Nair, 2018-05-09 Her life was always through unexpected situations a woman like Ellen never ever imagined a life like her She never complained to those who never saw the mother in her Her soul was matured enough to overcome the sorrow when she lost the most valuable thing in her life She never learned from the people around her in fact she was teaching them the lessons of life The world and mysterious gods stood with her from the moment she started fighting back for survival She was just like our mother earth with selfless love A story through different lives of a mother **The Half-mother** Emma Tennant, 1983 *The Horrors of the Half-Known Life* G.J.
