary Scott Smith examines how Americans from the Puritans to the present have imagined heaven He argues that whether Americans have perceived heaven as reality or fantasy as God s home or a human invention as a source of inspiration and comfort or an opiate that distracts from earthly life or as a place of worship or a perpetual playground has varied largely according to the spirit of the age In the colonial era conceptions of heaven focused primarily on the glory of God For the Victorians heaven was a warm comfortable home where people would live forever with their family and friends Today heaven is often less distinctively Christian and more of a celestial entertainment center or a paradise where everyone

can reach his full potential Drawing on an astounding array of sources including works of art music sociology psychology folklore liturgy sermons poetry fiction jokes and devotional books Smith paints a sweeping provocative portrait of what Americans from Jonathan Edwards to Mitch Albom have thought about heaven
